## KOFC COUNCIL 11187 NEWSLETTER

### Dear Brother Knights,

If you missed last month's business meeting, here are some of the things you missed:

We met our new District Deputy, Mr. Steve Skinner.

We got a good look at a happy Treasurer's face.

We got to see the Grand Knight's hand get smacked by the unhappy Treasurer when he spent too much money!

We heard from Mr. Brian Ferguson about his Eagle Scout project, and voted to help him with his expenses.

We started our kick-off of the Football Frenzy fund raiser (look in this newsletter for more information).

So, if you miss a meeting, you miss a lot! Be sure to come out for the September meeting on Wednesday, September 10<sup>th</sup> at 7:30pm in Classrooms 7 and 9. We are going to be busy with getting plans in order for our Fall Family Festival, and the Pancake Breakfasts are just right around the corner, starting in November.

As a reminder, Chairpersons who require funds for their events are required to attend a business meeting to request funds. There is a repeat of this procedure later on in this newsletter. Please re-familiarize yourself with this.

There is one key item that will be discussed and voted upon at the September meeting, and that is our membership with the Knights of Columbus Chapter of Greater Columbus. As you may have heard, the status of our membership with the Chapter has come under question. This is a subject that the Officers have been working on for quite some time, and now it's time to let the Council have their say on this matter. Kevin Miller, the newly elected President of the Chapter, will be at the September meeting with other representatives to explain the role of the Columbus Chapter, and to answer your questions. This will be a very formally run meeting, with time given to the Chapter representatives, and time for a question and answer session. Our council will then vote at this meeting to officially join the Chapter. There will be a letter placed in your church mailbox Labor Day weekend, along with an e-mailed copy, to explain all the details of this issue.

We still have one major task at hand, which we can use some help with. The Seton Parish Preschool swing set needs hands who can apply stain. This is the last item to be done, and needs to be completed before the swing set can be used on the first day of preschool, which is September 23<sup>rd</sup>. Please contact Brother Jerry Lowery or myself if you can spare some time. The swing set passed inspection, and it's ready for the kids once we get the wood protected.

Here's a small housekeeping item that was brought to my attention by Deacon Hector; when you come out for the Wednesday night business meetings, be sure to park by the canopy entrance to the Church. Other doors are being secured at earlier times for increased security.

Don't forget the First Saturday Rosary and Mass on September 6<sup>th</sup>, with Rosary starting at 8:30am, followed by Mass at 9:00am. Afterward we'll have some social time with treats, and then the Officers will have their planning meeting. As always, any member may attend this meeting!

God Bless and I look forward to seeing you soon!

Vivat Jesus!

*Frank Piper*

Grand Knight

As a reminder, the 1st Saturday meeting, (following the Rosary, Knight's Mass and social) is always an open meeting. I encourage you to attend.

## Business Meeting Minutes

13 Aug 2008

PRIOR TO OPENING MEETING: Mr. Brian Ferguson of the Boy Scouts and Squires will make a request for funds to support his Pond side Shrine Project for Seton Parish.

Meeting opened at: 7:40 pm

Roll of Officers: Chaplain, Deputy Grand Knight, Advocate, Recorder, Outer guard - Excused; 2 Year Trustee - Absent

**Reading of the Minutes:** A motion to waive the reading of the minutes as published, seconded and passed. No corrections

**Chaplain's Report:** No Report

**Report on Admissions:** No Report

**Grand Knight's Report:**

Preschool Swing set: We are nearing the end of the Swing set Project. Grand Knight thanked the following Knights for their help in this project: Mark Knight, Rob Allen, and especially Jerry Lowery. Jerry and his Brother Gary have devoted many hours to this project, and he also thanked everyone involved. Both Preschool Administrators Donna Swartz and Karen Pitt are very pleased with the work the Knights have provided. We have the last task of power washing and staining.

Audit: Thanks to the Worthy Financial Secretary, Treasurer, Deputy Grand Knight, and Trustees for taking the evening of July 29<sup>th</sup> to work on the Audit for the first half of the calendar year. It took about 2 ½ hours, but all the numbers balanced out, and the report has been submitted.

Football Frenzy: The Football Frenzy ticket sales are now starting, and this can be an easy money maker for our council. With the sale of every \$10.00 ticket, we immediately start off with a guaranteed \$2.50 rebate per ticket sold by this council. I took 200 tickets for the council, so we can have a minimum of \$XXX back in our funds by just selling and purchasing these tickets. If the KofC organization within the state sells over 30,000 tickets, we could see upwards of over \$XXX in rebates. Brother George Schneider has agreed to be our project lead for these ticket sales.

Columbus Chapter: Kevin Miller from the Chapter to speak in September, they will make a presentation on the role of the Chapter.

**Communications:** Received a thank you card from Fr. David Schalk, thanking us for all the support, the celebration of his ordination and his Mass kit.

Received a thank you letter from the National Children's Hospital Network for our donation.

**Treasurer's Report:** The treasure gave the financial status of the Council. He reminded us that we are in the lean period of Council time, our fund raising activities have/will not start until the October time frame.

**Financial Secretary's Report:** The Financial Secretary reported on the bills that were paid.. The bills were passed to the Trustees for approval then paid.

**Trustee's Report:** No Report

**Chancellor's Report:** Harry Clyburn gave stirring report on what his job duties were and how plans on reminding us that we as

Knights should be more active in the parish. We should be more visible in all aspects of parish life, not just relying on Pancake Breakfasts and Fish Fry's to show our presence. There are opportunities in Religious Education, Spy, Parish boards and even adoration that can be filled by Knights. What are we doing to repay the parish?

**Advocate's Report:** No Report

**Report of Service Committees/Programs:**

**Membership:** Mark Knight had hoped to introduce our three newest member to the Council that were initiated on July 23<sup>rd</sup>. Jon Kerschner, Adam Conley, and Scott Robson were inducted along with 10 other new brother Knights from the surrounding council. Mark is looking for help with the membership committee. There is no current listing for a 2nd/3rd degree ceremony.

**Program Director:** Frank Hare reported that the process of submitting reports has started, if any of the chairs have pictures of their event we can use them to enhance our submittals.

**Church Director:** Ray Creamer is looking for assistance with the Church activities, especial in the area of Adoration. We have gaps in the adoration schedule (Monday from 5 - 6 am) that need filled. We also would like more attendance at the 1st Saturday Mass, if not we may be in jeopardy of loosing this activity.

**Squires:** Steve Malott reported on the upcoming Squires project: a Statewide Dodge Ball tournament. It will held in the PAC and they are asking for help from the Knight in the form of Labor. They feel that the tournament will a self funding event. Steve also talked about Brian Ferguson's eagle scout project and the Squire evolvement with it.

Kyle Knight was initiated into the Squires at their state convention

The Squires have been asked to provide the labor for the grounds clean up following the festival, plus the packing up of the remaining flea market items.

**Respect Life:** No Report

**Report of Standing Committee's:**

**Kroger Cares Program:** No report

**Awards:** Fred Barwick and Harry Clyburn were presented their awards for Volunteer and Knight of the year, respectively.

**Bus for Respect Life Trip:** Mike Croyle reported that there is a block of rooms in reserve and the bus has been reserved, these both can be cancelled if the interest is not there.

**Statue:** Jesse Garcia is trying to find the status of the statue, that way we can start planning on the installation

**New Business:**

**Mediation/Shrine:** Move to Donate \$XXXX towards Brian Ferguson's Shrine Project, this was motioned and seconded and passed.

**Vocations:** Brian O'Conner, son of Dennis and Diana O'Conner is pursuing the priesthood. He is an outstanding young man will do great things for our parish and our church.

**Field Agents Report:** No Report

**District Deputy Report:** Steve Skinner introduced himself as our new district deputy, thanked Mark Borys for standing in and installing the officers. He brought more Football Sweepstake tickets in case we needed them.

*NOTE: This is a reprint of the article contained in the August 2007 newsletter. We are getting ready to start our fundraising activities and the Grand Knight wanted to remind everyone that there is procedure in place to request funds.*

## **Financial Procedures - requesting funds**

This article will attempt to clarify the financial procedures that have caused some past confusion and to explain some changes that will enable the Council to fully comply with directives from other authorities and to improve the Council's financial accountabilities.

### **Budgets versus Authority to Spend**

These items are separate processes. One has NO impact on the other. Budgets are used to guide the Council's financial operations during the current year, while "authority to spend" is an approval process whether an item is included or not included in the budget. Including an item in the budget is NOT approval to spend unless it has been presented to the membership.

If you are one who routinely spends money on a particular item or event, i.e., chairperson, you may be asked to provide input into the planning for the budget; nevertheless, you must request membership approval to actually spend the money.

There are limited exceptions to this requirement. One is the Grand Knight's discretionary ability to approve up to \$500 for a Knight in need. When he exercises this discretion, the Grand Knight will notify the membership at the next membership meeting. Other exceptions are payments to Supreme and State Chapters for "per capita" and related membership expenses, for example.

All other expenditures will require membership approval before encumbering the funds. If it is a recurring expenditure, e.g., first Saturday, postage, meeting refreshments these expenses should be approved an annual basis and presented to the membership before hand. The budget process provides an excellent vehicle to track expenditures against the approved amount and will quickly hi-lite when an approved amount is exceeded and additional approval is required.

Non-anticipated expenses must be approved as the need arises.

No expenditures will be reimbursed without membership approval.

It is worth noting that exact amounts are not necessary for approval. A "not to exceed" amount is acceptable.

All requests for reimbursement of previously approved expenditures must be presented with a "Request for Reimbursement" form, which can be found on the web page, along with appropriate receipts. The form must be signed by the Knight making the expenditure and, for those events having multiple chairpersons; the form must be signed by all chairpersons. Requests should be presented in a timely manner and not left to accumulate. We will do our best to make reimbursement within 2 weeks of receiving the request.

### **Receipts and Deposits**

All receipts and deposits must be processed through the Financial Secretary. No exceptions! The Financial Secretary will take possession of all receipts and deposits and will make himself available accordingly or will provide prior delegation.

## "A Thousand Marbles"

The older I get, the more I enjoy Saturday mornings. Perhaps it's the quiet solitude that comes with being the first to rise, or maybe it's the unbounded joy of not having to be at work. Either way, the first few hours of a Saturday morning are most enjoyable. A few weeks ago, I was shuffling toward the basement shack with a steaming cup of coffee in one hand and the morning paper in the other. What began as a typical Saturday morning, turned into one of those lessons that life seems to hand you from time to time.

Let me tell you about it.

I turned the dial up into the phone portion of the band on my ham radio in order to listen to a Saturday morning swap net. Along the way, I came across an older sounding chap, with a tremendous signal and a golden voice. You know the kind, he sounded like he should be in the broadcasting business. He was telling whoever he was talking with something about "a thousand marbles".

I was intrigued and stopped to listen to what he had to say. "Well, Tom, it sure sounds like you're busy with your job. I'm sure they pay you well but it's a shame you have to be away from home and your family so much. Hard to believe a young fellow should have to work sixty or seventy hours a week to make ends meet. Too bad you missed your daughter's dance recital."

He continued, "let me tell you something Tom, something that has helped me keep a good perspective on my own priorities."

And that's when he began to explain his theory of a "thousand marbles."

"You see, I sat down one day and did a little arithmetic. The average person lives about seventy-five years. I know, some live more and some live less, but on average, folks live about seventy-five years."

"Now then, I multiplied 75 times 52 and I came up with 3900 which is the number of Saturdays that the average person has in their entire lifetime. Now stick with me Tom, I'm getting to the important part."

"It took me until I was fifty-five years old to think about all this in any detail", he went on, "and by that time I had lived through over twenty-eight hundred Saturdays. I got to thinking that if I lived to be seventy-five, I only had about a thousand of them left to enjoy."

"So I went to a toy store and bought every single marble they had. I ended up having to visit three toy stores to round-up 1000 marbles. I took them home and put them inside of a large, clear plastic container right here in the shack next to my gear."

"Every Saturday since then, I have taken one marble out and thrown it away."

"I found that by watching the marbles diminish, I focused more on the really important things in life. There is nothing like watching your time here on this earth run out to help get your priorities straight."

"Now let me tell you one last thing before I sign-off with you and take my lovely wife out for breakfast. This morning, I took the very last marble out of the container. I figure if I make it until next Saturday then I have been given a little extra time. And the one thing we can all use is a little more time."

"It was nice to meet you Tom, I hope you spend more time with

your family, and I hope to meet you again here on the band. 73 Old Man, this is K9NZQ, clear and going QRT, good morning!"

You could have heard a pin drop on the band when this fellow signed off. I guess he gave us all a lot to think about.

I had planned to work on the antenna that morning, and then I was going to meet up with a few hams to work on the next club newsletter.

Instead, I went upstairs and woke my wife up with a kiss. "C'mon honey, I'm taking you and the kids to breakfast."

"What brought this on?" she asked with a smile.

"Oh, nothing special, it's just been a long time since we spent a Saturday together with the kids. Hey, can we stop at a toy store while we're out? I need to buy some marbles."

## Faithful Citizenship:

We are right in the middle of the Democratic and Republican Conventions. I believe that it is time that we take a look at what our church leaders have to say about our rights and responsibilities as faithful citizens.

I quote from the U.S. Bishops document on Faithful Citizenship,

"Pope Benedict XVI stated in Deus Caritas Est (God is Love), the Church wishes to help form consciences in political life and to stimulate greater insight into the authentic requirements of justice as well as greater readiness to act accordingly, even when this might involve conflict with situations of personal interest. The Church cannot and must not take upon herself the political battle to bring about the most just society possible. She cannot and must not replace the State. Yet at the same time she cannot and must not remain on the sidelines in the fight for justice."

As the Holy Father also taught in Deus Caritas Est, "The direct duty to work for a just ordering of society is proper to the lay faithful."

This duty is more critical than ever in today's political environment, where Catholics may feel politically disenfranchised, sensing that no party and too few candidates fully share the Church's comprehensive commitment to the life and dignity of every human being from conception to natural death. Yet this is not a time for retreat or discouragement; rather, it is a time for renewed engagement. Forming their consciences in accord with Catholic teaching, Catholic lay women and men can become actively involved: running for office; working within political parties; communicating their concerns and positions to elected officials; and joining diocesan social mission or advocacy networks, state Catholic conference initiatives, community organizations, and other efforts to apply authentic moral teaching in the public square.

Even those who cannot vote have the right to have their voices heard on issues that affect their lives and the common good. The document on Faithful Citizenship can be found at the following link:

## Unfair Pro-Life Activities

A couple of years ago, Time magazine featured a cover story about the declining numbers of abortions in recent years. While they tried to be even handed, the authors let their pro-abortion stance color the article, in particular when they said that pregnancy help centers were “unfair” to pro-abortion advocates. I never did figure out how these centers are “unfair”, unless offering a pregnant woman an alternative to abortion is unfair. They apparently think the only good pregnancy is one that is terminated by abortion.

The article continued with information on the incredible growth in numbers and clients of pregnancy help centers across the nation. It explained that women helped by these centers almost always decide against abortion, especially after seeing their child with ultrasound. I guess that is “unfair” to those who prefer to kill a baby.

Here in Central Ohio we are fortunate to have Pregnancy Decision Health Centers (PDHC) available at five locations in Franklin and Fairfield counties. Last year they served over 16,000 clients, offering programs in the areas of crisis intervention, support and healing, and prevention. All services are free and confidential. More than 200 volunteers assist paid staffers to offer these services to their clients.

Pregnant women who are considering abortion are given free medical exams, including ultrasounds, and if they decide to continue the pregnancy (as they almost always do) they are offered help throughout the pregnancy and birth process. In addition to free medical care, they are given layettes for their new baby.

Needless to say, this costs a lot of money. All of PDHC funds come from private donations. Our Council has generously supported them in the past, and I hope we will continue to do so in the future - this is a great organization that is measurably reducing the number of abortions in Central Ohio. In fact, they have a billboard directly over one of the busiest abortion clinics in Columbus!

**Now I want to ask you as individual Pro-Life Knights to stand up and show your true colors.** PDHC's biggest fund raiser is their annual dinner. As we have for the past 3 years, the Seton Respect Life committee is sponsoring a table at the dinner. We can fill the 10 person table from our committee and the parish, but we are challenging the Knights to fill at least one more table with 10 Knights from Council 11187. We aren't asking much - at least 10 Knights from a council of over 200, and you get a wonderful free dinner with inspiring talks. All it will cost you is one evening and whatever you feel called to donate to PDHC.

### PDHC Annual Banquet:

**Date:** Thursday, October 2, 2008

**Time:** Doors open at 6:30, dinner / program 7 to 9 pm

**Location:** Villa Milano, 1699 Schrock Rd., Westerville

**Cost:** Free

**Key speaker:** Jill Stanek. Jill is a registered nurse who worked in the labor and delivery department of a hospital in Illinois when she discovered babies were being aborted alive and shelved to die in the soiled utility room. When hospital leaders refused to stop this practice, she went public and lost her job. She has become a national figure in the Pro-Life movement and works with local and national legislators to protect both born and pre-born infants.

## COAT DRIVE

I know, I know it is the just the beginning of September and we do not want to be thinking about cold weather, but this may be the right time to be thinking about it. We have word that there are some sales going on at the closing Burlington Coat factory in the area.

We also know that we will be helping with the coat drive that our own Joie Petersen and Rose Drigant run. So maybe just maybe we can get a jump on things and save a little money also ... remember the coats are collected for children at the Rosemont Center.

## Neighborhood Ministry Prayer

Lord of Love and Mercy,  
You call us, Your Church at Seton Parish  
to be an evangelizing people.  
Inspire us to grow in enthusiasm  
by becoming a welcoming, forgiving people.  
May the Gospel values that we live  
transform our Families, our Neighborhoods  
and our Country.

May we let our Faith shine on the world around us  
radiating the love of Jesus  
be every way we  
Speak, Think and Act.  
This we ask in Jesus' name. Amen
