## Happy Valentine's Day!

### Dear Brother Knights

I write this article a few days before the Super Bowl. Congrats to the many Steelers fans that will get to see their team in the big game this year. We long-suffering Bengal's fans can see the light at the end of the tunnel, though, so look out next year!

And of course, we celebrate St. Valentine's Day this month. Let us all take time to show, in a special way, our appreciation for the single-most important element in our lives (no, I don't mean our golf clubs), our wives. Let our Ladies know that we really do recognize and appreciate the myriad ways in which they have enriched our lives.

Our council faces a month of continued fast-paced activities. Our final Pancake Breakfast is scheduled for Sunday, February 5<sup>th</sup>. We will host two tables at the annual Clergy Appreciation Dinner February 12<sup>th</sup>. We also kick off the Lenten season with our first Fish Fry on Friday, March 3<sup>rd</sup>. Please contact Bob Eisenacher to volunteer to help with the Fish Fry events; they are quite important to our budget, and we put out a superior product. And of course, sandwiched into this flurry of activity we have our First Saturday Mass (8:30 rather than the usual 9:00) on Saturday February 4<sup>th</sup>; our Squires Meeting February 1<sup>st</sup>; and our Business Meeting February 8<sup>th</sup>. A ton of activity this month, to be sure. Also, at month end, many of our Brother Knights will head to sunny/frigid Myrtle Beach for the annual Golf trip, so let's make sure we have ample turnout at all activities to replace the guys who are hacking away in the freezing rain/snow/warm sunshine on the trip. On February 19<sup>th</sup>, in the PAC, we will host the Spring Charity Raffle meeting at which we will receive our raffle tickets and program materials. Contact Bud Joos to assist in this important fundraiser. Also, I would like to serve coffee/soda and light snacks at this event; if you can assist, please contact me. Finally, a 2<sup>nd</sup>/3<sup>rd</sup> Degree will be held February 26<sup>th</sup>.

In closing, many thanks to Mike Sergio and Joe Coffey for another successful Monte Carlo event last month. We have some tinkering to do for future such events but I'm confident we can do so. Thanks also to Dave McAllister for chairing the Free Throw Event. Happy Valentine's Day, and keep hope for an early spring as we head into the Lenten season and Easter!

Fraternally,

*Greg Lowe*

## Chancellor's Corner...

When was the last time you had a good "shot of spirituality?" I want to use my space in this newsletter to encourage all of my Brother Knights to take a good look inside and honestly answer this question. All of us need to recharge our "spiritual battery" from time to time. Unless you are seeing impaired or haven't been to Mass for a while, then there is no way that you can be unaware of The Catholic Men's Conference to be held here in our parish on Saturday, March 11, 2006 for the second time in as many years. This offers us a wonderful opportunity to experience social and spiritual fellowship with not only our Brother Knights, but men from practically every parish in our Diocese. I encourage all who read this to mark your calendars and plan to attend this Conference. It has the "total package" of fellowship, excellent speakers, adoration time, Sacrament of Reconciliation, Holy Mass with the Bishop, and your own feeling of being just a little bit closer with the Lord. How good is that? Registration forms are on the K of C Board in Herrmann Hall, and will soon be available in the gathering space. Will YOU be there?

Vivat Jesus!

## What do you get when you put 20-25 Seton Knights in the PAC kitchen on 5 Fridays during lent? A Friday Night Fish Fry – well actually 5 of them!

That's right 5 Fish Fries this year and they are just around the corner! Can you believe it, in just a few weeks we will have our biggest fundraiser of the year?! Mark your calendar for the following dates...3/3, 3/10, 3/24, 3/31, 4/7. To make this the best year ever we need YOUR help. And like the riddle said we need 20 - 25 Knights to blow last year's turnout right out of the "Holy Water". Because of the K of C golf trip, we will need some experienced help the first week.

As of now we have the following volunteers (who will need some additional

Setup - Paul "Bellman" Caravano

Desserts - Rose Drignat and Joie Petersen - calling and

John "Cupcake" Samborsky – setup and serving

Drinks - Steve "The King" Malott and Squires

Cashier - Bud "Cashman" Joos

Early Prep - The "3" Chairs and Mike "Newcomer" Gohr

Clean-up - We need a "Special Task Force" of 5 men in place and ready at 7 pm on Fish Fry Fridays

Please take the time to volunteer your time to help with this fun and spiritually rewarding experience. You won't be disappointed. Please feel free to contact Thom Laughery, Bob Eisenacher, or John Letourneau if you have any questions or would like to sign up. Or drop a "line" in one of their mailboxes in Herrmann Hall at Church. Thanks and God Bless!

*John Letourneau, Thom Laughery, and Bob Eisenacher*

## First Saturday Mass

Dear Knights and Ladies,

We write this note with rather bittersweet feelings. After four years, Mona and I have decided to allow someone else to do the first Saturday Mass breakfast. We have truly enjoyed the preparation, festivities, and love that has played such a big part of this monthly event. We always look forward to seeing everyone and being together and will continue to attend the celebration.

We wanted to provide ample time for the council to consider a replacement for this effort. Be assured, we will ensure a smooth transition with those who assume this responsibility. We will also share the important things like:

- Angie Welling is always the first one through the line
- Dick Petersen gets an everything bagel
- Betty Sanderell likes the cinnamon crunch bagel

- Rose Drignat likes a plain bagel
- Mary Lloyd drinks tea
- Papa eats anything!

Therefore, with the induction of the new Grand Knight this summer, we relinquish our first Saturday Mass responsibilities. Please consider performing this worthwhile work in support of the 11187 Council. Please inform the Grand Knight of your intention to help in this endeavor.

Respectfully,

*John and Mona Morrison*

## 2006 March For Life

Again this year the March for Life was an awesome event! The number of young people – high school and college students - attending is truly inspiring. Seton sent eleven people, including two Knights from our council, Hector Raymond and Edd Chinnock, and four SPY students. The SPY students were very appreciative of the financial and moral support they received from our council. We left early Sunday morning and arrived at the Basilica of the National Shrine of the Immaculate Conception at 5:00 for the Mass for Life. Even though the Mass did not start until 8:00, there were no seats left in the Basilica when we got there, so we had to stand. The next morning we attended the Ohio Right to Life Congressional Breakfast, then went to the Mall for the March itself. The Mass and March were both broadcast on EWTN and Fox News cameras were at the March, though the other major networks ignored it as usual. Several hundred thousand pro-life advocates marched up Constitution Avenue to show our representatives how we feel about the abortion.

At the Mass for Life, primary celebrant Cardinal William Keeler, Archbishop of Baltimore and Chair of the Pro-Life Activities Committee, US Conference of Catholic Bishops, gave another great homily on the sanctity of life. One of our Seton attendees counted over 500 clergy in the entrance procession, including over 100 bishops and 3 or 4 cardinals and archbishops. This was in addition to many servers and seminarians that participated. If you have never seen that many clergy in one place, the trip is worth it for the procession alone. The Basilica's capacity is listed as about 8000 people, but there were at least 10000 in the main church and many more watching on TV in the undercroft church and side alters. A truly impressive and active crowd - the singing shook the rafters!

In his homily, Cardinal Keeler spoke about the sanctity of life and the horror of abortion. He remembered the many lives lost to abortion and the effect on those left - mothers who mourn their lost child, doctors and nurses who violate the oath they took to "first, do no harm", and so many others affected in some way by abortion. He did offer some hope, though. The increasing use of ultrasounds along with improvements in ultrasound technology have done a lot to make people realize that a woman is carrying a baby, not a blob of tissue. Cardinal Keeler told us that surveys have found that over 50% of women considering abortion change their minds when they see ultrasound results. He urged us to continue our efforts to promote life and keep letting our representatives know how we feel about abortion.

At the Ohio Congressional Breakfast, Senator Mike DeWine reiterated his support for life issues and spoke about a bill he sponsored. He again invited us to come to his office after the March for pictures, brownies, and coffee or hot chocolate, which the entire Seton delegation did. Senator George Voinovich had to cancel this year due to other commitments. Keynote speaker Mona Charen gave a great pro-life talk that spoke of the advances the pro-life movement has made as well as the need to continue our efforts to promote a culture of life.

While all this was going on in Washington, here at Seton SPY sponsored a Mass with a pro-life theme. The well attended Mass was followed by presentations by Heartbeat International, an anti-abortion and post abortion healing ministry. One presentation was for adults while a skit on abstinence was performed for the

students. Thanks to all (and there were many of you) who brought food for the reception that followed.

Next, Seton's Respect Life Committee has two upcoming projects to help supporting women who choose life over abortion. During the month of February, we are collecting new baby items for Pregnancy Decisions Health Centers. There will be a porta-crib in the gathering space where you can leave your donations. The Respect Life members will see that they get delivered to PDHC. Second, SPY and Respect Life members are giving out plastic baby bottles for you to put your spare change in. We suggest leaving it on your kitchen table as a reminder to collect your change. The money gathered will be donated to PDHC or Heartbeat. Please be generous to both of these projects!

## Thank You Bell Ringer's

A note of thanks to my Brother Knights who helped with the Salvation Army Kettle Campaign this Christmas season. Our efforts raised \$622.69 for their good works. A letter from Captains Patrick and Linda Ward thanked us for our spirit, effort, time and smiles.

## Perpetual Adoration

Since Perpetual Adoration started at Seton, the Knights of Council 11187 have been responsible for the Monday 5-6 am hour and have filled it very capably with the help of about twenty five or thirty of the same Knights.

We want to extend this opportunity to the entire Council and not just the same few men. We have over 270 Knights registered and if each Knight would take just one hour one week of the year, he would not be called on for about five years. How simple that would be?

I will start contacting individual Knights to set up dates starting in January. Please be receptive to this plan and spend one hour of the year with The Blessed Sacrament in Adoration.

If you would like a particular date in 2006 please feel free to volunteer by calling me at 863-6419. Being Knights you obviously know the advantages of spending sometime in prayer before The Blessed Sacrament.

Thanks,

*Ray Creamer.*

## Sponsor Couple Program for Christian Marriage Preparation

Welcome to an enriching ministry done from the comfort of your home:

The Sponsor Couple Mentoring program offers you an opportunity to share your faith and marital experiences with engaged couples preparing for marriage at Seton Parish.

*The program was started by Fr. Rob Ruhnke in Houston Texas in 1981 and has been used as an alternative to other pre-Cana programs offered by the Dioceses. Since Seton adopted the program in 1990, over 300 engaged couples have benefited from mentoring by the sponsoring couples. The success of the program is the one-to-one ratio of married couple to engaged couple and the ability to cater to the needs of each individual couple.*

*Fr. Ruhnke has authored an instructional manual for sponsor couples and a dialog packet to share with the engaged couple during the program. Both publications are very well written and easy to follow.*

The engaged couple meets at the sponsor couples home for five sessions that last about two hours each, and the sessions are scheduled about one week apart. As you go through the dialog packet during each session, you not only mentor the engaged couple during their preparation, but also have the opportunity to enrich your own marriage through sharing.

We currently have sixteen sponsor couples in our program and would like to expand the number to at least twenty-five. We understand busy schedules limits the time people have available, so we try very hard to schedule each sponsor couple no more than twice a year.

We believe every married couple has much to share with others preparing for marriage and can enlighten their own marriage through this sharing. Many sponsor couples have also developed lasting friendships with the engaged couples. Please give this ministry some prayerful thought.

If you are ready to get started, or wish to find out more please contact Laura and Dave Justus at 614 833 5986 or by email at [justusdj@insight.rr.com](mailto:justusdj@insight.rr.com)

## Pancake Breakfast Help

On February 5th, our 4th Pancake Breakfast will be held. For this event we will need a lot of help. Early and late shifts are available and it would be greatly appreciated if you could help!

To sign up call Mike White (577-9011), John Sambuco (927-4150), or Dan Stephan (863-5422) and let them know what you can work.

The best help we can receive is for YOU to bring your family and friends. The food is great and the price is right, and even if you are unable to work, do not let that keep you from enjoying the fellowship of our Parish Community.

## Catholic Men's Ministry Conference coming to Seton ...

Our council again accepted the challenge to host the 9<sup>th</sup> Annual Men's Catholic Ministry Conference at Seton this coming March. The date is Saturday, March 11, 2006. Put it on your calendar **now!** As those in attendance last year found out, this is a **tremendous** event for Catholic men to rejuvenate their spirit and strengthen their soul. The day begins with Adoration at 6:00 for those arriving early. Registration and breakfast runs from 7:00 until 8:00. The conference begins at 8:00 with many great speakers! Reconciliation begins at 11:00. The closing liturgy follows at noon and everything ends by 1:15. This year our Squires are working to provide a sack lunch for all as they depart. What a great way to begin a weekend! This year Doug Lessells serves as our Master of Ceremonies, Fr. Steven Seever provides the main testimonial, and Alex Jones and Danny Abramowicz offer insight as well. Yes, that is the same Danny Abramowicz who is the all-time leading receiver for the New Orleans Saints.

Many vendors offer their books and wares for sale throughout the conference. We can expect anywhere between 400 – 800 men from around central Ohio to attend! Our Knights need to assist with everything in order for this event to run smoothly. We need to serve as parking directors, registration takers, food purchasers and deliverers, greeters, and more. Please be ready to assist when called. Plan to attend. Even better, promote this event to all Seton men ... whether a Knight or not. Soul strengthening is great for us all. Next year, another council receives the honor of running the conference. Do not miss the chance to attend with it right in your backyard. The opportunity for this renewal is too good to pass up.

See you there!

*Mike Croyle*
