## My Brother Knights,

We are in the middle of our Lenten journey, preparing our hearts and our souls for the Resurrection of our Lord, Jesus Christ. He died for all mankind. He took the punishment for our sins, to open the gates of heaven to all who choose to follow His path to God, the Father. Please, take advantage of the many offerings for spiritual growth that are currently going on at Seton parish. These include, the Bible Time-Line Study on Tuesdays, and Fr. Jim's book study on Eucharist, which is on Mondays. Praying the rosary with your brothers and sisters in Christ, in the Eucharistic chapel, is being offered three times a week. The opportunities are Sunday 7:00 pm., Mondays, 6:30 pm and Fridays 6:00 pm. Each Friday evening at 5:30, Seton holds Stations of the Cross in the church. We are just completing our Lenten Parish Mission as this newsletter goes out.

**The Annual Catholic Men's Conference is this Saturday, March 6th. See Deacon Hector's letter inside. It isn't too late to register.** The Little Black Spiritual Reflection Books are being used by many of our parishioners. Seems like the Holy Spirit is moving all over within our wonderfully active and growing parish. "GOD IS GOOD, ALL THE TIME." as our mission presenter, Fr. Melvin Shorter, keeps reminding us. He has presented a phenomenal mission, and helped us all to realize our own need to grow closer to God in every aspect of our daily lives. I hope everyone participated in this event.

The Lenten Friday night Fish Fry's have begun. If you have not yet helped with one, please volunteer to do so ASAP!! We have three more to do. March 5, 19 & 26. We are skipping March 12 as that is the weekend of the St. Patrick's Day party on Saturday evening, March 13. It's crucial that everyone chooses a date to help out. We need volunteers to make these wonderful traditions of food and fellowship, go smoothly.

Our annual Wives Appreciation Dinner was held on February 20. We applaud our chefs, Mike Elston and John Letourneau, for another wonderful meal. Thank you to all the Knights who came to serve their wife, and to help with everything else. All who attended had a great time. Please spread the word, so next year every wife of every Knight will decide to attend. We closed with all the husbands singing to the group of wives. It was fun, and rather amusing. We can not thank our wives often enough for all their support.

The pancakes breakfasts are completed. We served a total of 1,126 meals over the months we did them. Appreciation is extended to all who helped. I especially want to acknowledge the wonderful job that Mike White, Dan Stephan and John Sambuco did, as a team, to see that everyone ate a great tasting breakfast, every time.

This event is very well received by our parishioners, especially the children.

Mike Phillips and George Schneider have volunteered to handle the Charity Raffle Ticket Distribution. We need your cooperation and help, when called upon to help with this worthy endeavor. It's a priority.

Please add this date to your activity calendar at home. April 24, is First Communion at Seton. Mass times that Saturday are, 9:30 and 1:30 I need ushers for both of these Masses. Any Knight interested in helping, please contact me. It is a privilege and an honor to be a part of our parish children's first reception of the Holy Eucharist. Please, seriously consider this opportunity to be an active Knight.

Reminder, as always, to wear your Knight shirts as often as you can. We need to be visible to the people of our parish. Also, the Knights' commitment to Adoration of the Holy Eucharist is every Monday morning from 5:00-6:00 am. Please take a turn filling this Holy hour, and spend quiet time with the Lord.

Last, but not least, we all must continue to recruit new members. There will be an open house this coming Monday, March 8, from 6:00-9:00 pm. Please invite a catholic family member, catholic neighbor, or a catholic friend, and come with them. We will be more than happy to explain what the Knights of Columbus Organization is all about. Catholic men cannot join, if they do not understand who we are. They will not know who we are, unless each of extends an invitation. This open house is a fantastic opportunity to understand, learn and decide if the Knights are something they would like to join. Do your part and invite someone to learn about the Knights of Columbus. Think, surely we all know someone to ask.

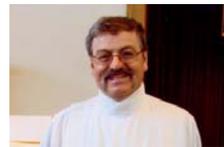

In appreciation for all you do, may the Good Lord bless our Knights Council 11187 and Seton Parish.

Your Brother in Christ Jesus,

*Wayne  
Patterson*

## Business Meeting Minutes - January 13, 2010

Meeting opened at: 7:40pm with prayer and POA.

Roll of Officers: Chaplain, Lecturer, 1st yr Trustee, all excused.

Reading of the Minutes: Ed Chinnock stated that there should be a correction from last month's minutes. The bus committee not Ed Chinnock cancelled the Right to Life bus. The changes were made, and the minutes were motioned to be accepted by Ed Chinnock, seconded by George Schneider. Minutes approved with changes.

**Chaplain's Report:** No Report

**Grand Knight's Report:** We received a thank you card from Ruth Whitlatch, for the mass card for her husband, Harry Whitlatch, who passed away.

At the Chapter meeting they discussed supporting the Care Line Women's Care Centers. They set up programs to help women choose life over abortion, and have locations set up right next to abortion clinics. They will be buying 2 houses in Columbus, and they want the Knights to raise \$ 15,000 for ultrasound machines. Studies show that if the mothers see an ultrasound of their baby, they are 94% more likely to keep the baby. The Chapter is starting a March Madness ticket sale to raise money for this cause. Each one is \$ 10.00 each, and we need to start selling them immediately. Care Line is Catholic oriented, and Bishop endorsed.

2010 is a National salute to hospitalized Veterans. Send out Valentines to the Vets. See Wayne for information.

Frank Piper was awarded the VIP club award for recruiting 5 new members so far this year.

**Treasurer Report:** Frank Piper read the numbers for the month.

**Financial Secretary Report:** Reading of Receipts and Bills by Mark Borys.

**Trustee's Report:** No Report.

**Chancellor's Report:** Annual Men's Conference is coming up, March 6<sup>th</sup> 8am-2pm. Tim handed out pamphlets at the meeting. Please get the message out! Please bring cash, not all vendors can take credit or debit cards.

**Advocate Report:** No Report

**Report of Service Committees/Programs:**

**Membership Chair:** Jim Doty stated we have 4 members went through 1<sup>st</sup> degree. Mr. Ritter has not been done due to scheduling conflicts. Will get him through soon. March Blitz is coming up, so everyone get ready!!!! Cancelled the meeting on the 24<sup>th</sup>. Wayne stated that we were falling behind in insurance quota, so he called Matt our insurance agent and Matt is having an open house in March. This will be for new members. He is providing information on what the Knights can do for new members' insurance needs. No selling, just information and helping with new member recruitment. Brother Harry Clyburn wanted clarification on just what was going to be provided, since there are many insurance providers in the parish, and he wanted us to be mindful of that fact. Wayne stated it is a Knights membership

drive only, and that we can promote it in church news media with Father Jim's permission.

Wayne also asked Jim Doty to send a letter to Pope John parish, who does not have a council at this time, to come to our membership drive in March.

**Program Director:** No Report

**Church Director:** No Report, but remember our slot is 5-6am on Mondays. Call Bill Sharon for dates.

**Squires:** Steve Mallot stated that there were 25 squires, 4 circles, 6 counselors, the State Director, 9 Seton Knights, and 4 4th degree honor guards at the Dodge ball tournament. 53 total there. 6 hours of Dodge ball went well, but it was a long tournament. Steve handed out awards to all those Knights who helped out in the event. Pancake breakfast is this weekend, and the squires will be there to help set up and tear down. Also Fish Fry's are coming up and the Squires will be helping out with the beverages, and selling sodas as well. Danville retreat coming in March. Easter Egg hunt will be open to the parish and the Squires are working on the details. Probably will be the Saturday before Palm Sunday. Will have an Easter Bunny there.

**Respect Life:** Ed Chinnock stated the Right to Life Committee had to cancel the bus to D.C. and it cost us only \$XXX for the deposit. Ed Drove down and took a 2 day trip. 60-75% of those who went were high school or college students. Next year the dates will be January 22-24<sup>th</sup>. Knights gave him \$XXX and he gave back \$XXX. He used the other \$XXX for Deacon Hector and Lindsay Lawson daughter of Debbie Lawson. Debbie felt that Lindsay should not be given special consideration and gave \$XXX of the money back to the Council. March 25<sup>th</sup> is the Prayer of the Unborn Child. We are going to do the 40 days of Life instead. We are going to the abortion clinic on Cleveland Ave. and stand outside and pray. This will go on for 40 days end of March through April. More information to come. Please spend an hour and pray for the unborn. Knights Life Line magazine if interested see Ed. Wayne spoke with Gary Anderson at the Chapter and told him we had to cancel the bus this year. We will try to combine Church groups in the area to be able to support a bus for next year.

**Wives' Dinner:** Wayne stated that we only have 2 responses so far. February 20<sup>th</sup> is the date, with it starting at 6:30pm. We serve the wives first then eat. Please get your info to Wayne ASAP.

**Fish Fry Committee:** Ed Tavares stated that we need volunteers to help set up, clean up, and serve. There will be sign up sheets at the first one coming up. 5 fish fries this year. Charitable contributions are getting set up. The second one will go to Catholic Relief Fund for Haiti. St. Gabriel's radio will broadcast dates and time for free. Flyer will be in the Bulletin. Notify all the retirement homes in the area that we start @ 5:30 for them. Brother Tom brought up if we should be giving meals for free for the fire department and police station. We have been always doing this, and there will be no change on this position since we are making a profit every year even with the free meals. Wayne stated that if the chairs want to change it, they need to discuss it and bring it to the council for a vote. We are leaving it the same at this time.

*Business Meeting Minutes (Continued on page 3)*

Steve Mallot stated the Squires give them sodas for free as well. Wayne and Steve suggested we keep doing it, just keep track of how many are coming in and at what times.

**Free Throw Competition:** Brother Joel stated all went well this year. We had 3 times more participation this year than last year. PYAA provide huge advertising and support. Thank you all who helped out with this program. Districts will be this weekend the 14<sup>th</sup> at St. Pius. Regionals are February 27<sup>th</sup>, and State is on March 20<sup>th</sup>.

**Blue Coat Dinner:** Mike to get with the officers on getting the information out. No babysitting right now. We don't know the date for sure, we think it is the 24<sup>th</sup> of April. Harry Clyburn volunteered as the Master of Ceremonies. Wayne asked that we get with Beth in the office to make sure we have reserved Herrmann Hall for the 24<sup>th</sup> of April.

**Magnet Sales:** No Report

**Communications:** No Report

**Old Business:** Surveys for the Council need to be filled out by all members and turned in to Frank immediately! We need to know what your talents are and what you can do.

## 13TH ANNUAL COLUMBUS CATHOLIC MEN'S CONFERENCE:

Saturday March 6, 2010,

8 am - 2 pm at Lausche Building, Ohio State Expo Center, 717 E. 17th Avenue. Cost for the day is Adults: \$25; Students: \$10; Priest/Deacon: Free.

For more information, go to their website at [www.columbuscatholicmen.com](http://www.columbuscatholicmen.com).

Once again this year, the Catholic Men's Conference is packed with great speakers and a good opportunity for you to make a good confession. The theme for this year is: "Being the Man God Wants You to Be". What our world needs now more than ever are men who will stand up for their faith and men who are willing to take the lead in their families, especially in the area of religion and morals. The world today is full of distractions that can effectively entice men and boys of all ages and we need to come together as Catholic Men and Knights of Columbus to combat the effects of a society that devalues human life and marriage. Face it men, unless we as the leaders in our church make a stand, who will? Come and be with hundreds of other Catholic men who are taking up the challenge of living a Catholic life.

You will be inspired by the talks given by Robert Rogers, Father Larry Richards, Patrick Madrid and others. Holy Mass will be celebrated by the Most Reverend Bishop Frederick F. Campbell. He will also be the homilist and you can bet he will have a great message for us men. Our good friend and announcer Doug Lessells will be the Master of Ceremonies. Again this year I make this challenge to you: IF YOU ARE NOT COMPLETELY SATISFIED THAT YOU HAVE GOTTEN YOUR MONEY'S WORTH, I WILL REIMBURSE YOU THE COST TO THE CONFERENCE. I challenge you to invite your sons to go along with you the cost is only \$10 for students. What a great witness that would be for you to show your son that you are willing to step up and BE THE MAN God has called you to be.

God bless you,

*Deacon Hector Raymond*

## FELLOWSHIP

Brothers,

I am the local Captain for the Seton Parish Men's Fellowship, which is loosely guided by Diocesan Catholic Men's Ministry.

**The purpose of the fellowship meeting is to discover the meaning hidden in the pattern of daily existence - to discern what God is telling us in the seemingly casual encounter with family members, co-workers and neighbors.** The late Great John Paul II told us to look for the Truth about Man in the way we experience life. This in no way diminishes the importance of Scripture or the primary role of the Church in revealing God's goodness. But JP II points out that modern man is not paying attention to those sources of Revelation. He says that modern man is paying attention only to himself and the emotions he feels as he seemingly bounces off one unconnected incident after another. We can supplement and reinforce our belief in the Transcendent by inquiring into and studying the unfolding events of our lives. **We believe that fellowship is the unique setting in which the Catholic man can see more fully the presence of God through story telling.**

"We have come to share our Story  
We have come to break the Bread  
We have come to know our rising from  
the Dead"

### Fellowship Meetings

**"The Sharing is the teaching and the Teaching is the Sharing"** derives from that characteristic of the group meetings.

The meetings are not prayer/petition sessions, although they have some of that. They are not charismatic gatherings, although praising is incorporated. They are not instructional periods in Church teaching, although it is likely that the sharing will be instructional. They are not group therapy sessions, although that component exists in the exchange of experiences. They are not bible study discussions, although Scripture is a key element.

That last sentence caught my attention. When one participates in Scripture Studies, the hour goes by so quickly that there isn't much time for anything else. The Word of God is so rich, we always end our session wishing we had more time.

At Seton, we have several different groups and times to meet everyone's demanding schedules, our goal is to get 3 more groups started this Spring - isn't it time for you to give yourself, your family and GOD more time?

Please contact me directly or any of the group leaders for more info.

## Fish Fry Update: Thank You

So far we have had weather related problems with the fish fries...but we do recognize those helpers that are still coming out in the snow and sleet! We very much appreciate these extra efforts being taken by our council members.

Keep up the good work

Also, please keep in mind that cleanup is as important a part of any activity as is the preparation of the food. There are lots of pots and pans that need some loving as the event winds down

## Choir Needs Help

There is a request from the parish office to have our choir not do their warm-ups prior to mass in the worship space. I have volunteered to help remedy the situation and need the help of someone out there who might have an upright piano looking for a home.

If you could donate, or make available for a small fee, a piano the choir could have, it would be much appreciated.

The idea is that this piano would live in one of the classrooms, where the choir warm-up can take place ... this is why something more compact is needed.

Please contact me if you can help out.

## Respect Life: Fighting for Claire

While waiting for the March for Life to begin on January 22, we struck up a conversation with a group of young nuns also waiting for the March to begin. We asked them what order they belong to and where they were from and that opened a whole discussion about these amazing women. They are members of Sisters of Life, an order founded in 1991 for the protection and enhancement of the sacredness of every human life. They take the traditional vows of poverty, chastity, and obedience but also take a fourth vow to protect and enhance the sanctity of life. This group was from the Bronx in New York City, where they operate centers to help pregnant women avoid abortion. They come from all over the US and Canada, including one nun we met from New Zealand!

The peace and joy in their faces as they discussed their order, mission, and the March for Life gave us hope that with love like this we will be able to return to a Culture of Life. One of the nuns we spoke with gave us a magazine published by their order - "printed through the generosity of the Knights of Columbus." Hooray for our Order! In this magazine was a story I would like to share with you:

### *Fighting for Claire*

Mimi and Tito, long time friends and co-workers of the Sisters of Life went through every parent's worst nightmare when they went to the hospital for a routine 18 week ultrasound. Mimi "knew the minute they put the machine up to my stomach, I could see in their eyes, something was wrong." It seemed that the baby had encephalocele - a condition where a portion of the brain is outside the skull. The doctors provided pictures of children with severe abnormalities, informed them that they had a few weeks to decide what to do, and set up a genetics counseling session.

As they undertook the whirlwind of doctors visits, first to a local specialist and then to high risk pregnancy specialists in Manhattan and onto a nationally recognized genetics specialist, Mimi and Tito began to recognize that the more specialized and acclaimed the doctors were, the greater was the pressure to "terminate." One perinatologist at their local hospital, who was supportive after the couple stated their conviction to give life to their child, pulled them aside and described how, today, doctors have to be so careful with the words they choose with expectant parents, because the wrong wording to describe an abnormality as minor as cleft palate or a club foot can mean the difference between life and death for the child. And Mimi and Tito came to experience first hand the inner anguish that accompanies poor word choice.

The diagnosis of encephalocele was confirmed, and a fear they heard over and over again was that, because the skull was open, "the brain will be spilling out of the head." Throughout the pregnancy, doctors couldn't find the baby's cerebellum, the section of the brain which controls fine motor skills. Up to nine doctors and technicians could not find the cerebellum. But the adverse diagnosis was not enough. The solution? Abortion.

Sitting in the office of the genetics specialist, listening as he spoke soothing words that were all wrong to her, Mimi realized with a sinking feeling that she was in the "epicenter of the culture of death." "I had heard that phrase before, but

I had never experienced what it felt like."

As the medical saga proceeded, Mimi found herself going to Mass everyday, receiving the Eucharist and begging the Lord to touch her child and heal her with a miracle. While Mimi prayed with fervor and great faith, Tito prepared for whatever the Lord would allow. They surrounded themselves with friends and family who shared their conviction that their baby was a precious gift from God regardless of her medical condition, and who prayed for Mimi and Tito's strength and consolation throughout the ordeal.

And then the time drew near for Mimi to deliver the baby. A C-section was planned at the specialized Manhattan Hospital, but God had other plans. Mimi went into early labor and was rushed to her local hospital, where, amidst the fear and stress of the unknowns contained in high-risk pregnancies, she delivered by C-section a healthy baby girl, to everyone's amazement. Every newborn is given an APGAR test, which measures the physical health, reflexes, etc., of the baby on a scale of one through ten. Little Claire Marie, the "hopeless" case, scored a 9.9!

There was, at the base of Claire's head, a small sack that was surgically removed two months after her birth. Whether Claire's story is a miracle worked by God in the womb of her mother or whether the multitude of specialists simply got confused by the sight of the small sack and offered a severe misdiagnosis, we may never know. But Mimi and Tito know that they chose the good in the face of trial - loving and accepting their child regardless of any medical condition - and that will have eternal rewards.

One final note: Over 90% of babies who test positive for Down's Syndrome are aborted, but no one knows how many would actually have Down's.

## March 2010

From the `Days of Devotion by Pope John XXIII

In the General Audience of 25 October, 1959 Pope John spoke of the great prayer; "Our Father." This is the second of the series about the prayer the `Our Father'

### THY KINGDOM COME

When we speak of the kingdom of God we must not confuse it with political constructions based on human power, such as were frequently found in past ages and still appear here and there today, expressions of human and material dominations.

We pray for the kingdom shall come (cf. Matt 6.10) in the sense in which Christ conceived it, and as the liturgy sings of it in one of the church's finest outpourings of her official prayer; "the kingdom of truth and light," a "kingdom of holiness and grace", a "kingdom of justice, love, and peace." (Preface, Feast of Christ the King.)

These beloved and mysterious expressions which make clear the choice that is set before all individuals and social communities, families, nations and the whole world.

So we are either to walk with Christ, every one of us bearing his cross, light or burdensome as it may be, or to go on without him, lost in uncertainty, danger and disorder, towards universal ruin.

Next month: "THY WILL BE DONE"
