## HAPPY FATHER'S DAY

### Dear Brother Knights,

I can't believe it's June already. This year has really flown by and it's almost time to elect officers for the 2003 - 2004 fraternal year. I hope every knight will consider it his duty to come to the June meeting to vote for the candidate of his choice so that this council can remain strong. I have found the past year to be a true honor and privilege to have served as your Grand Knight. The Knights of Council 11187 are a shining example of the tenants of the Knights envisioned by Father McGivney. I have not seen any more caring, selfless or hard working Knights.

Last week PGK Bud Joos and myself had the honor to attend the 104<sup>th</sup> K of C convention in Dayton. Brothers, Council 11187 was selected as the **Number 5 Council in OHIO!!!!** This is a tribute to all of the hard work you have performed over the past fraternal year. We were also honored to have **Pat Cleary voted as the Volunteer for the State of Ohio.** I think we will all agree that Pat is very deserving of this honor. Pat has selflessly given of his time, talent and treasure to help others throughout the year. We were lucky to get Pat and his wife Christine to the convention without Pat finding out why he was there. The expression on his face was priceless. We also received the honor of having the **"Best Membership Activity" in Division 4.** As a result of the membership activities we were also awarded two \$25.00 checks. Let us all thank J. B. Boblett and Lloyd Stauffer for their exemplary effort in growing the Council 151% this past year. Our other awards included the **"Administrative Excellence", "Program Excellence"** and **"Called to Serve"**. By completing all of the requirements for the fraternal year we were also again honored with **"Our Lady of Fatima"** award. We were only 1 of 12 Councils to receive this award. The Columbus diocese took 8 of the top ten places in the state this year. We will have the awards for viewing at the next Council meeting. These are truly a tribute to the fine work of the knights of Council 11187.

In June we will be hosting several significant activities. We will kick it off with the election of officers at the 6/9-business meeting - **PLEASE PLAN TO ATTEND.** On 6/21 at 7:00 PM we will host a going away party for Father Bill at Dick and Joie Petersen's. All of you are invited; however please let Dick and Joie (868-8615) know if you plan to attend so we can make arrangements for beverages and meat. All invited should bring a dish to share. On 6/23, J. B. Boblett has arranged to show the **Saint Elizabeth Ann Seton video** for our social meeting. This would be a great way to kick off our 25<sup>th</sup> parish anniversary celebration. I hope we will have a good showing for this event. Please respond to JB (856-1612) with your plans to attend. Finally, we will be cooking a fine pig for the 25<sup>th</sup> parish anniversary celebration on 6/29. Wayne Patterson (833-0980) needs Knights to help get the shelter house ready on 6/21. This should only take a couple of hours. We will also need Knights for cooking and serving the pig roast on the 29<sup>th</sup>. Call Dick Petersen (868-8615) if you can help.

## Chancellors' Corner

Let us look this month at our fathers. After all, it is only fair. Last month we explored our mother's love for Mother's Day. This month we do celebrate Father's Day. So equal time is a necessity. After all, I'm sure we can find some similarities between our fathers and our heavenly Father as well. I may get a little more personal here this time. Hope you don't mind. Here goes.

My father loves me. However, it is the strangest thing ... he never says it. I cannot remember the last time I heard him say the words, "I love you", but I know he does. Perhaps, it was part of his upbringing that prevents this verbal expression of sentiment. However, it was seen in the many actions he displayed and still displays throughout my life. You always **felt** his love. It was felt through the tousle of my hair as he tucked each of us children in at night ... whether it was at our bedtime or at his following a late mid-shift at the plant. It is heard in his smiling greeting of "Hi Buck" on our too infrequent visits home or our weekly phone calls to check in. It was seen in the constant sacrifices he made to ensure our Catholic grade school and college education. He made sure we all had a better life than his.

And our Lord's love for us is the same. We never actually hear the words "I love you" come pouring forth from a cloud, but we know he does. We constantly **feel** his love every day if we try. We see this love in the beauty of the world around us ... in the love from our children or loved one's eyes ... in the actions of others and their good deeds ... and of course in the great sacrifice he gave with His only son's life to atone for our sins and give us a chance for a better life after death. What greater expression of love than this?

My father was always watching ... even when he was not around. He worked swing shifts of 7-3:00 pm, 3-11:00 pm, or the dreaded 11-7:00 am night shift. You just knew that somehow word would get back to him if you did anything wrong at school or when out with friends. You dared not step too far off the straight and narrow or risk the wrath of Dad! The justice was always swift, fair, and usually deserved. I can also remember his watchful eye at my sporting events. I remember scanning the crowd for him before the start of the games. He could usually only attend if he worked a "double" ... two eight hour shifts in a row ... or switched for a weekend shift with someone else. Neither was a treat for him. But, seeing him there, just made things right and I usually played better. His evaluation and congratulations after the game were far more rewarding than the coach's summation. I had pleased my Dad!

Our heavenly Father is always watching too. And He is always around. His twenty-four hour job is watching over us. You know the "word" of our actions on earth gets back to him instantly. If we were afraid of the wrath of Dad, how can we not act in a Christian manner on earth when fearing the wrath of God? Dad's punishments may have left some bruises. God's punishment of eternal damnation is a tad more severe in my book. And following evaluation on judgment day, do we not wish to receive the congratulations that only our Father can give? Imagine the feeling of seeing the look of satisfaction and pride in his eyes. What higher praise can be received than life in heaven by His side? We can please our Father!

So, your challenge this month is simple. On Father's Day remember our fathers ... whether they are still with us or not ... for all they have done to make our lives better here on earth.

And on every day, remember to live life to please your Father in order to receive the reward of eternal life with him after our days here on earth are done.

Have a great month. Happy Fathers Day to all my brother Knights.

*Mike Croyle*

Chancellor

## Brother Knights,

I will not be able to attend the next General Meeting and Election of Officers due to a prior commitment. As you know, my term as Deputy Grand Knight expires and I'm running for the office of Grand Knight. I wanted to share with you my thoughts and plans for the upcoming fraternal year. I am very proud of what our Council has achieved in the last year (Star Council & 5<sup>th</sup> in the State!) and I'm sure that we can sustain the enthusiasm to be recognized for our work next year also.

If I am elected Grand Knight, I will be implementing several changes that I believe will benefit us. First, I plan to implement several forms to enable us to better track our events and the participation at them. This will allow us to submit our activity reports with less effort for the Program Director and allow future chairmen to have a historical view of events. The Second and more important change is to implement and enforce the use of forms to request and submit funds. We've grown to the point that we can no longer afford to track our finances on the back of receipts.

In the past year, I've worked with lots of you on many Council events, attended the Business and Social meetings, participated in Chapter meetings and functions. I have also been involved with the Fourth Degree by participating at wakes, parades and the Bishop's Anniversary celebration.

I encourage everyone to attend the June meeting, hear how well we did at the State Convention and to vote for your new Officers. I also would like to ask for your vote for Grand Knight.

Fraternally in Christ,

*Neil Ferguson*  
Deputy Grand Knight

## THANK YOU

### **Knight of the Year**

Thank you for our selection as Knight of the Year. I am truly honored to represent the Best Council in Columbus! Again THANK YOU!

*Bud Joos*

### **Family of the Year**

We wish to thank our Council for the recent honor you bestowed upon our family by selecting us as Family of the Year. We are honored to represent the Best Council in Columbus! This Council has become family to us and we are grateful for the warm welcome. As most of you know we are transplants from Dayton and we have no family here, but we have come to think of the council as our extended family and really enjoy being with everyone.

Again THANK YOU!

*Jesus and Lucretia Garcia and Family*

### **Volunteer of the Year**

“It’s hard for a Bumble to be Humble” is a line from a movie I have seen at least 50 times in the last 30 years. Well this Bumble is humble. It says Patrick Cleary III on the Volunteer of the Year awards, but the last line reads *St. Elizabeth A. Seton Council 11187*.

I am truly honored and grateful for an award of this degree. But the greatest Honor goes to our Council and every Knight in “ the best damn Council in the state of Ohio”. Without the leadership and mentoring, we could not continue to grow. Without the involvement of nearly every member, we could not accomplish all that we do, and we do a lot. What? You say you don’t help that much? Well, you do and just don’t realize it. Your assistance at even 1 or 2 events a year is greatly appreciated. We have always said “Family First” and that is how it should be. So when you could not work an event, you attended with your family and friends.

Thanks to all of you for being a Family of Knights within our Parish Family. For all the great times and special moments we have shared, making work fun. Most of all, I would like to thank my wonderful and loving wife, Lady Christine. Chris, and all the wives, have supported us, worked the events, and at times gave us that little push we needed to get things done.

Now we all need to see what we can do to make next year even better. Check the upcoming event calendar and try to schedule an event into your lives. I guarantee you and your family will say “why didn’t we do this sooner”.

P. S. If Bud and Terri Joos, Fran and Deborah Vendetta, or Dick and Joie Petersen talk you into going somewhere, LOOK OUT!
