KOFC COUNCIL 11187 NEWSLETTER

Veteran's Day - 11 November 2009
Happy Thanksgiving - 26 November 2009

My Brother Knights,

November has come, and the changes of the season are all around us. Take time to tune in to nature, and the messages God sends to us through all of creation. Miracles are happening every day!

First of all, I want to thank brother Tim for handling the last council meeting for me. My wife and her assistance dog passed all their challenges with flying colors. They are certified for another year. There never was any doubt in my mind that everything would be fine. Our stay in Swanton was very enjoyable.

November 11th is Veteran's Day. Be sure to shake the hand of anyone you know, who has served and anyone you see in uniform, still serving this country. Freedom only exists, due to the sacrifice of many.

Our first pancake breakfast of this season is November 15, 2009. Please, do not wait to be called. Volunteer ahead of time, or just show up that day, if you are free. We can always use more hands to make the burden lighter. It is a wonderful way to meet other brother Knights, as well as our church community.

Please fill out the "Member Interest Form" and turn it in to me, or put it in my church mailbox. We will use this information to plan the course of future events. Everyone's opinions would be appreciated

Wear those Knight shirts! Wear them to mass and church meetings and events. Be visible in our church community. We are always striving to bring young blood and fresh ideas into our Knight's council. That is the only way to keep this perpetually growing and strong. We need to be seen as the brotherhood we are.

We welcome our new brother Knights, Joseph Miller and Scott Mucha. They entered the Council 11187 family at the First Degree a few weeks ago. We are very happy to have you both join our ranks.

As Knights of Columbus, we are very aware that all we have comes from a loving and giving God. Remember, in this month of Thanksgiving, to thank the Lord for all He has given you. There is a Mass at Seton Thanksgiving morning. The collection is actually canned goods for the hungry in our community. Plan to attend with your family. Begin your Thanksgiving Day off right, with thanking the Lord for your abundance, and by sharing that abundance with others. Then, spend the day with your family, and tell them how thankful you are for their love and support.

I pray you have a blessed and fulfilling Thanksgiving holiday.

Saluting our Veterans

November 11, 2009 is Veterans day. What is Veterans day?

“**Veterans Day** is an American holiday honoring military veterans. Both a federal holiday and a state holiday in all states, it's always celebrated on November 11th each year. It is also celebrated as Armistice Day or Remembrance Day in other parts of the world, falling on November 11, the anniversary of the signing of the Armistice that ended World War I. (Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918 with the German signing of the Armistice.)”

In 1954 the Holiday was changed from Armistice Day to Veterans Day to honor American Veterans of all wars.

The difference between Veterans Day and Memorial Day

Memorial Day honors service members who died in service to their country or as a result of injuries incurred during battle. Deceased veterans are also remembered on Veterans Day but the day is set aside to thank and honor living veterans who served honorably in the military - in wartime or peacetime.

Also did you know that the holiday is commonly printed as *Veteran's Day* or *Veterans' Day* in calendars and advertisements. While these spellings are grammatically acceptable, the United States government has declared that the attributive (no apostrophe) rather than the possessive case is the official spelling.

We are privileged to have veterans as members of our council. The next time you see one of them, thank them for their service. Without them and the sacrifices they made, we would not live in the greatest country in the world.

Insurance Corner - November

When Did Zero Become Better Than Fifty?

As your field agent it is my responsibility to fill any needs you have in order to insure that you and your family are protected when disaster strikes. Our primary program is of course life insurance but the need for **Long Term Care** is at an all time high.

Here are some objections that I often hear, and how I answer those:

“It is just too expensive!”

Did you know that a 40 year old can get into the Knights of Columbus Long Term Care program starting at around \$5.60 a month? A 60 year old for around \$18 a month? A 70 year old for around \$46.00 a month!?!

“My family and/or spouse will take care of me!”

If you are a young family make sure you remember that your spouse will more than likely be forced to work in order to help pay for long- term care expenses and sustain your current way of living. This would leave one of the children to take care of you. PLEASE make sure your spouse and family are aware of your plan to depend on them during this time and what they may have to do for you!

“I will just sell my house or just go on Medicaid!”

Be aware of the housing market today and think of what it may be in the future. Medicaid is a State and Federal Government program that pays for certain health services and nursing home care for older people with low incomes and limited assets, according to www.medicare.gov. The look back period is now 5 years! Did you know that the average costs of a nursing facility is between \$30,000 and \$60,000 a year in the Columbus area?

“Medicare will take care of me for my long term care!”

Medicare is not Long Term Care! Medicare pays only for medically necessary skilled nursing facility or home health care. However, you must meet certain conditions for Medicare to pay for these types of care. The Knights of Columbus long-term care is to assist people with support services such as activities of daily living like dressing, bathing, and using the bathroom. Medicare doesn't pay for this type of care called "custodial care." Again this is according to www.medicare.gov.

Last and my all time favorite: “Why would I get \$50 a day when that won't cover everything? I have enough in my retirement and assets, I'd rather not spend money on something I may never use!”

*If you believe zero coverage is better than the minimum coverage of \$50 a day then all I can say is **something is better than nothing!***

Do not wait to ask questions about Long Term Care! Life insurance is there to protect us when we die. Long Term care is here to help you and your family while you are living and this need can hit us at ANY time. Young or old, it can happen at any time!

Please call or e-mail me with any questions and as always I am here to serve you and your family as your Knights of Columbus field agent.

November

Dear Knights of Columbus, during the past few months there have been allegations of falsehoods from many fronts on both sides of the political spectrum in this great county of ours.

Our patron speaks Pope John XXXII from his daily meditations to us about truth, justice and peace.

THRUTH, JUSTICE AND PEACE

The Truth! We all know how many snares are set to discredit and destroy it. From our childhood on, we have been taught that every Christian must feel a horror for falsehood. Yet, today, one might think that the whole world had adopted a general practice of falsehood, deliberate and organized. One can rarely read if hear an expression of truth that is uninspired, complete expression of truth that is unimpaired, complete and sincere. Very frequently and attempt is made to cover with a semblance of truth that is really contrary.

But, faced with the grave problems of life, death and the life after death we must always honor the truth. The lord is the Truth, and he is our Master.

And with truth justice! The fundamental rules governing human relations in the family and domestic circles and in civic and social order must always be borne in mind, not in so far as they concern our relations with God, with the gospel and with the great doctrine that must always be a light in our path, but also in all that, in dependence on the providence of God, is material welfare.

And finally peace, holy peace! As we look around we see insurmountable people who, during recent years, have witnessed the most painful situations and indescribable destructions, and have found solace only in praying to God for the priceless gift of peace.

Request for Funds - Updated Procedure

Any request for funds should be presented to the officers prior to the business meetings (ideally at the 1st Saturday business meeting). This excludes any of the fund raisers currently on the books.

Any request that has not gone through the Officers will be tabled until the elected officers; have a chance to review it.

While your attendance at the meeting is preferred you can submit the request via email, a phone call or mail. Just give a synopsis of the proposal to the Grand Knight, he will in turn disperse it to the other officers.

Remember that by not following procedure you will be adding at least a month to the process.

The Officers meet on the first Saturday of each month in an open meeting following the Rosary/Mass and Social and you are encouraged to attend any and all of these.

Perpetual Adoration

Since Perpetual Adoration started at Seton, the Council has been responsible for the Monday 5-6 am. hour and we have filled by using the call list. When I call, please sign up for a time.

Respect Life: Get Involved

“All it takes for evil to triumph is for good men to do nothing.” I thought of this famous quote during our monthly Knights meeting last week after my Respect Life report. In my report I described the 40 Days for Life program and asked for support from the Knights. 40 Days for Life began as an activity of a Knights of Columbus college council at Texas A & M University in 2004. Within a couple of weeks it involved over 1000 people, leading to a 28% decline in abortions in that community. Since then, this program of prayer, fasting and silent witness has energized the pro-life movement across the nation with over 200 events this fall in 45 states, 5 Canadian provinces, and Denmark. I circulated sign-up sheets asking for some Knights to spend one hour praying outside an abortion clinic on Cleveland Ave. Not one single Knight signed up.

This got me thinking about our commitment to a Culture of Life. Our Council has been very supportive of pro-life issues while at the same time being very apathetic. For many years we have helped the SPY students afford the bus trip to DC for the March for Life. Last year we even sponsored the bus and are doing so again this year. In the past we have paid for Deacon Hector to go on the trip as well. Your response to the anti-FOCA postcard campaign was overwhelming and we get great support on the annual Pro-Life newspaper ad signature campaign. The Lenten collection of baby items for PDHC is one of our most successful endeavors. We fill that Pac’n’Play several times during Lent!

On the other hand, we have gotten little or no Knight’s participation in Life Chains, nursing home visits, abortion clinic praying, etc. In my newsletter articles I frequently ask you to contact your Congressional representatives to support pro-life initiatives and a culture of life. I have no way of knowing if any of you actually call or write those representatives, but I hope you do. **If you have never contacted them, you need to read the opening quote again.**

Our Knights Council is full of wonderful, committed men, but we always have to be on guard against apathy. Each one of us must think long and hard about our commitment to a Culture of Life and decide what we are going to do to make that Culture of Life a reality. Publicly showing your support for life issues at an abortion clinic or Life Chain is a good way to start. **Calling or visiting your Congressmen is critical - we cannot afford to wait for others to do it.**

The various health care bills currently being considered by Congress are another good way to get involved. In spite of the administration’s statements to the contrary, abortion WILL be paid for by tax dollars and will be REQUIRED to be covered in some fashion. Every single amendment to specifically prohibit federal funds from being used to cover abortion from any of these bills has not passed. The one “compromise” the White House offered not only allows for federal money to subsidize abortions in private plans and mandates federal funding for abortions in the public option, it also requires that at least one insurance plan cover abortion in every geographical region in the country. This is in spite of the fact that only 13% of Americans want the health care reform bill to use tax dollars to fund abortions.

Regardless of what you think of the overall bill and the need for health care reform, it is urgent that every Knight call or write ALL THREE of your representatives in Congress and ask them to include language in the final bill to support these

critical Respect Life issues.

Contact members of Congress through visits to local offices, phone calls, e-mails or fax letters. Call the U.S. Capitol switchboard at: 202-224-3121, or call the local offices of your U.S. Representative and Senators. Full contact information can be found at <http://www.house.gov> and <http://www.senate.gov>.

37th Annual March for Life

The Knights of Columbus is sponsoring a two day, one night bus trip to Washington, D.C. leaving Thursday, January 21st and returning in early Saturday morning hours of January 23rd. The trip is for anyone wishing to be involved in the March for Life at our Nation’s capital ... to bring the word of “Equal Care with No Exceptions” to our new administration and Congress. The march on the 22nd is the exact anniversary date of the 1973 Roe vs. Wade decision when we mourn the intentional deaths of an estimated 50,000,000 innocent unborn humans. Join us in educating our Washington leaders that **now** is the time for decision to be overturned.

The cost of the trip is approximately \$150 per person, based on 2 people per room occupancy. (Note the price is \$30 cheaper than last year!) Please stop by the K of C Bulletin board in Hermann Hall soon to pick up a registration sheet, the two day agenda and other instructions. We need to have at least 40 people registered by December 1st to warrant continued trip planning. Come help us change this law! For other questions, please contact:
