March 1997, Vol. 4 No.2

## Measure-up 1997

The Council's Measure-up Campaign, which benefits disadvantaged children and adults, will be held Friday evening May 2 and Saturday morning and afternoon May 3.

Mike Monnin and George Williams, who again are co-chairmen, reported a fourth location — Long and Diley Roads — has been added as the result of efforts by Brothers John Morrison and Steve Walter.

The new Kroger store will be the key location for the local campaign. Other locations are the four-way stop at Columbus Street and Hill Road and the intersection of Milnor and Refugee Roads.

Reserve two-hours shifts by calling Monnin-837-1478 or Williams-861-4109. Rulers, vests and buckets are available.

## Final fish dinner is March 14

The third and final Lenten fisher dinner sponsored by the council will be held Friday evening March 14 in Bishop Herrmann Hall.

Knights expressed appreciation to women of the parish, including many Knights' spouses, who donated desserts to the first two fish dinners and asked that they repeat the favor for the March 14 dinner.

Total proceeds from the first dinners exceeded \$1,500. A 50-50 drawing held at the second dinner netted Knights \$23.

## \$1 tickets now available for '97 Clippers baseball

Can baseball season be far away when the Majors are in spring training and Ohio temperatures already have reached 70 degrees?

Not according to John Mayo, who is serving as Seton Council's chairman of Family Night, which is scheduled June 6 at Cooper Stadium. The early-bird baseball tickets, normally \$3.50 each, currently are available for just \$1.

These tickets are good for more than 25 home games between opening day in early April and June 6.

A portion of proceeds will be used to make a contribution to the Franklin County Special Olympics. Last year the Great Columbus Chapter of the Knights donated \$6,500 to the Special Olympics.

Mayo, in a flyer containing a Clippers baseball schedule, made the following appeal:

**"I am asking each Knight to buy a minimum of 10 tickets. Please leave a check, made payable to 'Seton Knights of Columbus,' in my church mailbox for the quantity of tickets you want. Payments are being accepted now, with distribution to follow.**

"In past seasons, these tickets have proved popular with friends, neighbors, co-workers, as well as with those who purchased them." Call Mayo at 927-0165 with questions.

## Golf league start is set

The new Seton Knights golf will play at Valley View off Rt. 37 near Lancaster. The league had considered using a course near Rickenbacker Air Force Base.
