Labor Day Weekend

Dear Brother Knights,

I would like to start off saying thank you to Bog and the first degree team. On August 12th (Fr. McGivney's birthday) our degree team initiated 7 new members to the order. The performance was great given the fact that they had no practice and only two weeks notice. Well done!

I would also like to welcome Norman Ragland to our council, he was initiated on the 12th. He is a recent RCIA graduate and joined our Council during the special degree given on August 12th.

I would also like to thank our membership team of Mark Knight and Frank Piper for the job they did on the new members pizza party, we had 8 new members (and their families) in attendance and the evening was very successful. We will do one later in the year at the half way point of the fraternal year ...

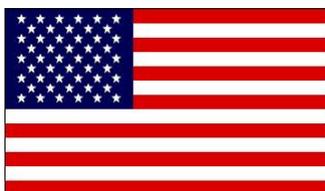

Last month we helped our SPY group with a donation to the National Youth Conference that is being held here in Columbus, upon receiving our donation the kids made a thank you poster (see it below), again it should make you proud to be a Knight.

We are about to enter our busy season, starting off with the pancake breakfast in October, quickly followed by the Lenten fish fry's. I would like to ask each of you to help when the various chairs ask for assistance. Without you, these fund raising activities could and would not happen.

Wayne has asked for help with the Seton Festival, I would ask that when work the various events that you wear your Knight's shirt. Again we want to be visible in the parish.

Fruits of the Same Tree

Sex is an extremely powerful force, and never a neutral one. Either it serves life, or it serves death. Its fruit can be the highest joy of earth, bringing forth new life in the embrace of self-giving, or else its fruit can be violent and destructive activity, ruining and ending the lives of others or oneself.

Sex is deeply symbolic. It is a language that speaks of things beyond sight and feeling. Many think of the Church's teaching about sex as "You cannot do it except in marriage and when open to life." That is true, but the fuller understanding of why this is true comes when we can see that sexual activity means so much that it is wrong to diminish its message or deny its full reality. It belongs in the context of committed love (sealed by marriage) and openness to life precisely because this is the only context great enough to hold its message and reflect the greater reality to which the gift of sexuality directs and commits us. The teaching is not just that it is wrong to have sex in certain circumstances. The teaching is that it is wrong to run away from the full reality of sex. It is wrong to think we have the kind of control that can change that reality to suit ourselves.

The most bitter fruit of this flight from the full meaning of sex is abortion. Thousands of lives a day in our nation are deliberately killed in order to control who will be born and when. They are even destroyed in the very process of being born. If we ask why abortion happens, or how we arrived at the culture of death, we would do well to consider another question: What happens when you distort the meaning of sex?

One of the many ways in which the meaning of sex is distorted is through contraception, which is an intrinsically evil act. The links between abortion and contraception are more and more widely recognized, and not only in Catholic circles.

They are linked by a common mentality, which is that I may stifle the power of sex to produce a new life. Pope John Paul II wrote in his encyclical [*The Gospel of Life*](#):

"It is frequently asserted that *contraception*, if made safe and available to all, is the most effective remedy against abortion. The Catholic Church is then accused of actually promoting abortion, because she obstinately continues to teach the moral unlawfulness of contraception. When looked at carefully, this objection is clearly unfounded. It may be that many people use contraception with a view to excluding the subsequent temptation of abortion. But the negative values inherent in the "contraceptive mentality" - which is very different from responsible parenthood, lived in respect for the full truth of the conjugal act - are such that they in fact strengthen this temptation when an unwanted life is conceived. Indeed, the pro-abortion culture is especially strong precisely where the Church's teaching on contraception is rejected".

The nature of the link between abortion and contraception needs to be accurately understood. The Pope writes,

"Certainly, from the moral point of view contraception and abortion are *specifically different* evils: the former contradicts the full truth of the sexual act as the proper expression of conjugal love, while the latter destroys the life of a human being; the former is opposed to the virtue of chastity in marriage, the latter is opposed to the virtue of justice and directly violates the divine commandment "You shall not kill". But despite

their differences of nature and moral gravity, contraception and abortion are often closely connected, as fruits of the same tree".

"Fruits of the same tree." Contraception, in other words, is more like the sister to abortion rather than the parent. What gives rise to them both? The Pope continues,

"Such practices are rooted in a hedonistic mentality unwilling to accept responsibility in matters of sexuality, and they imply a self-centered concept of freedom, which regards procreation as an obstacle to personal fulfillment".

Yes, abortion and contraception are linked. They are linked with each other because they are linked with many other evils: the disconnection of freedom from truth, a relativistic view of morality, a positivistic view of law, a culture of hedonism, and many other problems.

What lies at the solution to these problems is to rediscover the dominion of God.

It is perfectly legitimate to acknowledge that there are circumstances in which a couple should not have a child. There can be medical, social, financial, psychological, or other reasons for this. To acknowledge God's dominion does not mean to act imprudently. Methods of natural family planning are legitimate. In planning one's family, however, one may never destroy the meaning of sexual union on one's own initiative. Natural family planning respects the body's cycles, during portions of which God closes the door to life. In contraception, we close the door. We have no authority to do so.

There are two basic truths that each person has to admit in this life: 1. There is a God. 2. It isn't me. To understand these lessons is to understand why both contraception and abortion are wrong. Only God has absolute dominion over human life.

PROCEDURE CHANGE

In accordance with the by-laws and guidelines, any officer needing to be excused from a business meeting must call the Grand Knight.

As a reminder any officer that misses three consecutive meetings may be removed from that position.

Seton Festival Help

Brother Knights, Please remember the Seton Festival and help out.

On Sunday October 14th we will have a living rosary at 7pm. This is a wonderful way to show your children the power of the rosary. Please mark this on your calendar.

Remember the Parish Mission in March 2008.

GOD BLESS
Wayne

Business Meeting Minutes

August 8, 2007

Meeting opened at: 7:30

Roll of Officers: 2 year and 1 year Trustee excused, all other officers present

Reading of the Minutes: A motion was made to approve the minutes as published. The motion was seconded and passed

Chaplain's Report: - No Report

Admissions: - No Report

Grand Knights: the Grand Knight informed everyone that we have submitted the audit to Supreme and with the help of Mark and Bob we will get our financial picture in focus.

Bob has put out guidelines for requesting funds; the only thing that will change will be the availability of the night drop bag.

The Grand Knight reminded everyone that is chairing a fundraiser/event that they should request the funding well in advance of the event. Delays will cause a wait for re-imburement. Remember that once the money is approved, you may ask for an advance. Mark and Bob will provide the guidance on advances. The request forms have been updated and the website is fixed. The Grand Knight is kicking about the idea for an event worksheet to help plan out expenses.

What we are trying to accomplish is, first a bit more control over the money going in and out, and second making sure that people are getting their money back in a timely manner. This has been an on going problem and could be a major reason some people may not want to chair an event ... not everyone had the finances to pay for things up front and wait 2 months for the re-imburement.

The Grand Knight noted that the officers meeting is an open forum for any one that wants to attend, it has also been brought up that if we get a proper quorum, that bills may be presented, voted on and then paid for. The paid bills would then be read at the following meeting; again the idea is to expedite the refund issue.

Communications: We received a thank you from the DeTamaso family for the Mass card we sent out. Again this is going to be done for our brother Knights as well as the parish community.

The Grand Knight received two emails from Jacinta Hooker the festival chair; one is to request set up help for the festival and the other dealt with the food prep. I will add this, if you volunteer for any of these activities, please wear your Knight shirt, again this has to do with the visibility issue.

Treasurers Report: Report given

We have not yet been billed for the magnets

It was questioned how the magnets are being promoted and it was noted that flyers were handed out at every tour meeting, and e-mails sent out, but most magnets so far have been sold by word of mouth to non – Catholic Organizations.

Bills: Bills were read and passed for payment

The availability of Night Deposit was brought up and discussed during the meeting. There was some discussion of the availability to make night deposits, people counting the monies,

and the decision to deposit at night or keep over night for deposit the next day. No final decision was made during the meeting and it will be discussed during the next leaders meeting.

Financial Secretaries Report: (Mary Borys)

Trustees Report: The Trustees reminded us that the Knights will be celebrating the 5th Sunday Mass together in September at the 9:30 Mass. All knights are encouraged to attend with their families. Knights should wear their Council shirts.

Wives Appreciation dinner is coming up in October and should be promoted in the September and October newsletters.

Chancellors Report: The Chancellor informed the Knights that the Squires will be assisting with the festival by cleaning up the grounds. While you are at the festival you should be sure to thank the Squires for their assistance.

Service Committees:

Membership: New member pizza party ... moved from August 26 to August 22 ... this takes advantage of our regularly scheduled social night, which we have not been utilizing. A motion was made to approve the spending of \$250.00 to purchase the food for the party. The motion was seconded and past. The committee will also track expenses for use in next year's budget. We will have a table at the Seton Marketplace to help promote the Knights.

Program Director: the Grand Knight is looking for someone to help Ron out with this very important Council function. Ron will help in teaching what is needed and then next year will step down.

Community Director: No Report

Church Director: Ray asked for volunteers for Adoration for October and expresses a little frustration at leaving messages asking for assistance and getting no response of any kind. He repeated the reminder to everyone that the Knights will be celebrating the 5th Sunday of September together. It was decided that everyone should try to sit in the central section if possible.

Youth/Squires: -The Squires will act as grounds keepers for the Festival. Pancake breakfast is being scheduled for September 30th but needs to verify everything with Father to finalize.

Respect Life Committee: No Report

Clippers Tickets:

Kroger Cares Program:

Charity Tickets: See new business

Measure Up:

Unfinished Business:

By-Laws: some notes about the by- laws changes were clarified

The Financial Secretary should be enumerated for work. The recommended amount is 8% of dues. Then a motion was made to adopt changes to the by-laws stating number of members needed for a quorum.

The mention of having dues be waived for Knights still in college was mentioned and it was suggested that a resolution be written and presented to add to the by-laws. Once the issues were clarified a motion to approve. The motion was seconded and passed.

Business Meeting Minutes (Continued on page 4)

National Catholic Youth Conference: A motion was made to support sending the Seton youth to the conference with \$570.00 at the last meeting. This motion was brought back to the council for a final vote. The motion was passed.

Scholarship: No Report

New Business:

Football Frenzy Raffle tickets: The Grand Knight is looking for a chairman for this function.

Blood Mobile: had help from Don Schaffer and Lloyd Stauffer. The next bloodmobile will be in December.

Monsignor Hawkins Golf Tournament: It was noted that John Letourneau was preparing the food for this event. There was some discussion of this as it was not in the budget or calendar. It was noted that this is money making event and it was determined that expenses would be about \$500.00 so a motion was made to approve spending up to \$500.00 for the Monsignor Hawkins gold outing meal. The motion was seconded and passed. It was further noted that the event should be added to the budget for next year.

Retention: We have mailed out the first wave of Knight Alert letters, and have received a couple call backs. If you know of a Knight that had dropped off, please contact him and see what we can do to help. We have so far received a couple of call backs.

Some no longer wish to be members. XX members currently are X-X years behind on their dues.

Ministry Marketplace: There will be a Ministry Marketplace on the 14th of October during our membership Blitz. There will also be a living Rosary that night.

Prayer Groups: On August 25th there will be a meeting on Men's prayer groups. Watch the bulletin for more information.

Field Agents Report: Mark Mendel was welcomed back to our area and talked briefly about how he could help us.

District Deputy Report: No Report

4th Degree Report: reminded everyone that the meetings are held at Seton and was one of the reasons for starting the Assembly on the east side. The Meetings start at 6:30 for the Social and 7:30 for the business meeting. The Golf Outing is coming up on Oct 7th and is half the price of other outings.

Chaplain's report: Deacon Hector related several humorous stories and reminded everyone of the Men's prayer groups and the strength of good relationships.

Prayers: Ed Loche, Katie Rosche, Patty Lunsford, Pate Claar, Adian & Jmes Nau, all of military home and abroad, our Priests and all in the ministry.

Welcome New Knight

Norman Ragland was initiated into our Council on August 12 as part of the special ceremony to celebrate the birth and death of our founder Fr. Michael J M^cGivney

K of C First Saturday Mass

First Saturday of the month Mass, starts at 8:30 am, with a Rosary service for vocations. This is a great way to support our Parish!

Doing their impressions of singers, the Knights are called on to sing "Happy Birthday" to Hanna Piper.

Luckily Hanna wasn't traumatized by the experience

On August 22nd, a new member pizza party was held, 8 of the 14 new members and families were in attendance.

Catholic Men's Fellowship

In the coming weeks you will be hearing about the new Catholic Men's Fellowship groups that will be forming in Seton Parish.

These Fellowship Groups are an extension of the annual Catholic Men's Conference which is held each March. Many of you have participated in this conference. The whole idea behind the conference each year is to encourage Catholic men to continue to grow spiritually in their roles as fathers, grandfathers, etc. and to spread the word by their good example.

We are also called to evangelization and growing our community in the Body of Christ here at Seton Parish. At the present time there are five men who have agreed to serve as facilitators for a group of six to nine men each which is the optimum number for each group.

Please watch the church bulletin, bulletin boards in the gathering space at church, pulpit announcements, and any other means I can think of to be certain that all of you do not miss this opportunity to participate in this new ministry in our parish.

Hopefully all groups will begin meeting by the last week in September. If you have any questions concerning this new ministry please call me a 501-1644.

Vivat Jesus!

The Fifth Sunday Mass

As most of you realize, occasionally some months are blessed to have an extra Sunday on the calendar. For the remaining portion of this year, those calendar dates are:

September 30* and December 30

Now, for some great news. Fr. Klima has given us permission to treat this extra Sunday with one special Mass to come celebrate together as Knights. This celebration is targeted for the 9:30am Sunday time slot. The intent is to have as many Knights as possible attend these Masses ... dressed in their Council shirts ... and with their families in attendance. Think of the statement that makes. A sea of blue shirts surrounded by their families, in celebration of our Eucharist. Do you think the congregation will notice? You bet they will. What better way to show devotion to our priest **and** promote our Council to the Parish. We all attend church as it is. If not, we really have to talk. So, why not put these special dates on your calendar now ... and come celebrate with us all. Together.

And to aid you in setting up the calendar for the next year, the fifth Sundays in 2008 are listed below. Come and worship.

March 30

June 29

August 31

November 30

* On a related note, the September 30 date is a pancake breakfast that we agreed to assist our Squires with. So come dressed in blue, sit with your family at Mass, and serve or eat those 'cakes afterwards!

Wife's Appreciation Dinner – Coming Soon!

We are letting you know early. Put the event on your calendar NOW! On Saturday, October 20, 2007, St. Elizabeth Ann Seton Council 11187 celebrates our annual Wife's Appreciation Dinner. The evening begins with cocktails at 6:30 and is followed by an extravagant dinner at 7:00. Some type of musical entertainment follows to the delight of the crowd and embarrassment of the council.

Dress for the occasion is as extravagant as the lovely ladies wish to wear. The men of the council attend wearing black pants and white shirts ... or typical server wear ... as we will be serving the lovely ladies that evening and not eating. Yes, we wait on the ladies hand and foot in the hope that in some small manner thanks them for the tremendous help and support they give our council throughout the year.

Please look forward to next months newsletter, the Knight's Bulletin Board, and maybe even your church mailbox for the official invitation ... complete with menu choice. We politely ask for an R.S.V.P. to plan accordingly for the correct number.

Perpetual Adoration

Since Perpetual Adoration started at Seton, the Knights of Council 11187 have been responsible for the Monday 5-6 am. hour and have filled it very capably with the help of about twenty-five or thirty of the same Knights.

We want to extend this opportunity to the entire Council and not just the same few men. We have over 270 Knights registered and if each Knight would take just one hour one week of the year, he would not be called on for about five years. How simple that would be?

I will start contacting individual Knights to set up dates. Please be receptive to this plan and spend one hour of the year with the Blessed Sacrament in Adoration.

If you would like a particular date in 2007, please feel free to volunteer by calling me at 863-6419. Being Knights you obviously know the advantages of spending some time in prayer before the Blessed Sacrament.

Thanks,

Ray Creamer,

Church Director
