KOFC COUNCIL 11187 NEWSLETTER

St. Elizabeth Ann Seton Council 11187
600 Hill Road, North Pickerington Ohio 43147

Dear Brother Knights,

WOW here we are in April, the fraternal year is coming to and end and elections will be held next month. It is also hard to believe that we have completed our fund raising activities before April.

Speaking of the elections Mike has put out the job descriptions for each office. If you would like to get more involved with the Council and want to show off your leadership skills, think about running for an office.

On April 18th we are hosting the Annual Blue Coats Dinner to honor the men and women of local law enforcement and the fire department. Fred Barwick will need help in set up and tear down, with kitchen help (including serving), but he also needs Brother Knights in attendance. The cost is a nominal \$15.00 per couple (\$7.50 single) and you know the meal is always good. So show your support for the local police and fire departments and our Council.

Then we can turn our undivided attention to the Ordination Party for David Schalk. Ed Tavares and his committee is working with other parish groups to put on a special day. We will need people to work this event so when you get the call ... please think about helping out. Remember the more of us there the lighter the duties, plus who would want to miss such a special occasion.

Brother Bud is working on the charity raffle and has passed out tickets to sell or buy, please do your best to move these tickets, the more we sell the more the Council receives per ticket. I also hear that Brother Mike Welling is pushing the bar on sales ... as of this writing he is at 50 sold and still going strong.

Finally, I remind you that after attending the Knights First Saturday Mass and social, the Officers meeting follows and is open to all. Come see where the Council is going and guess what - we'll even let you have a say! ;-)

Jesus V. Garcia III
Grand Knight.

New Knights

Congratulation to Stuart Ferguson , Steven Roth and Marty Flis on becoming a member of the KofC and our Council, they received the 1st degree of the order on March 26th 2008.

The Life You Save May Be Your Own

In an article titled "*The Life You Save May Be Your Own*" on the USCCB website dated February 22, 2008, Susan E. Willis writes in part:

Since Terri Schiavo died in March 2005, her brother Bobby Schindler has been fighting for the lives of people who are cognitively impaired or dying. In the February 18 Washington Times, Mr. Schindler wrote: "For reasons I still struggle to understand, deliberately dehydrating persons with brain injuries really doesn't seem to catch the ire of most Americans."

The same day, a retired professor of religion and social ethics conveniently illustrated the lack of ire. Writing in America, he questioned the wisdom of the Holy See's August 2007 statement against withdrawing assisted nutrition and hydration (ANH) from patients who are in a so-called "permanent vegetative state."

That statement of the Congregation for the Doctrine of the Faith (CDF), approved by Pope Benedict, explains that "the administration of food and water even by artificial means is, in principle, an ordinary and proportionate means of preserving life." This means that ANH is morally obligatory for cognitively impaired patients who can't take food or water by mouth, except in "rare" circumstances (e.g., the patient cannot assimilate food or water because, for example, he's imminently dying, feeding tubes are unavailable, they cannot be used due to recurrent infections at the site or would cause serious suffering).

There's room here for two simple points concerning ANH.

First: Providing food and water to a patient is ordinary care. It is not given to treat or cure a disease of the digestive system. It's given to sustain life, because anyone deprived of food and fluids will die in a matter of days or weeks. ANH is a lot like feeding a toddler (only less messy) or like going to the drive-up window at McDonald's (only healthier).

Second: Those who support withdrawing ANH from persons who are cognitively impaired claim there's no dignity or value in the patients' continued existence. They depersonalize and dehumanize these persons, as if their inability to actively socialize with others or to obviously pursue "the spiritual goods of life" makes them "as good as dead."

Meanwhile, in the March 2008 *National Right to Life News* article "*Pushing Infanticide*", Wesley J. Smith, J.D. writes:

Support for infanticide is becoming positively trendy. Where once support for killing babies born with birth defects was a fringe belief, it became respectable- even mainstream - after doctors from Groningen University Medical Center in the Netherlands admitted in 2004 that they euthanized dying and profoundly disabled babies under the terms of what has come to be called the "Groningen Protocol."

The Protocol permits doctors to lethally inject three categories of sick or disabled newborn infants:

The baby has no chance of survival (which is sometimes misdiagnosed).

The baby "may survive after a period of intensive treatment but expectation for their future are very grim."

The baby does "not depend on technology for physiologic stability: but whose "suffering is severe, sustained, and cannot be alleviated."

This means the not only dying babies lethally injected, but also babies with serious disabilities who do not need intensive care.

[The Protocol] assumes that guidelines will protect against abuse, but infanticide is by definition abuse. Moreover, even if undertaken in good faith, Dutch euthanasia guidelines for adults and teenagers have continually been violated without legal consequence for decades, and so why would any rational observer expect anything different from infanticide regulations?

What these two articles have in common is a denial of the intrinsic value of human life and the discriminatory "quality of life" ethic permeating the highest levels of the medical and bioethical thinking. We are moving toward a medical system in which babies and people who are judged to have lives "not worth living" are put down like dogs and killing is redefined as a caring act.

But bigotry is bigotry and murder is murder - even if you spell it c.o.m.p.a.s.s.i.o.n.

Grand Knights: - The Grand Knight offered his thanks to the Deputy Grand Knight for filling in for him at last months meeting and the Road show.

We have completed our fundraising works for the year and now turn our attention towards the Ordination party and will have a status report a bit later. The Grand Knight told the council that last night Becky Story told him that the Dispatch called asking if we had a fish fry scheduled for Friday ... seems that they wanted to do a story for the paper ... unfortunately we have completed our fish fry's for the season.

The Grand Knight reminded everyone that Saturday is the Parish St. Patrick's Day party. This is a great family event. Feel free to invite your friends and neighbors.

The Grand Knight reminded everyone that there is a first degree on March 26th. Please try to attend to welcome our new Knights.

The Grand Knight encouraged everyone to read the newsletter and encourage some of our Brother Knights that are hiding in the shadows. The stats were kind of surprising.

The Grand Knight announced that the roster and call list are now on the web. Anyone that has a computer now has access to the roster and call list. I want to again thank Bud and Mark for assisting me in getting that up on the web. Everyone needs to check the data and submit a change form (right under the roster) if the information is wrong.

The Grand Knight reminded everyone that the Exemplification is April 19-20, with a deadline to apply of March 29th, see me or any 4th degree member for details.

Once again the Grand Knight reminded everyone that the officers meeting is always open to anyone that wishes to attend.

Communications: - The Grand Knight has received a lot of out-of-state requests for donations. He has been putting these aside for now.

Treasurers Report: - Bills were read and passed to the trustees for approval and then payment.

Financial Secretaries Report: - Dues collection: A list of 38 names was handed out that have yet to pay. These members were being contacted and the unpaid total is currently down to 27. A motion was made to send the bills to the trustee. The motion was seconded and passed.

Trustees Report: - The Trustees reported that the fraternal survey has been completed and handed in. They reminded us that elections are coming up and the trustee will be contacting people to fill the positions.

Chancellors Report: - The Chancellor offered his thanks to all that helped with the mission. The turnout was good and the soup suppers were well received. He especially thanked the squires for there help in cleaning up on Wednesday. We are still needing some 4th degree Knights for the upcoming 1st communion please contact the Chancellor if your are interested. There will be a class on praying the Rosary on April 13th. This will also introduce people to the living Rosary. We are planning another living Rosary in October.

Advocates Report: - The Advocate reminded everyone that Political neutrality is needed on discussions during election years.

Service Committees:

Membership: - No report but a reminder that we are having a 1st degree on the 26th and would like a good turnout.

Program Director: - Our 5 items submitted in the last reporting period have been accepted and approved. For the March-April reporting period we will be filing the maximum number of reports.

The Grand Knight offered his thanks to Frank Hare and Ron Schubert for making sure that we are on track.

Church Director: - No Report

Youth/Squires: - The squires have committed to giving money to the seminarian, and \$100.00 to the wheelchair foundation. The will attend the Cornhole tournament and a Reds game on May 17th and 18th. The Fish fries were not very profitable for the squires. They finished with 82 cans of soda. They made a total of XXXX. The squires received a check from council 11207 at St. Pats for XXXX in support of the state youth program

Respect Life Committee: - Edd called on a bus for the respect life trip and got a quote of around \$3,000 for a bus. He will attempt to get a more firm cost on sponsoring a bus by next month.

Kroger Cares Program: - We had XXXX in changes. We did not receive a check this month but should receive one next month.

Charity Tickets: - The kickoff was on the February 19th. Bud Joos will be heading up the sales of the tickets.

Measure Up: - We will hold our measure up on the 25 and 26th of April and the 2nd and 3rd of May. We are in the process of locking down the intersections we will be allowed to use and which Kroger's we can collect at. George also presented the Council with some pictures from the history of the council.

Blue Coats: - Just getting ready to send out the letters. Confirmed Mr. Peterson and the other Chefs. There will be a notice in the newsletter. All Knights are encouraged to attend and support out Police and fireman. A motion was made to approve the spending of up to \$1,200 for the Blue Coat Dinner. The motion was seconded and passed

Fish Fry report: - The last fish fry was canceled due to the weather. About 40 lb of fish and 60 lb of potatoes were donated to the mission downtown. This year we served 1,060 compared to 1,530 ly. Our income was \$7,800 compared to \$10,000 last year. Expenses were \$3,370 compared to \$5,200 last year. Net income this year was \$4,430 compared to \$4,800 last year. We only had 1 really good week but the income was good because of expenses control.

Unfinished Business:

MOTIONS: We have a motion on the floor to spend up to \$2000 on the replacement of the Blessed Jesus statue in the front of the church. This will be for the Statue, shipping, mounting and a dedication plaque.

While this was approved at the officers meeting, the Grand Knight thought we should have further input from the membership, last meeting the Deputy Grand Knight presented it to the Council, and everyone voted ... well it really needed to be published first, so now that it has been published we will have an "official" vote. A photo of the statue was handed around to show what we would be purchasing. It is \$1399.00 with \$25.00 shipping. 20 week delivery from time of payment ... the statue is hand made in Peru. The finish is antique stone. The new statue should only have to be washed with soap and water. The Squires may be willing to take on the semiannual cleaning of the statue. After some discussion the motion was called to vote and passed.

Scholarship: - It was announced that the Council will present James Hare with the scholarship award at next months meeting. He was the only applicant that met all the criteria for the award. It will be awarded in memory of Betty Sanderell.

Donation to squires of pancake breakfast money. - There was some discussion about a resolution that was passed last year and its effect on This year. The Recorder will review the minutes to resolve the issue.

New Business:

Elections: - The trustee(s) will begin making the ballot ready for publication in the May newsletter, Elections will be held on 14 May 2008 per our by-laws and in accordance with the Supreme directive.

Open Office: - We have a position that I am declaring open, the 3 year trustee has missed more than the required 3 meetings and has notified us that he is transferring out of the council so we can declare this position open and appoint a former GK to the position for the remainder of the term and then fill the position in the May elections.

Rosary Order: - A motion was made to order 50 white and 100 black rosaries at a price of \$2.50 ea. The total is \$375.00. These rosaries are to be handed out at the 1st Communion and Confirmation, as well as the 1st degree. In addition we will get 300 how to say the rosary pamphlets. The total is \$375.00. This will be the last time we supply rosaries for the confirmation class. The motion was seconded and passed

Dave Schalk ordination: - A motion was made to purchase a traveling Mass Kit for up to XXXX as a gift to Deacon Dave Schalk upon his ordination from the Council. This motion was seconded and passed.

Picnic coordination: - We have been soliciting support. The Knight have committed to food prep and coordination. The Squires have committed to support set up and drinks. Parish Life will provide deserts. We are working with SPY and the Moms group to get their participation. We are working on the menu at this time and will put in the food order once the menu has been finalized. We will need assistance in food prep and activity management.

Field Agents Report: - I received a notice that Mark won the agent of the month for January/February timeframe.

District Deputy Report: - No Report

Cars in the Bible?

Most people think that cars are something new, but the true Bible scholar knows different. The Bible very plainly states that Moses had a Rod, and his brother Aaron had a Rod, too. God must have one also, because David in the 23rd Psalm says, "Thy Rod comforts me."

People assume that the WWJD stands for "What would Jesus do?" But again, we know that the initials really stand for "What would Jesus drive?" One theory is that Jesus would tool around in an old Plymouth, because his Father drove Adam and Eve out of the Garden of Eden in a Fury. Later, in Psalm 83:15 David tells us that the Almighty clearly owns a Pontiac and a Geo. The passage urges the Lord to "pursue your enemies with your Tempest, and terrify them with your Storm."

Perhaps God favors Dodge pickup trucks, because Moses' followers are warned not to go up a mountain "until the Ram's horn sounds a long blast." Meanwhile, Moses must have rode around on an old British motorcycle, as evidenced by a Bible passage declaring that "the roar of Moses' Triumph is heard in all the hills." And could it be that Joshua had a Triumph sports car with a bad muffler. The scriptures say that "Joshua's Triumph was heard throughout the land."

Some scholars insist that Jesus drove a Honda, but didn't like to talk about it. As proof, they cite a verse in the gospel of John where Christ tells the people, "For I did not speak of my own Accord. And following their Masters lead, the apostles carpooled in a Honda, as the scriptures say, "The Apostles were all in one Accord."

Council Officer Duties

Gentlemen, the time has come for our election of officer's for the next fraternal year. Many ask at this time, of the duties of the positions. These are listed here below for your consideration. Those not included here ... Financial Secretary, Lecturer, and Chaplain are due to the fact that they are appointed by either the Grand Knight or Supreme.

For any of you wishing to eventually attain the position of Grand Knight, a good practice (but, not a requirement) is to hold all offices. This aids you in directing your officers once in the top spot.

Grand Knight - The Grand Knight is responsible for the welfare of the council. He presides over council meetings, acts as an ex-officio member of all committees, appoints a membership and programming director, convenes officers for a monthly meeting, and ensures all necessary reports are submitted to the state and Supreme Council. He should also be aware of the council's financial status and ensure that his signature appears on all checks drawn. The Grand Knight is a member of the Advisory Board with general supervision of the council's Columbian Squire circle.

Deputy Grand Knight - The Deputy Grand Knight is second in command. He assists the Grand Knight with council affairs and fulfills all duties assigned to him by the Grand Knight. Should the Grand Knight be absent from a council meeting, the Deputy Grand Knight presides. He is chairman of the council's retention committee and also a member of the Advisory Board charged with overseeing the council's sponsored Columbian Squires circle.

Chancellor - The Chancellor has a variety of responsibilities. Primarily, he assists the Grand Knight and the deputy Grand Knight in the execution of their duties and oversees the council in both their absences. He is charged with strengthening the members' interests in council activities. The chancellor is chairman of the admission committee and a member of the Columbian Squires circle ceremonial team.

Recorder - The Recorder is similar to a court reporter or a secretary. He is responsible for maintaining a true record of all actions of the council and its correspondence.

Treasurer - The Treasurer is responsible for the safekeeping and maintaining records of all council funds and accounts. He is responsible for depositing money into the council's accounts and provides a certificate of such monies to the Grand Knight. He is also responsible for payment of all expenses.

Advocate - The Advocate is the legal representative of the council and serves as the council's attorney at trials and investigations of any interest to the council. While he does not need to be a member of the legal profession, he should be familiar with the council by-laws, the Order's Charter, Constitution and Laws (#30), Methods of Conducting a Council Meeting (#1937), and Robert's Rules of Order.

Warden - The Warden is the 'watchdog' for council property and degree paraphernalia, except the property of the financial secretary, treasurer and recorder. He is also responsible for setting up the council chambers for meetings and ceremonial work. During ceremonial exemplifications, he will appoint and supervise guards.

Inside & Outside Guards - The Guards have similar responsibilities, but distinct differences. The Outside Guard tends to the outer door admitting visitors and members to the inner door. Once at the inner door, the Inside Guard checks to make sure that their membership cards are current.

Board of Trustees - The Board of Trustees consists of three members elected by the council and the Grand Knight, who serves as chairman of the board. They oversee the work of the Financial Secretary and Treasurer, and with the Deputy Grand Knight serve on the council's retention committee. During council elections, only the Three-year Trustee is voted on, with the others moving on to become two and one-year trustees, respectively.

If you have any questions, please contact any of the officers. If interested in running for any of the positions, please contact Mike Croyle at mcroyle1@insight.rr.com or at 614-361-3183. The jobs are not difficult and more rewarding than you can imagine.

Measure Up Chairman George Williams presents a check to Fairfield Industries represented by Kathy Roshon, Habilitation Manager. The presentation was made on Thursday, March 13

Measure Up ... coming to a corner near you

Measure Up is an annual campaign by the Knights of Columbus to help citizens with Mental Disabilities. In our council, the recipients have been Special Olympics and Fairfield Industries. Most of you are familiar with the former organization which is focused on youth. Unfortunately, those with mental disabilities do not outgrow those shortcomings. Fairfield Industries is run by the Fairfield Board of Mental Retardation and provides limited work opportunities for the adult population who cannot function in a competitive situation in our economy. By our wearing the yellow vests and standing in Kroger's or on key intersections of our community, members of our Council yearly raise between \$2,000 and \$3,500 - 80 % of which comes back to Council 11187. The balance is disbursed to state-wide organizations by the Ohio KofC.

This year's locations and times are:

Kroger's at Hill and Refugee Roads	Friday, May 2nd from 5 until 7 pm and 7 until 9 pm.
Long & Diley Roads	Friday, May 2nd from 5 until 7 pm. Saturday, May 3rd from 10 am until Noon and from Noon until 2 pm.
West Columbus & Hill Road	Friday, May 2nd from 5 until 7 pm. Saturday, May 3rd from 10 AM until Noon and from Noon until 2 pm.
Milnor & Refugee Roads	Friday, May 2nd from 5 until 7 pm. Saturday, May 3rd from 10 am until Noon and from Noon until 2 pm.

There is also a possibility of being visible in aprons to receive donations after all masses on May 3 & 4.

Sign up sheets will be available at our April business meeting. To confirm your time and location now, please call George Williams, Measure-up Chairman at 614-537-1881. Volunteers are encouraged.
