## DEAR BROTHER KNIGHTS BY JOE ROSSI-GRAND KNIGHT

The month of September has proven to be another great month for Council 11187. Once again I am proud to be the Grand Knight of what I believe is the best council in the greater Columbus area.

I want to take this opportunity to thank Bernie Holland & Jim Meelia for the excellent job they did as chairmen of the Seton Open Dinner. They did an excellent job of leading the many volunteers that helped make this another profitable fund raiser.

Three new Knights were inducted at the First Degree ceremony on Sept 18. Lets all welcome Mark Delmatto, Anthony Delmatto & Larry Lotz. We should also welcome a new transfer from Illinois, Michael Sergio.

Saturday, October 7th is our first Saturday Mass. I urge all my fellow Knights to attend Mass with their families. An meeting for all Officers and Directors will follow.

### VERY IMPORTANT DATES:

**Monday Oct. 23rd - Wives Appreciation Dinner.** Make sure your wife has the opportunity to enjoy a great dinner and have the

chance to socialize with the other wives in the Council. All Knights should bring their wives to the dinner and prepare to participate by showing their wives a Knight to remember. Look elsewhere in the newsletter for the menu and an RSVP. We need to know how many will attend.

**Saturday & Sunday Oct 28th & 29th- Our annual Pasta Dinner.** Chairmen Dick Peterson & Terry Thompson will be calling on their fellow Knights to help prepare & serve. Preparation has always been a chance to enjoy the camaraderie of your fellow Knights.

**Sunday Oct 29th- Second & Third Degree Ceremony at Our Lady of Perpetual Help in Grove City.** All Knights who are still First Degree only should make a special effort to attend the ceremony. We'll miss you at the Pasta Dinner, but Chris Hall will be contacting those who need to attend.

**Saturday Nov 11th - Catholic Men's Conference at Our Lady in Grove City.** Make an extra special effort to attend.

Fraternally Yours,  
**Joe Rossi, Grand Knight**

# DEPUTY GRAND KNIGHT'S CHALLENGE

BY BUD JOOS

## October

The month of the harvest moon.

And what a harvest it will for the farmers be in this part of the Midwest. The Midwest is where corn is king and soybeans are the major cash crop in the fall.

At this writing also I am aware that in some areas of our country the soil is dry and parched and there has been no rain for at least 77 days. Our daughter who lives in Amarillo, Texas told me yesterday that the soil has wide cracks. And the foundations of some houses the ground has pulled away from the foundations because the clay soil has lost all the moisture. I also remember last summer in conversations with the same daughter she related to me that her part of the country was getting an abundance of rain but our farmers were trying to avoid a disaster because of the lack of rain.

The fact is our country is large enough that we do not have weather phenomena that will affect all of the agriculture production in one year. We also spend less of our income on food than any other country in the world. The last statistic that I remember is that on the average we only spend 11% of our income on food. That is incredible! What is more incredible is that the percentage has been dropping for at least the last forty years. In many other countries the percentage of income that is spent on food is well over 50% and in the very poor countries it can be as high as 80%.

Since, in this country we do have to spend a high proportion of our time and money for nutrition, it begs the question; what do we do with all of this time and money that the rest of the world does not have?

That brings us to the challenge for this month. Let all of us look into the heavens

when the harvest moon appears (I really do not know if the harvest moon is the full moon on October 13<sup>th</sup> or if it is the New Moon on October 27<sup>th</sup>) and ask ourselves the following questions.

*Have I used my time to practice the things that the Church teaches?*

*Have I spent time with my family, visited a loved one in need, or volunteered my time?*

*Have I prayed for those who we know that are in need because of illness?*

*Have I expressed my sympathy to those who have recently lost someone forever?*

And of course October is a month that we honor the Blessed Virgin Mary.

Your Deputy Grand Knight,  
*Bud Joos.*

**“Hail  
Mary, full  
of  
grace..”**

## VESTMENT GIFT TO BE DISCUSSED AT THE NEXT MEETING.....

Seton Parish has need of appropriate vesture for the Season of Advent and Ordinary Times and proper vesture for our deacons. With a gift of \$2200.00, we will be able to purchase 2 chasubles and matching stoles for Advent and a chasuble and matching stole for Ordinary Time. We would also be able to purchase dalmatics and matching stoles for our deacons.

The Parish would acknowledge the gift by the Knights of Columbus by placing the KofC emblem inside each vestment and/or any other manner which would be appropriate.
