Seminarians of diocese are guests of council

Some 20 seminarians and their supporters from throughout the Columbus Diocese were among 32 dinner guests of Seton Council Knights July 30 in a program held in Bishop Herrmann Hall.

Attending seminarians included Jamie Csaszar, who has been serving in Seton Parish and who on Sept 1 will leave for Rome to continue his studies. He and other seminarians and guests expressed thanks to the council.

Attendees included Father Dennis and Father Steve. The latter commended Knights for the program and for their generous involvement in the parish.

Grand Knight George Williams commended Knights who assisted, citing Bud Joos for "early-bird work." John Samborsky for grilling and Dave McKenna as dishwasher.

If you have a Sept. birthday...

Addressing the need for additional Knights' participation in First Friday benediction and all-night adoration of the Blessed Sacrament that follows, Grand Knight George Williams continues to ask that Knights volunteer during their birthday month.
