VOTED THE NUMBER ONE NEWSLETTER IN THE STATE OF OHIO

Dear Brother Knights,

The events of this past Saturday and Sunday regarding our chaplain Father Weithman are indeed disturbing and disheartening. Sadly we are just beginning to see the effect of the recent scandals in the Church and unfortunately it opens the door for both true and false accusations. It will be a trying time for all of our priests. This situation should very clearly point out to us the need for the Knights to serve the Church and community. We are in need of strong Knights who will faithfully support our religious in these trying times. As part of our service to our religious, I have asked Ray Creamer to add a rosary prior to our first Saturday Mass which we will dedicate to vocations and support of our religious. I can think of no better advocate than our Holy Mother to intercede for her sons. I hope all of the Knights of Council 11187 will attend, as the rosary is our most powerful weapon against the evils this world has to offer. I also ask that each of the Knights pray daily for justice and support for Father Weithman. We must be ready to support and defend our clergy and our parish in their time of need.

“We must be ready to support and defend our clergy and our parish in their time of need.”

Even though we are in the “dog days” of summer, we are gearing up for another fast paced fraternal year. The theme for this year is the same as last year “Called to Serve” and Council 11187 has proven they understand this theme very well. We kick off August with the Installation of Officers at the first Saturday Mass on August 3. I hope all of you will take the time to support your officers and attend this Mass. Father Weithman will be presiding and the 4th degree in full regalia will attend.

Dear Brother Knights (Continued from page 1)

We are in need of volunteers to help chaperone and cook for the Altar Servers Swim and Picnic at the Swim Club on August 9. Please call brother Len Fatica (501-8502) or Dick Petersen (868-8615) if you can help. The annual Monsignor Stephen Hawkins Memorial Golf Scramble will be held on August 25 and we will need the help of the Knights for the dinner following this outing. Call Bernie Holland (833-0045) if you can help in the kitchen. Whether you play in the outing or cook for the golfers it is a fitting way to honor our brother and friend Father Steve. On August 26 at 8PM we will have our annual new member & wives pizza party in Hermann Hall. This event has not been well attended by the current Knights in the past. I hope many of the current Knights will take the time to come and welcome these new Knights from the past year as they are the future of our Council. Please remember that we will also be calling for your assistance with the Parish Festival (September 13 – 15). There are many positions to be filled in the Monte Carlo (which will feature horse racing) and grilling for the Food tent.

Over the past year, the trademarks that set our Council apart have been hospitality and an unselfish desire to serve our Council, parish and community. We have welcomed our new Knights as well as Knights from across the Council in our recent kick off meeting. During the coming year we look to expand upon these gifts. First of all I would ask each active brother Knight to think of one fellow Knight who has not been active. Ask this brother Knight to attend at least one function with you during the coming year. We will need many more Knights participating as we expand our help to Mt. Carmel Parish at Buckeye Lake. Leon Quigley (740-928-0558) will be heading this up. We will need help to establish a Food Pantry assistance program as well as meeting any other needs of this parish.

We have an exciting year ahead of us and I am looking forward to working with each of you. The success of this Council is in the hands of all of us. I would ask that each brother Knight continue to lend his talent and time to making this the best Council in Ohio as we lead by our example.

Fraternally Yours,

Richard J. Petersen

Chancellor's corner

This is Mike Croyle. As chancellor for this coming year, I intend to keep up the fine tradition established by our former chancellors in presenting a "challenge" to us all each month. I hope these articles make you think. I know that is what they will do for me as I strive to bring fresh thoughts to print in our challenge of becoming better Catholic men. Here is my first attempt.

It is August. The television and newspaper advertisements are in full swing heralding the advent of a new school year. My son looks forward to the BIG DAY and the excitement of a new teacher, a new class, and friends – both new and old! My daughter on the other hand, already laments the coming school year with mountains of homework looming and the impending loss of freedom.

But, could the summer be ending so soon? The long, cold and wet spring seemingly delayed summer forever. Then a scorching June and boiling, hot July let us know that summer had arrived. At times, it seemed oppressive. At other times, the events and weather were something out of the movies ... perfect and just as we hoped. But, so quickly our days at the pool, family trips to the beach or lake, softball and baseball practices for the kids, golf, and ice cream trips on a stifling evening seem numbered. Could that be true?

Unfortunately, (or fortunately as some Mom and Dads may think) we know the answer is "yes". We cannot avoid the inevitable, so we may as well enjoy our remaining summer days and prepare for a new beginning! It is time to squeeze in and savor that last trip or excursion with the family. Time to enjoy the late evening light and sunsets. Time to savor the food grilled outdoors before the cool fall sends us back to the oven indoors. Time to prepare for the harvest. Time for sure, to cleanup all those loose ends of the chores we promised to accomplish during the season.

Time to get that all-important school shopping done for supplies and the correct in-style outfits. Time to get a move on!

And is this not true in our religious lives? For many of us, we feel we are in the summer of our lives. As youths, we greatly an

anticipated adulthood and all the freedoms that status holds. When finally reaching this time in life following the delays of school and finding one's career, the times were not always as we had hoped. Stumbles on the job and in our personal lives sometimes seemed oppressive. At other times the joys of marriage, children, and successes in other events, were perfect and more than what we prayed for.

But, just like the summer season coming to a close, are not our lives always traveling towards that same inevitable conclusion? As in our acknowledgement above of our limited summer days, the answer is of course "yes". And should we not, as in life, continually strive to enjoy our moments with each other here and prepare for our life in the hereafter? Well, you know the answer to that one as well.

Take the time to enjoy all the times with family and friends, as they could always be the last. Enjoy the changes in season and reflect on how they mimic life. And of course, prepare our souls by living a life, as He would want. Cleanup all those loose ends in our dealings with others and our actions as Catholic gentlemen. Attend mass, visit the Eucharistic chapel for prayer or make time for prayer as you can, become more involved with our Knights and other groups who assist those more unfortunate than ourselves, and put on our "religious suit" in our everyday lives and not just on Sunday. We don't need to shop for this one. It is in the closet of our "soul" at all times. And it never goes out of style. Time to get a move on!

Mike Croyle
