November 25, 2004 - HAPPY THANKSGIVING

Our Next Challenge

Last month we challenged ourselves to weather the changing seasons and embrace the season without dwelling on the loss of summer. We further challenged ourselves to do the same with our lives by not regretting the changes that come but instead embracing them as part of God's plan. I hope you were successful. Read our other articles in this newsletter to see how we answered our program challenges of the Monte Carlo, Family Picnic, and more. We can also welcome into our council, Glen Williams who attended our diocesan first degree on October 17. Hope to see you at a few events, Glen Williams.

This month's challenge is a breeze ... literally and figuratively, as the fall winds increase in intensity. Thanksgiving is coming. Our next day off work, a day with stuffed turkeys and bellies, the day before the Holiday Christmas shopping season begins, and hopefully a day to offer thanks for all we have. Everyone usually manages to do that latter ... at least for a day.

However, this year let's make an effort to increase and extend the celebration. A lady I once hung around with used to celebrate her birthday as a birth month. She spoiled herself whenever possible and treated herself to little pleasures sacrificed at other times of the year. It made her feel special. Let us try the same with Thanksgiving! Challenge yourself to celebrate a Thanksgiving Month ... but without 30 days off of work, 30 turkeys, or 30 days of shopping ... keep that latter part down ladies. Instead take time on a *daily* basis this month to offer thanks for your family and friends, your job and boss, your home and possessions, your country and freedom. Offer thanks for everything that the Lord provides ... both good and bad ... as we know it is in His plan. You may find that after the month is over, the practice of being thankful may just continue. What an awesome way to live our religion and grow in spirit. You too will feel special for all that you have and recognize. We can only pray we are successful in this.

And now, here are a few other ways to show thanks during November and get involved with some of our programs. Saturday, November 6 gives you *three* chances to give thanks in one form or another. The morning starts off with our First Saturday Rosary and Mass. The rosary begins at 8:30. Bring the family and offer thanks to our Lord and enjoy the splendid treats offered by the Morrison's afterwards. Following the Officer's Meeting we have the opportunity to attend a Spaghetti Dinner at the VA Hospital down in Chillicothe. We take gifts for these veterans who served our country and now need some help. What better way to say thanks for the freedom we have and they have helped us secure. Check the article on this to see items to purchase if so motivated. And then, of course, we have our much anticipated Wife's Appreciation Dinner that same night for you to thank those lovely, Lady Knights who have stayed by your side throughout the years. They all have helped our council programs in so many ways that we cannot probably thank them often enough. Try to attend at least one of these events and all three if you want a very fulfilling day!

Later in the month we have scheduled our first Pancake Breakfast on Sunday, November 14. Be ready to offer assistance to our Program chairs Mike White, Dan Stephan, and John Sambuco when they call. You newer Knights should show up, introduce yourself around, and get involved! Do not wait for a call. Working an event is the best way to get to know everyone and become a real, part of the group. And for everyone else ... if you cannot work ... come eat! Bring the family. Bring the neighbors. This is one of our money makers and we can always use a little more of the green stuff. Also, our next First Degree is scheduled for Wednesday, November 17 with Candidates Call at 7:00. Newer Knights are encouraged to come and sit through one of these whenever possible. It is a good reminder of what we stand for! Older Knights are always appreciated in attendance as well. Meet the new guys and make them feel wanted. They are sure needed and we are thankful for their commitment and involvement. For those of you who have not yet recruited a new member ... get hopping. We have new families entering our church all the time. Even long time church members may want to enter knighthood. Some are just probably waiting to be asked. Ask.

Chancellor's Corner

The first American Thanksgiving was celebrated in 1621, to commemorate the harvest reaped by the Plymouth Colony after a harsh winter. In that year Governor William Bradford proclaimed a day of thanksgiving. The colonists celebrated it as a traditional English harvest feast, to which they invited the local Wampanoag Indians. Days of thanksgiving were celebrated throughout the colonies after fall harvests. All thirteen colonies did not, however, celebrate Thanksgiving at the same time until October 1777. George Washington was the first president to declare the holiday, in 1789. By the mid-1800s, many states observed a Thanksgiving holiday. Meanwhile, the poet and editor Sarah J. Hale had begun lobbying for a national Thanksgiving holiday. During the Civil War, President Abraham Lincoln, looking for ways to unite the nation, discussed the subject with Hale. In 1863 he gave his Thanksgiving Proclamation, declaring the last Thursday in November a day of thanksgiving. In 1939, 1940, and 1941 Franklin D. Roosevelt, seeking to lengthen the Christmas shopping season, proclaimed Thanksgiving the third Thursday in November. Controversy followed, and Congress passed a joint resolution in 1941 decreeing that Thanksgiving should fall on the fourth Thursday of November, where it remains.

So, what does this all mean and how does it apply to our everyday lives? Since most of us are no longer farmers in the traditional sense and I very much doubt many of us depend on a successful harvest to make it though the winter, we can still use the harvest analogy by substituting our relationships with both our families and with God for crops. We need to cultivate our relationships both familiar and spiritual in order to have a bountiful harvest. Giving thanks is an important part of our faith and will indeed help us to have a "bountiful harvest". And, we need spiritual sustenance in the form of the Eucharist and the love of family and friends. Let's be thankful that we have the opportunity to "grow and harvest" a loving relationship with God and each other

Have a safe and happy Thanksgiving

WIVES APPRECIATION DINNER

Saturday, November 6th at 7pm we will honor our wives with the annual Wives Appreciation Dinner. Invitations and details have already been placed in the Church mailboxes. If you have never attended you need to make sure you do this year. Our wives deserve at least this much for what they do for our programs and for putting up with us!. If there is no notice in your mailbox call Pat at the number below. We apologize if invites sometime miss a mailbox.

Rumor has it a surprise chef will be concocting a famous recipe for all that night. Do you want a hint? Think Regis and Kelly! Could it be Regis? Could it be Kelly? Make sure you attend to see! **Call Pat at 837-4456 NLT Monday November 1st**

To All Seton Knights,

On Wednesday November 10th, 2004, Knights from the Columbus Diocese will be marching in the Columbus Veterans Day Parade. This Parade is a show of appreciation to our men and women who have and are now serving to protect our country and safeguard our freedom.

We will carpool down to the parade, meeting behind Bob Evans at 9:30 am and then head to Nationwide Blvd and Neil Ave parking lot. For all Sir Knights attending, dress is full regalia and council/dress shirt for all others. The Santa Maria float from Dresden Ohio will be at the parade for anyone that wishes to participate and unable to march.

Also on Veteran's Day join Assembly 809 and the City of Reynoldsburg for a Flag Disposal Ceremony. The Ceremony will be at 7:30 pm at JFK park (behind City Hall) and will include the Police and Fire departments. Sir Knights should be in full regalia

Monte Carlo Update

We had our first “fall” Monte Carlo on Saturday, October 23rd out in the PAC. The Buckeyes first win in three games (people were still tailgating) and a driving, evening rain kept many of our regulars away. We may have had a few more workers than players in the beginning, but the night was still a success. The final haul of cash (before all expenses) was \$1,420.00. Whereas this is not quite what we were expecting, it was the first time to attempt this event in the fall. We shall surely improve on the “income” this winter and next fall with what we learned. As always, the camaraderie of talking and working with your fellow Knights and others made the evening.

Give a big thanks to Mike Sergio and Joe Coffey for their work in chairing this event! Certain Las Vegas establishments are said to be contacting Mike and Joe to run one of their casinos. We’ll keep them here, though.

Family Picnic Update

Our fall Family Parish Picnic was held on Sunday, October 24th and was the best one ever! Over sixty family members were in attendance. Dick Petersen and Mark Holroyd did a tremendous job in planning and running the event. Burgers and brats were there to be had as well as Dick’s tasty bean soup! Delicious, hot cider warmed the insides of all who drank. Our lovely wives provided their always stellar side dishes and desserts. Nobody went home hungry. Wayne Patterson manned the tractor for non-stop hay rides for the young and young at heart.

Our normal contest to guess the number of M&M’s in a jar saw a surprise winner. Bud Joos guessed closest to the correct amount ending the past domination of the event by Fran Vendetta. Bud shared his candy prize ... the jar of M&M’s ... with all. The pumpkin carving contest was close! All the finished products were wonderful. The lights were dimmed at dark, the pumpkins lit, and the judging presided over by Mr. Petersen. Vanessa Vendetta won first prize with a ghostly entry. She took home as her prize an animated decoration resembling either Frankenstein ... or her father ... it was hard to tell. Our 2nd place winner was young Zachary Sandhofer who happily took home his prize of the dancing chipmunk. Everyone was a winner as they got to take home their pumpkin!

The picnic was also our time to officially welcome Fr. Jeffrey to the fold. He led us all in prayer before the assaulted on the food tables. Our Grand Knight welcomed him as everyone dined and promised him a gift to help him increase his suit size! Stop by the November Business Meeting to see the official presentation. Fr. Jim also attended the picnic and spoke with many, if not all of us. It sure is great to have *two* men of their caliber to lead us in our spiritual journey.

Make plans to attend these family functions. Even if you forget to RSVP ... come any way! We always have enough food. We can never get enough of friendship.

New Kroger’s Care Purchase Program!

Okay ... so the program is not really new. We **still** get **5%** from every purchase from Kroger’s for those who join the program. But, now the purchase device has changed! We no longer sell the paper \$25 and \$50 gift certificates ... that you would forget at home when going shopping or not be able to purchase because you never knew when we were selling them at church. We now sell \$25 or \$50 **gift cards**. These cards have **many** advantages!

1. You can carry them in your wallet (or purse for our Lady Knight readers) and use them whenever you do a “big shop” or stop for the obligatory bread and milk. No more forgetting certificates at home!
2. When the face value of the card is reached you simply recharge the card at Kroger’s front desk for **ANY amount up to \$50**. You can pay for the “charge” with cash, check, or credit card. The credit card option is great for you folks getting “miles” from your credit card purchases.
3. You never have to worry about taking a check book to church or sale days of certificates after the first purchase! You just recharge as needed. We will still be there to sell the **new**, gift cards on every donut Sunday!

This now provides our council with a tremendously easy way to acquire funds for our programs. Most of us stop in Kroger’s at some time or another for something. Buy a card to have 5% of your money come back to the church. So, bring the checkbook on Sunday, November 7th. Buy your card **now** and help us bring in some easy cash!

If you have any questions on the program, please call Terry Reine (614-856-3653), John Morrison (614-855-3787), or Mike Croyle (740-964-0023). We are investigating the idea of buying *some* certificates for the Holidays to use as teacher gifts. Stay tuned.

VA Holiday Party

Brother Knights,

Our Council will be participating with other Councils in the Diocese to recognize our Veterans in November. There will be a VA Holiday Party and Spaghetti Luncheon on Saturday, Nov. 6 at the VA Hospital in Chillicothe, OH. from 12:00 to 3:00. Anyone wishing to go and carpool down can meet in the Hermann Hall at approximately 11:00 am following the Officer's Meeting. Those who can attend - should. These are the men who fought for the freedoms to which we cling so tightly. Spending an afternoon with them is the least we can do. The council has already purchased and others have donated items to be taken down to the "VA" for delivery. If anyone wishes to purchase anything else ... there can never be enough ... here is a quick list of acceptable items.

In addition to providing Lunch and entertainment (Bingo) we will be providing Holiday Gifts for the Vets to pick out. Here are the items that have been suggested for the "Gift" List:

Dear Brother Knights (Continued from page 1)

And finally ... thank you all for all you have done for me, for the Knights, and for our church. It constantly amazes me as to how much you all sacrifice and accomplish with your time and effort to our programs and events. It is always done with an energy and devotion modeling our religion. I thank you all again and am very proud to be associate with every one of you. Have a great month.

In My Opinion - Pro-Choice Candidates and Church Teaching...

In a recent issue of the Catholic Times, a writer stated that as a good Catholic he felt compelled to vote for a pro-choice candidate because his opponent's policies supported the death penalty, the war in Iraq, and whose environmental record risked 30,000 lives in the next 20 years. Is he correct? Can a Catholic vote for a pro-abortion candidate because of his stance on other issues?

Responding to requests to clarify the obligations of Catholics on this matter, the Congregation for the Doctrine of the Faith in Rome, under its prefect, Joseph Cardinal Ratzinger, stated that a "Catholic would be guilty of formal cooperation in evil, and so unworthy to present himself for Holy Communion, if he were to deliberately vote for a candidate precisely because of a candidate's permissive stand on abortion." But the question of the moment is whether a Catholic may vote for a pro-abortion candidate for other reasons. The cardinal's next sentence answered that question: A Catholic may vote for a pro-abortion Catholic politician only "in the presence of proportionate reasons."

What are "proportionate reasons"? To consider that question, we must first repeat the teaching of the church: The direct killing of innocent human beings at any stage of development, including the embryonic and fetal, is homicidal, gravely sinful and always profoundly wrong. Then we must consider the scope of the evil of abortion today in our country. America suffers 1.3 million abortions each year--a tragedy of epic proportions. Moreover, many supporters of abortion propose making the situation even worse by creating a publicly funded industry in which tens of thousands of human lives are produced each year for the purpose of being "sacrificed" in biomedical research.

Thus for a Catholic citizen to vote for a candidate who supports abortion and embryo-destructive research, one of the following circumstances would have to occur: either (a) both candidates would have to be in favor of embryo killing on roughly an equal scale or (b) the candidate with the superior position on abortion and embryo-destructive research would have to be a supporter of objective evils of a gravity and magnitude beyond that of 1.3 million yearly abortions plus the killing that would take place if public funds were made available for embryo-destructive research.

In a society such as ours, (b) is almost unimaginable. Certainly policies on welfare, national security, the war in Iraq, Social Security or taxes, taken singly or in any combination, do not provide a proportionate reason to vote for a pro-abortion candidate.

Consider, for example, the war in Iraq. Although Pope John Paul II pleaded for an alternative to the use of military force to meet the threat posed by Saddam Hussein, he did not bind the conscience of Catholics to agree with his judgment on the matter, nor did he say that it would be morally wrong for Catholic soldiers to participate in the war. In line with the teaching of the catechism on "just war," he recognized that a final judgment of prudence as to the necessity of military force rests with statesmen, not with ecclesiastical leaders. Catholics may, in good conscience, support the use of force in Iraq or oppose it.

Abortion and embryo-destructive research are different. They are intrinsic and grave evils; no Catholic may legitimately support them. In the context of contemporary American social life, abortion and embryo-destructive research are disproportionate evils. They are the gravest human rights abuses of our domestic politics and what slavery was to the time of Lincoln. **Catholics are called by the Gospel of Life to protect the victims of these human rights abuses.** They may not legitimately abandon the victims by supporting those who would further their victimization.

The State council says we are paid up on past bills, but another shall arrive soon. Supreme Council communicates in our Membership and Financial statement we are even in membership and only need 13 more members for the year to reach our quota. **RECRUIT!**

Spaghetti Dinner was nice. \$895 gross netted us over \$500 in profit. We have MONEY! Next year the suggestion was that we move it back to weekends ... maybe even following Sunday mass ... pasta, big screen TV etc. Great job Tony Delmatto and crew. The meal was great!

Memorial Mass went well. It would be nice to have more 4th degree help on those occasions. We have over forty members, but only ten (?) came. Regalia was the main cause for lack of participation, but arrangements can be made to get some.

Upcoming events are the Monte Carlo on Saturday, October 23 (Mike Sergio, Joe Coffey, and Mike Croyle); Family Picnic and Hayride on Sunday, October 24 (Dick Petersen and Mark Holroyd); and the Wife Appreciation Dinner on Saturday, November 6 (Pat Cleary, Dick Petersen, and maybe a surprise, secret chef)! Awards: Past awards for knights and family of the month were given. For October we acknowledge the Laughery's as our family of the month for the **tremendous effort** at running the Food Tent at the festival this year. Their passion and concern to keep this as a crucial money-maker for the church went over and above a normal call. We thank you and the church does as well. We would also like to recognize Greg Lowe as our Knight of the Month of Oct. for his immediate and continuing assistance to the Rossi's following Joe's accident. From his care in getting Lorraine to the hospital following the accident, to his concern in helping her manage Joe's tools and garage, and as his efforts to organize ongoing yard clean up, Greg helped in the manner of an exemplary knight. We thank you.

Lloyd was recognized as Knight of the Month for Sept.. And finally, since he was not here last month, but probably knows he is getting it ... a special award to Neil Ferguson ... in gratitude again for his efforts last year and continued support ... his Past Grand Knight's pin.

Insurance Corner

For Brother Knights, by Brother Knights

We all know and appreciate the good work the Knights of Columbus does for the Church and charitable causes. But did you know that our insurance program is an essential part of the Order?

Protecting families from economic adversity has been a key part of the Knights of Columbus mission since its founding in 1882. Our founders passed the hat to support the widows and children of Brother Knights who had died. We've grown into one of the largest individual life insurers in North America - with more than \$50 billion of individual life insurance in force.

Moreover, contrary to some misconceptions, our insurance program is not directed in any way by a "separate company" and never has been. Our insurance is available exclusively to members, their wives, and their dependent children. All field agents - including me -- are themselves Brother Knights. We all work full-time for the K of C, serving the needs of you and your family and answering any questions you have.

In this day and age, personal attention has become rare - but in the K of C, we specialize in it. In fact, it's our job to get to know you and your family, and to make ourselves available to you for assistance. We are different from other insurers - and that difference greatly benefits our members. Give me a call to find out more about how the K of C has been "Protecting Families for Generations."
