

K of C Knightly News

April 1, 2007

Volume 14, Issue 6

Dear Brother Knights,

It looks like we are coming to the end of another Fraternal year and elections are just around the corner. We are looking for some of you to become more involved in the council and it's leadership. We have positions open and are looking for you to step forward and join the ranks of our Officer core. I know it sounds like a broken record (CD for those of you younger guys) but if each of us takes just a little initiative and spends just a little time none of us has to bear the whole load and everything still gets done!

We will be finalizing the slate of officers, so please be ready at the next meeting.

Speaking of the next meeting, we will be holding discussion and possibly a vote as to whether or not the Council will go forward with the plans and funding ideas for our own building. Many of you have expressed interest in this topic and now will be the time and place to bring out all of your ideas, concerns etc.

I am planning on taking as much time as needed to make sure that all of our questions and concerns are addressed and a vote of the majority is carried through. Some of the sub-topics will include how to designate funding, the appointment of a select committee of members to oversee and how it will affect our ability to continue our support of the Parish and still move toward this goal.

See, do you want to be part of this decision making process? If you are not there to participate and make your feelings and concerns known then anything you have to say after the fact will be moot! Don't be left out bring it to the meeting.

See you in April.

Vivat Jesus!

Lloyd Stauffer

Grand Knight

Perpetual Adoration

Since Perpetual Adoration started at Seton, the Knights of Council 11187 have been responsible for the Monday 5-6 am. hour and have filled it very capably with the help of about twenty-five or thirty of the same Knights.

We want to extend this opportunity to the entire Council and not just the same few men. We have over 270 Knights registered and if each Knight would take just one hour one week of the year, he would not be called on for about five years. How simple that would be?

I will start contacting individual Knights to set up dates. Please be receptive to this plan and spend one hour of the year with the Blessed Sacrament in Adoration.

If you would like a particular date in 2006, please feel free to volunteer by calling me at 863-6419. Being Knights you obviously know the advantages of spending some time in prayer before the Blessed Sacrament.

Thanks,

Ray Creamer,

Church Director

Knights of Columbus Council Officer Duties

Chaplain

The Chaplain is the spiritual advisor of the council. He is expected to make a report at council meetings on religious matters. The Grand Knight appoints a priest in accordance with any rules established by the bishop of the diocese to serve as council chaplain.

Grand Knight

The Grand Knight is responsible for the welfare of the council. He presides over council meetings, acts as an ex-officio member of all committees, appoints a membership and programming director, convenes officers for a monthly meeting, and ensures all necessary reports are submitted to the state and Supreme Council. He should also be aware of the council's financial status and ensure that his signature appears on all checks drawn. The Grand Knight is a member of the Advisory Board with general supervision of the council's Columbian Squire circle.

Deputy Grand Knight

The Deputy Grand Knight is second in command. He assists the Grand Knight with council affairs and fulfills all duties assigned to him by the Grand Knight. Should the Grand Knight be absent from a council meeting, the Deputy Grand Knight will preside. He is chairman of the council's retention committee and also a member of the Advisory Board charged with overseeing the council's sponsored Columbian Squires circle.

Chancellor

The Chancellor has a variety of responsibilities. Primarily, he assists the Grand Knight and the Deputy Grand Knight in the execution of their duties and oversees the council in both their absences. He is charged with strengthening the members' interests in council activities. The Chancellor is chairman of the admission committee and a member of the Columbian Squires circle ceremonial team.

Recorder

The Recorder is similar to a court reporter or a secretary. He is responsible for maintaining a true record of all actions of the council and its correspondence.

Treasurer

The Treasurer is responsible for the safekeeping and maintaining records of all council funds and accounts. He is responsible for depositing money into the council's accounts and provides a certificate of such monies to the Grand Knight. He is also responsible for payment of all expenses.

Financial Secretary

The Financial Secretary is appointed by the Supreme Knight, upon recommendation of the council. His main area of responsibility is maintaining all financial and membership records. He collects and receives all monies from all sources, including annual dues from council members. He also handles supply orders for the council officers and members, filing the Report of Officer, and submitting all membership transactions to the Supreme Council.

Lecturer

The Lecturer is appointed by the Grand Knight to provide both educational and entertaining programs to the council. He is responsible for the 'Good of the Order' portion of council meetings. In order to provide members with informative and educational programs, he must be knowledgeable and aware of all council programming.

Advocate

The Advocate is the legal representative of the council and serves as the council's attorney at trials and investigations of any interest to the council. While he does not need to be a member of the legal profession, he should be familiar with the council by-laws, the Order's Charter, Constitution and Laws, Methods of Conducting a Council Meeting, and Robert's Rules of Order.

Warden

The Warden is the 'watchdog' for council property and degree paraphernalia, except the property of the Financial Secretary, Treasurer and Recorder. He is also responsible for setting up the council chambers for meetings and ceremonial work. During ceremonial exemplifications, he will appoint and supervise guards.

Inside and Outside Guards

The Guards have similar responsibilities, but distinct differences. The outside guard tends to the outer door admitting visitors and members to the inner door. Once at the inner door, the inside guard checks to make sure that their membership cards are current.

Trustees

The Board of Trustees consists of three members elected by the council and the Grand Knight, who serves as chairman of the board. They oversee the work of the Financial Secretary and Treasurer, and with the Deputy Grand Knight serve on the council's retention committee. During council elections, only the Three-Year Trustee is voted on, with the others moving on to become Two-and One-Year Trustees, respectively.

Business Meeting Minutes

Business Meeting Minutes for March 14, 2007

Before the meeting officially opened a presentation was made by Marylyn Overton the Family Resource and Office Manager from the Community Kitchen. She has worked with the Community Kitchen for almost 10 years. The Community Kitchen served over 99,000 meals last year. They have been in operation for over 27 years. Their clients range but include women with Children and Families, senior citizens, homeless and those in shelters single individuals, they have the least support services available to them. The women with children encompasses a wide range including grandmothers raising grandchildren, aunts and uncles, or even family friends raising the children because either someone is incarcerated or deceased. Many of these clients are on limited income or fixed income such as workers comp or social security.

Their major task is to give people those things essential for life, food, clothing, shelter, medical attention, and warmth or comfort in the summer months. In the morning coffee and bagels and Panera breads are served. TV is available for those with nowhere to go, or those who need to wait for a job. People do not want to have to ask for help. They have had people come in from Canal Winchester and other cities to get clothes from their clothes back because they do not want their neighbors to know about it. Some of the supplemental health care they provide includes toiletries, diapers, wipes and baby formula. These are needed items because they cannot be purchased with food stamps. OSU student nurses come in on Monday and the Columbus Health dept on Friday. They do blood pressure checks and screen for diabetes, both common problems with those in financial difficulties. They also give out bus passes to those that need transportation to jobs until they get a paycheck. A telephone is available for those that need to communication for a job or other reasons.

They use volunteers 6 days a week Monday thru Friday 8-4 and Saturday 8:30 - 2:00. Most of the Saturdays are taken through May by College students, High School students and community service workers. They use between 4 to 6,000 volunteer a year. You must be 13 to work in the kitchens. They are available to talk to any group if requested. Their greatest need is operational money. They need help with fund raisers, and skilled help with computers and web sites. Over the last 10 years they have grown from 35,000 meals a year to 99,000 last year. For winter they give out Hats, Gloves and Socks. This is the only one open 6 days a week. The only other major one is open 5 days a week. It was founded by Fr. Jack Fulcher in 1979.

The Meeting Opened at 7:51 pm by the Grand Knight Lloyd Stauffer.

Role Call: - Chaplain, Chancellor, Lecturer and 3rd Year Trustee - Excused. All other Officers present

Perpetual Adoration: - Dick Kellenberger talked about his involvement in perpetual adoration over the last 25 years. He started in the Carolina. One day he went to Mass and was introduced to perpetual adoration. He talked to his Pastor and asked to start it in his own church. He talked to Fr. Deluca about how to start it up. Using a small Chapel they started an interdenominational perpetual adoration. Dick has become closer and closer to the Lord through his participation. Dick then told us of his diagnosis with Alzheimer's and how he and friends have prayed about it and it has disappeared. He then told us about how

perpetual adoration got started at Seton and asked everyone to consider dedicating an hour to perpetual adoration.

Reading of the Minutes: - A correction to the minutes was made. A motion for \$XXXX did not define the category. This was corrected to read \$XXXX for the St. Patrick's Day party. A Motion was made to dispense with the reading of the minutes and approve them as amended. The motion was seconded. There was no discussion and the motion was then passed.

Admissions: - We received no form 100's this month. We do have 1 candidate for the first degree this month for the blitz.

Grand Knight's Report: - We distributed the checks for last years Measure Up campaign. We received a thank you from Fairfield Industries for our contribution. A statement was made about financial changes to the council. The budget still needs to be approved so it will be ready to go for next year. The budgets for committees are being approved up front at least 1 month before the event. Everything will go through the council. The only discretionary fund will be up to \$XXX for Knights in need. Anyone that missed the Catholic men's conference missed a fine event. Thanks to Harry Clyburn for his work and Deacon Hector Raymond's work as well. Anyone that missed it should try to make it next year.

The Grand Knight reminded everyone that cell phones should be turned off before every meeting. He also reminded everyone about the proper etiquette for addressing the Grand Knight. Everyone should wait to be acknowledged by the Grand Knight, stand, make the Tree of the Cross and address him as Worthy Grand Knight. The last reminded is that everyone agreed at their first degree to always carry a Rosary with you. Please try to uphold this promise to carry it and pray it when possible to honor Mary. Next month part of the entrance will be your membership card and your Rosary.

Communications: - We received 3 letters from the Logsdon family who attended the Right to Life March, thanking us for assisting in paying for the trip.

Chaplain's Report: - Hector reiterated the issue with cell phones, and making sure they are turned off. He then followed up the discussion on adoration. He reminded us all that Christ is present where are present "Whenever two or more are gathered in his name" and he is also present in the Word we take with us as we leave the Mass. Many do not realize that no one should be in the chapel during Mass. We have doing the perpetual adoration for 7 years. It is important to understand that we go to the Chapel for ourselves. We have hours we need to fill but we should no do it out of guilt but as a way to form a closer bond with Christ. Hector told us about how he has been doing it since the inception here at Seton Parish. Remember when we talk about the Eucharist we are talking about the real presence of Christ and he is present where ever we gather and/or study and live the Word of God.

Treasurer's Report: - Report of Council's finances were reported

Financial Secretary's Report: - Bills were reported and passed the Trustees for approval and then payment

Trustee's Report: - Our Audit is a month overdue. A new meeting is being set up with the Grand Knight and the Financial Secretary to finalize the audit and set up a review date. The Trustees approved the bills. It was noted that the budget for the Fish Fry should be increased as we exceeded the approved budget.

Business Meeting Minutes (Continued on page 5)

A motion was made to pay the bills the motion was seconded and passed.

Chancellor's Report: - Vocations is still a very important focus. Pennies for Heaven are a way to contribute to this cause. Dave Schalk will be ordained a Deacon on the 5th of May. His first Mass will be at 11:15 on the 6th. Ty Tomson should also be supported in our prayers

Service Committees:

Family Director: - Will need assistance at the St. Patrick's Day party.

Membership: - We have one person coming in this month, Ben Pruitt. A table has been set up during the fish fry but so far no results. RCIA is coming up in April and we are looking at doing a presentation for them. On Feb. 25th there was a 2nd and 3rd degree. We now have 8 new 3rd degree Knights from this event. We were the most heavily represented council at this degree.

Program Director: - No Report

Church Director: - Perpetual Adoration slots are available for June on the 18th and 28th. The slot is for 5am-6am on Monday mornings. There will be no First Saturday Mass on Holy Saturday.

Community Director: - No Report

Youth Director: - Squires report they had a retreat last weekend with 13 boys attending down in Danville. Three councilors attended as well. There was another volleyball tournament and they took 1 and 2nd. There is an investiture this Sunday Knights are welcome to attend. They will continue to help with the fish fry's. A question was brought up about dues for college students and waived dues. Last year a motion was made to waive dues for college students. We will need to do so again to continue that practice. A \$XXXX donation was designated to the Squires which still have not been paid. The records are being researched for this.

Respect Life: - The Trip to Washington was wonderful. Keep your eyes open for a Pac-N-Play to collect for the newborns at the pregnancy decisions health centers. This money is to give help to unwed mothers and give help to crisis mothers. The Catholic times also had a picture of Vicki and Loraine Rossi.

Fish Fry: - 1010 dinners were served so far 26 were free. We have banked about \$XXXX

Squires Report: - The Squires helped with the Free Throw competition both here and at Reynoldsburg. They had a retreat on the weekend of February 17th in Danville. They will have another in March which will include the State Volleyball

tournament. At the fish fry he Squires will be selling pop at the fish fry's for .75 a can.

Steering Committee: - The trip to Lima was made. In a nutshell they started out with a small council home in downtown Lima and 428 members. When they decided to expand they went all out. They bought 28 acres, which they then sold at a profit to the Girl Scouts. The Toledo Diocese then offered them 3 acres near a Catholic High school. The complex they built can handle 4 parties simultaneously. It cost 1.2 Million to build. They membership increased to 1200 members and 258 associate members. We are at the baby steps and the decision we need to make is do we or don't we want something like this. A ten (10) member committee was recommended to be set up if approved. The money a council makes from these facilities is from hall rentals. It was then suggested that a motion be made to start the project. This may be a project that lasts 15 years or more.

Charity Campaign tickets: - Tickets were distributed to those who bought last year. \$XXX in tickets were sold at the fish fry. The other 700 tickets are being distributed. We are offering the Squires to sell tickets for \$1.00 each.

Unfinished Business

A motion was made to approve the spending of up to \$XXXX for supplies for the fish fry last month this motion was opened for discussion. There was no discussion and the motion was passed.

Bishop Campbell awards Seton Boy Scouts

On January 21, 2007 Bishop Frederick F. Campbell awarded James Hare and Brian Ferguson special Catholic Boy Scout awards. Brian earned the Pope Pius XII award while James was presented with the Red Sash of Merit.

The Pope Pius XII program is available to a Catholic Boy Scout who has earned the Ad Altare Dei emblem. Under the direction of a trained counselor, the program is competed during a weekend retreat and post weekend service project. The Pope Pius XII program deals with Church related ministries and vocations.

The Red Sash of Merit is a special Diocesan recognition for a select number of outstanding Catholic Scouts. It is awarded to a Scout who is very active in their troop, community and church. He must also demonstrate leadership and accept responsibility well. James had previously earned the Ad Altare Dei and Pope Pius XII Religious Emblems.

Both of these Scouts are members of Seton Parish Troop 399 and Squires Circle 4891. These young men are sons of proud Knights Neil Ferguson and Frank Hare.

Congratulations

State Free Championship:

On March 17, 2007 at the finals of the State Free Throw Competition Michele Hare, daughter of Brother Frank Hare sank 23 out of 25 shots to win the 14 year old girls division. Her closest opponents sank 22 of 25.

As a side note ... Michele is the first to win a State championship as representative from our Council and our competition.

Congratulations for a job well done!
