HAPPY ST. PATRICK'S DAY

KOFC COUNCIL 11187 NEWSLETTER

Dear Brother Knights,

Lent. Just the word alone describes a lot of the feelings and emotions I have come to embrace this time each year. Lent means a great deal to me, even before I officially joined the Catholic Church 4 years ago this coming Easter. I can recall sitting at Mass when the Late Monsignor Hawkins was giving a homily regarding what we should give up for Lent. One thing he said really got to me: Rather than giving up trivial things, why not take on something that will make a difference for those around me. During this time I was just getting involved with my Amateur Radio hobby, and was providing some community service work through the local Amateur Radio Emergency Service. I took what he said to heart, and started giving up my spare time each Lenten season to do even more community work. This also got me involved with the Red Cross as a disaster volunteer, where I worked several disasters, including the Massive flooding in Southern Ohio / Northern Kentucky in 1996.

I look at the Knights of Columbus now as my new venue to help our Parish and our Community. We as Knights do a lot of good work through our fundraisers, and use the treasures we collect to help those who are in need. In these troubled times when job security is not guaranteed, when the cost of living is rising sharply, we need to look out for our fellow Brother Knights, and make sure we are there for them if the need arises. We then need to help the Parish as best as we can, because as we feel the pinch of the economy, so does our Parish at several levels.

But our helping hand should not only be used to just pass out simple checks, but rather to also grasp and take on the burdens that trouble our Brother Knights and our fellow Parishioners. Our council needs to look at new ways to stretch out and serve the organizations we have always supported. I ask each one of you to take this time during the Lenten season, and think of a project we as Knights can do to help make our Parish and Community better. Together, we can do great things! I look forward to hearing some of your ideas!

Our Fish Fry's are off to a great start! We had a pretty full house the first Friday. I'm sure it will only get better as the word gets out about how great our dinners are! If you are looking for something to take on during Lent, you can't go wrong with coming out and helping us out!

There will be no First Saturday Mass for March 7th, as many of us will be attending the Columbus Catholic Men's Conference that morning. I look forward to seeing each of you at our regularly scheduled Business meeting, which will be March 11th (Wednesday) at 7:30pm in Classrooms 7 and 9.

Frank Piper

Grand Knight

Plan now to attend next month's first Saturday Mass on April 4th. Come for the Rosary (beginning at 8:30) and stay for the Mass and breakfast Social following. Remember you are welcome to attend the following council meeting if you so desire!

Roll of Officers: Chaplain, Grand Knight, Chancellor and Three Year Trustee - Excused. Two Year Trustee Absent. All other officers in attendance.

Reading of the Minutes: Reading of Minutes from December meeting - due to no January meeting

Edd Chinnock pointed out an error in the December minutes: the correct meeting date should be 10 Dec 08, not 8 Oct 08. Motion to approve minutes as published with this correction was made and seconded. Motion approved.

Chaplain's Report: No report.

Report on Admissions: No report.

Communications:

Thank You card from Father Jim Klima for the Mass card in memory of his Mother.

Thank You card from Mindy Gribben for the Mass card in memory of Chris Gribben.

Thank You card from Jo Williams for the Mass card in memory of Roger Williams.

Thank You card from Fr. David Schalk for paying his Knights dues.

Grand Knight's Report: The Grand Knight could not attend due to work running late due to a project deadline commitment. He sent his apologies and arranged for the Deputy Grand Knight (Wayne Patterson) to run the meeting.

Thanks to everyone who has helped out with the Pancake Breakfasts. From the response of people attending, the food selection and quality are great! Thanks to Jerry Lowery for being our photographer for Santa in December. Pictures were great, and all the kids had a great time.

2nd Bi-Annual audit is in process and will be filed before the 15 February 2009 deadline.

Thanks to Dave McCallister and Joel Potts for heading up the Free Throw contest. I had seen signs all over the Pickerington elementary schools. We had a small turn-out, but those attending had a great time!

Membership: Currently we have 8 new members who have joined during our fraternal year. We have a quota of 12. Our insurance members have grown by 5, our quota is 6. Nice job!! Special thanks to Mark Knight for his hard work in Membership! We have a need for at least 2 Knights who can set-up and attend the Charity Ticket distribution for the Columbus Diocese. It will be held this Sunday, February 15th from 2:00 3:00 pm. We need set-up of chairs, a few tables, snacks and drinks starting at 1:00 pm. This distribution has been published in the Buckeye Bulletin, and is on the agenda of every Council in our Diocese. George, Mike, and Ron volunteered.

Please make sure you have your dues paid soon if you have not done so already. If you are running into financial hardships, contact FS Mark Borys or myself. We do not want to lose a good member due to financial shortcomings.

The Wives Appreciation dinner is coming up on February 21st. Please bring you Wife or special lady (Not both at the same time!).

RSVP's are in the newsletter.

One financial item to note: In December during the pancake breakfast. I and the trustees present gave the go ahead to take \$100 in pancake funds to donate to the Retired Religious fund, being collected on the weekend of December 14th. Our Financial Secretary politely reminded me that this was outside of protocol. I made the decision to pay the \$100 difference from my pocket, provide the proper paperwork for funds, and waited for reimbursement. This allowed the Pancake Breakfast funds to remain intact, and provide proper record of distributed funds.

This Saturday is Valentine's Day – You have been notified!!! Chapter meeting: The Ava Maria Academy (AMA) would like to establish an all girls college in Columbus. The Bishop has not supported or opposed this. They asked for our prayers. Chapter dues have been paid. We will be asking for an accounting of how various funds have been spent.

Treasurer's Report: Bob reported on the profit and loss amounts for the Council.

George Williams moved that the treasurers report be accepted. Gene Ebert seconded, motion passed.

Respect Life: March for Life Mike's trip

Dozens of cars with heaters running greeted me in the early morning hour of 7:00am on Wednesday, January 21 as I pulled into the St. Elizabeth Ann Seton parking lot. Those adults and teens huddled inside the cars came from Seton Parish, many other parishes around central Ohio and even a group of twenty-three from Portsmouth, Kentucky. The forty seven of us in total all anxiously awaited the arrival of a Treadway Bus to take us on a "special" road trip. This road trip would transport us to our Nation's Capitol to participate in the "March for Life" in opposition to the 1973 Roe vs. Wade decision supporting free choice for abortion and thus legalizing the elimination of life for those who have no choice.

The approximately nine hour bus ride included several rest stops and one for lunch. All passed time with making new acquaintances, snacking heavily (those people from Portsmouth just LOVE cookies), praying the rosary and watching several different videos. These topical selections instilled in all an increased passion for the intent of our trip.

We arrived in Washington, D.C. at the National Church and Basilica at approximately 4:30. After several group photos on the steps, we all proceeded into church to stake out pew space for the 8:00pm Mass in support of the march, marchers and cause. Seats were already very limited, but many of us managed to squeeze in. Fortunately, I found a space directly up front on the right next to a delightful young lady from Portsmouth named Amber. We spent the time leading up to Mass discussing many issues political, familial and religious. Amber was our only trip member who was not Catholic. It was refreshing to see her commitment to this cause as staunch as most Catholics. Other time was spent briefly touring the Shrine, its many enclaves and fantastic sculptures. The basement construction resembles the catacombs with many separate areas to explore. Finally the Mass began. You have heard before of the site of hundreds of deacons, priests, bishops and other clergy proceeding into church. But, to see it in person is truly inspiring. To see our own Deacon Hector Raymond among those processing was even more rewarding. The Mass was special and the homily by the archbishop of the diocese of Maryland especially motivating. The message was truly worth scripting and sending to the desk of President Obama to hopefully be heard. The Mass ended with the reverse procession out and the rush for the busses began. Our entire group arrived at the bus ... with the exception of one. A quick search party found the lost soul back on the steps of the basilica and returned her to the fold. We all checked in to the Hilton Washington and although the hour was late, found time for some camaraderie and pizza before heading off to bed.

The morning of the march opened with us again boarding the bus at 7:00am for a trip to another mass and celebration. This celebration was the "Youth Rally" held at the Verizon Center downtown. Our hurried departure unfortunately left two attendees back at the hotel. Croyle never could count! Bud, our faithful bus driver, dropped us off and quickly returned to rescue the abandoned. Sorry ladies. The Verizon Center was already filling. It was impossible to sit together, but we all eventually found seats. The next two hours passed in marvelous fashion. Christian rock groups performed and led all in singing in enthusiastic and full voice. To see the number of youth, including our six from Seton, so involved and excited

was particularly satisfying. We can be assured this cause will not die with our generation. Our youth are our future. Our future is bright. If you see any of those youngsters who attended, let them know how proud of them you are. The Mass began and ended in the same manner as the celebration the night before. An added treat was a quick voice of support conducted by an emissary from the Pope ... this is not just a "western" cause and our Pope's prayers were with us all. The sermon was also meaningful as given by a younger priest in manner just perfect for our youth. It was truly memorable.

Upon completion, a mini march en masse to the Mall positioned us for our March for Life to the Supreme Court. To see 400,000 people strong carrying banners, chanting slogans, and even praying the rosary as we prepared for the march was simply awesome. How could the President and Congress NOT notice and support this cause? How can this law not be over-turned? I guess it has **stood** for over thirty some years now. Sadly this administration seems bent more towards support in the opposite direction, but hope remains. Navigating the swarm of "believers in justice and right" to actually obtain position in line was actually one of the more difficult elements of the trip. Seemingly, everyone held the same passion to have their voices heard as us ... and immediately. Eventually, we attained a spot and were on our way. And with some people chanting anti-abortion slogans, most holding signs, and all striding purposely we descended upon the Supreme Court. Maybe they heard. Maybe this year these efforts and those of Right to Life groups around the nation and world will have some effect. Just maybe. We continue to hope ... and pray.

And before you knew it, we were done. Our group headed off to Union Station to hook up with our driver and begin the long trek back to Columbus. We stopped for dinner, noticing the hundreds of others also returning. Nobody seemed very tired. All seemed pleased with our efforts. We arrived back at Seton at almost 2:00am. Our group from Portsmouth still faced another two hour drive back home and we allowed them entrance into the church for one last restroom break before completing their journey. They are very committed to this cause. I wish to thank their organizer, Julie VanHoose for her guidance and assistance on the trip. Nobody even noticed her hand up my back or noticed her lips moving as she spoke through me. Hey, I was a rookie leader and learning as I went. I also thank Edd and Vicki Chinnock for all of their direction and assistance and I'll get back to you about running this event again next year. I finally wish to express my gratitude for all of those who attended from our Seton family. Hopefully, the event was positive and meaningful to you as a Catholic and supporter of the "right to life" at all stages of human development as well as in the womb.

From the Ladies

The ladies of the Knights of Columbus Council 11187 would like to thank all the Knights who prepared, set up, served, and cleaned up to honor all of us ladies on Saturday, February 21st.

The meal was delicious and the decorations were lovely. Getting our pictures taken alongside our attentive husbands and being able to take them home that same evening was such a treat! The DJ and music were very entertaining and had some of us singing old favorites throughout the evening. Of course, the lovely roses we took home were such a nice touch, as always. Special Kudos go to the talented chefs for the evening who provided a meal worth any five star restaurant, but with even better service!

Thank-you so very much for spoiling us every year with the Wives Appreciation Dinner. We truly feel special and we want you to know that each element that goes into this elaborate evening is greatly appreciated.

LENT

From: Days of Devotion: Daily Meditations from Pope John XXII

“I have said this to you, that in me you have peace. In the world you have tribulation; but be of good cheer, I have overcome the world” (John16.33)

This meditation was written by the Sheppard of our Assembly; he could be speaking directly to us. Pope John writes:

LENT

The old problem of the connection between faith and works, which goes back to apostolic times, is coming more and more to the fore in our own day.

The answer is: not faith alone, but the perfect association of faith with works, and it is in his power of strong and enlightened faith, and according to his greater or less fervour in good works, that the worth of the perfect Christian may be seen, and he may be distinguished from the weaker men, the indolent, the ineffective and the unhappy....

From the Old Testament we all receive the command to “fight”, each for his own salvation. What strong words these are: they teach us that it is our duty to fight until death against the temptations of the world in order to win salvation for our souls, and for the souls of all most dear to us in this life.

The New Testament gives us the words of Jesus, among the last He uttered before his sacrifice.

Respectively submitted;

Bud Joos
