KOFC COUNCIL NEWS

SERVING SETON PARISH AND THE COMMUNITY

HAPPY MOTHER'S DAY

Dear Brother Knights,

THANK YOU ALL for the constant hard work through out this year. We fulfilled our obligations for many activities, here at Seton Parish. If you are a Brother Knight reading this, and you have been unable to help in the past, please do join us in any future event. We welcome all our brothers with open hearts. The 'regular' knights, who work at everything, would love to have help and meet our brother knights. Please come and work side by side with your brothers, doing the work the Lord calls us to do.

We need to give very heartfelt thanks to our Seton Squires. They have come through time and time again this year and helped us out. Events, such as, the pancake breakfasts and the Lenten fish fries, the squires were in charge of set up and tear down of the room for these meals to be served. They always did an excellent job, and I commend them. Squires, you are all greatly appreciated. Thank you all, so very much!

The Blue Coat Dinner went great on April 24, 2010. A special thanks to Dick, John, and Mike for another delicious meal. We received many compliments from our police and firefighters. A HUGE thank you is in order for Tim Bowie. He stepped forward, at the last minute, to be our M.C. at the dinner. Well, he actually had crutches, and limped forward, but he did a fabulous job, none the less.

April 24 was also the day of celebration for all of our First Communicants. The First Communion Masses went well. One was at 9:30 am and the other at 1:30 pm. I wish to personally extend my appreciation to the eight brother Knights, who gave their time to help with this beautiful sacramental ceremony. To all the Fourth Degree brother's who could not be there, you missed out on a most important and most meaningful time in the lives of our children. They are the future of the Catholic Church, and we need to support them.

I congratulate all the new officers, and pray they enjoy a wonderful year ahead.

Thank you for allowing me to be your leader this past year. I had a wonderful time, and I thank the Lord for all His graces during this experience. I especially thank my officers for all of their help and support. I couldn't have accomplished anything without them.

Remember always; "Work as if it all depends on you, AND pray, as if it all depends on God, because it does. "God works through each one of us, each and every day of our lives." We just need to be open to His call, and offer Him our hands, our feet, our voices and whatever else He asks of us. Just as the verses in the song; "Here I am Lord, it is I, Lord. I hear you calling through the night. I will go Lord, if you lead me. I will hold your people in my heart."

I will always have a special place in my heart for all my brother knights of Council 1187. You are all wonderful examples of compassionate, caring and hard working Catholic-Christian Men. I am proud to call you my friends, and to be a part of such a wonderful group of guys.
God Bless,

R. Wayne Patterson

Grand Knight 1187

P.S. A special thank you to my personal secretary, (my wife) for so eloquently expressing my messages to you, throughout my term as Grand Knight. Without her willingness to help me and her editing and typing skills, my letters in this newsletter would not have been possible. Thank you, honey, for your support.

Business Meeting Minutes - 14 April 2010

Meeting opened at: 7:34pm with prayer and POA.

Roll of Officers: Chaplain, 1st yr Trustee, 2nd yr Trustee, Inner Guard all excused.

Reading of the Minutes: A motion was made by Gene Ebert to accept last months minutes as written, seconded by Ed Chinnock. Motion passed.

Chaplain's Report: No Report

Grand Knight's Report: We received a thank you letter from the Rupp family for Linda's card.

Wayne showed the council the ad we placed for the Josephenum Basket ball Tournament. We received a thank you card from Father James Warner.

We received an invite for the KofC Marion Council's new club in Whitehall. They are having a bingo night and invited all to come. Wayne left the info for anyone wishing to go.

All the Fish Fries are done, and Wayne thanked the squires for all of their hard work. Wayne also thanked all the Knights who dedicated all their time to make the Fish Fries successful. We were only short staffed on the second one, and the rest were fine.

We had to order new Measure Up aprons and handouts due to new wording requirements on each. The old wording could have been taken as offensive to mentally challenged individuals, so it was changed.

Report of Admissions: Jim Doty stated that we should have Kyle Ritter go through the first degree soon.

Treasurer Report: Frank Piper read the numbers for the month.

Financial Secretary Report: Reading of Receipts and Bills by Mark Borys.

Trustee's Report: No Report.

Chancellor's Report: Tim Bowie yielded the floor to Gene Ebert who read a prayer that you should do before going into work every day. The prayer makes you put God into all the work you do during the day, and lets his guiding hand lead all of your efforts for good. Gene handed out the prayer to members at the meeting. Tim Bowie then stated that most of the time we work for money and think that is good enough. We need to make our life and our work be about God and not money.

Advocate Report: No Report. Ed Chinnock did state that our Council made it into the Columbia Magazine for repairing the Statue in front of the Church.

Report of Service Committees/Programs:

Membership Chair: Jim Doty stated that we still need 1 more member to meet quota. We have had 12 new members and 9 deductions. We have met our Insurance quota for the year. Wayne stated that we will be setting up an open house for all the new RCIA candidates.

Program Director: Frank Hare stated that he sent in the annual council "of the year" award nominations, and Wayne will discuss more at the May meeting. All the reports have been filed on time.

Church Director: The Adoration potluck dinner was a success. Our Council was awarded a pin for 10 years of adoration service.

Brother Ray was there to accept the award.

Squires: Steve Mallot stated that we have 3-5 squires going to the Spring Leadership Retreat. They sold 184 cans of soda during the Fish Fries. They made \$XX profit. The circle decided to donate \$XXX to a seminarian to help cover monthly expenses. \$XXX donations also went to the Bishop Griffin Center, and the Food Pantry in Pickerington.

Respect Life: Ed stated the year is winding down, and during the 40 days for life, we had covered ½ of the day. The group is taking flowers to the Pickerington Nursing Home in May. Check bulletin for exact date. We need to start looking ahead to next year for the bus situation. Frank Hare stated we need to have the Council sponsor more Right to Life issues for our Program requirements.

Charity Raffle: George Schneider stated that we had 80 tickets at the first turn in. The next and final turn in is May 19th. We need to remember to sell as many as possible. The Council gets a percentage of the amount sold.

Fish Fry Report: Brother Tom thanked everyone who helped out this year. We had a bad 2nd week that caused our numbers to be down, but not bad numbers considering the poor economy.

Measure-Up: Frank Piper stated our spots are the Kroger on Hill road. The corners of Hill and Center streets, the corner of Refugee and Hill, and Refugee and Milnor. We need help on the following dates:

Friday the 30th from 5-9pm and the Kroger on Hill.

May 1st 9-12am at all the intersections.

Possible collectors needed after Masses

Frank will get more info on this.

Please see Frank to schedule.

Blue Coat Dinner: April 24th, servers arrive at 6pm and clean up crew arrives at 7pm. It is being held in the Pac Center this year. Set up crew arrives at 2-3 pm. We have 3 coming from the Sheriff's department, and 17 from Pickerington PD. Harry is the Emcee, and we need all the help we can get.

Report of Standing Committee's:

Magnet Sales: No Report

Communications: No Report

Old Business: No old business

New Business:

Bell Request: Brother Paul requested \$XXX for a final set of chimes for the church bell choir. They come with the case, and cost \$XXX plus shipping. He is requesting \$XXX from the Council and he will pay for the rest. Paul made the motion, seconded by Mike Phillips. Motion is to be posted in the newsletter and to be voted on at the May meeting.

Blue Coat Dinner: Harry Clyburn spoke on the Blue Coat Dinner. He was very upset at the lack of support at the dinner last year, and urges everyone to come. We are going to need someone to help with Babysitting during the meal. Tim Bowie stated he would look into it. Cocktails start at 6pm. Steve Mallot suggested we use a calling tree to get more Knights there.

Business Meeting Minutes (Continued on page 3)

Bishop's Annual Appeal: Harry also spoke about the Bishop's Annual Appeal, and how poor we give as a Parish. He has been put in charge of the BAA committee this year and will need Knights to do call backs on parishioners who donate small amounts. We will try to get them to provide more support to the BAA. Pride and Accountability are the theme for this year. Please sign up with Harry.

Church retreat: Harry also mentioned the Church retreat being held on August 13th and 14th. The Knights are doing the meals for the event, and much help is needed. Food is being supplied by Bob Evans, we need to do food prep, clean up, and serving. Saturday is in the PAC, the rest is going to be held in the Church.

Pickerington Community Garden Plot: Brother Scott made a motion to have the Council support a Pickerington Community garden plot. He needs \$XXX to plant and care for the plot, and all the food goes to the Food Pantry. The lot size is 20'x15'. Frank Piper seconded the motion. Discussion was held and the motion was voted on. Spy Group Confirmation Retreat: Tim Bowie made a motion for the Council to support the Spy Group Confirmation Retreat. 70 kids went last year, and Barb Serrano needs \$ 3,450.00 for the event meals. Tim motioned that we pay for the entire amount, and the motion was seconded by Edd Chinnock. Motion will be published and voted on in May. Council Officer Duties

Gentlemen, the time has come for our election of officer's for the next fraternal year. Many ask at this time, of the duties of the positions. These are listed here below for your consideration. Those not included here ... Financial Secretary, Lecturer, and Chaplain are due to the fact that they are appointed by either the Grand Knight or Supreme.

For any of you wishing to eventually attain the position of Grand Knight, a good practice (but, not a requirement) is to hold all offices. This aids you in directing your officers once in the top spot.

Grand Knight: The Grand Knight is responsible for the welfare of the council. He presides over council meetings, acts as an ex-officio member of all committees, appoints a membership and programming director, convenes officers for a monthly meeting, and ensures all necessary reports are submitted to the state and Supreme Council. He should also be aware of the council's financial status and ensure that his signature appears on all checks drawn. The Grand Knight is a member of the Advisory Board with general supervision of the council's Columbian Squire circle.

Deputy Grand Knight: The Deputy Grand Knight is second in command. He assists the Grand Knight with council affairs and fulfills all duties assigned to him by the Grand Knight. Should the Grand Knight be absent from a council meeting, the Deputy Grand Knight presides. He is chairman of the council's retention committee and also a member of the Advisory Board charged with overseeing the council's sponsored Columbian Squires circle.

Chancellor: The Chancellor has a variety of responsibilities. Primarily, he assists the Grand Knight and the Deputy Grand Knight in the execution of their duties and oversees the council in both their absences. He is charged with strengthening the members' interests in council activities. The Chancellor is chairman of the admission committee and a member of the Columbian Squires circle ceremonial team.

Recorder: The Recorder is similar to a court reporter or a secretary. He is responsible for maintaining a true record of all actions of the council and its correspondence.

Treasurer: The Treasurer is responsible for the safekeeping and maintaining records of all council funds and accounts. He is responsible for depositing money into the council's accounts and provides a certificate of such monies to the Grand Knight. He is also responsible for payment of all expenses.

Advocate: The Advocate is the legal representative of the council and serves as the council's attorney at trials and investigations of any interest to the council. While he does not need to be a member of the legal profession, he should be familiar with the council by-laws, the Order's Charter, Constitution and Laws, Methods of Conducting a Council Meeting, and Robert's Rules of Order.

Warden: The Warden is the 'watchdog' for council property and degree paraphernalia, except the property of the financial secretary, treasurer and recorder. He is also responsible for setting up the council chambers for meetings and ceremonial work. During ceremonial exemplifications, he will appoint and supervise guards.

Inside/Outside Guards: The Guards have similar responsibilities, but distinct differences. The Outside Guard tends to the outer door admitting visitors and members to the inner door. Once at the inner door, the Inside Guard checks to make sure that their membership cards are current.

Board of Trustees: The Board of Trustees consists of three members elected by the council and the Grand Knight, who serves as chairman of the board. They oversee the work of the Financial Secretary and Treasurer, and with the Deputy Grand Knight serve on the council's retention committee. During council elections, only the Three-year Trustee is voted on, with the others moving on to become two and one-year trustees, respectively.

If you have any questions, please contact any of the current officers.

PRAYER BEFORE STARTING WORK

My Heavenly Father, as I enter this workplace,
I bring your presence with me.
I speak Your peace, Your grace, Your mercy,
and Your perfect order into this office.
I acknowledge Your power over all that
will be spoken, thought, decided, and done within these walls.
Lord, I thank you for the gifts You have blessed me with.
I commit to using them responsibly in Your honor.
Give me a fresh supply of strength to do my job.
Anoint my projects, ideas, and energy,
so that even my smallest accomplishment
may bring You glory.
Lord when I am confused, guide me.
When I am weary, energize me.
When I am burned out, infuse me with the light of the Holy
Spirit.
May the work that I do and the way I do it bring
Faith, joy, and a smile to all that I come in
contact with today. And oh, Lord,
when I leave this place, give me traveling grace.
Bless my family and home to be in order as I left it.
Lord thank You for everything You've done,
Everything You're doing and everything You are going to do.
In the name of Jesus I pray, with much love and

Be Proud of our Catholicism

With all of the negativity surrounding our priests in the media today, here is a pleasant change. This article was written by a Jewish business man. We Catholics could take some PR lessons from him! It was sent to us by Suzi Rodriguez, daughter of Joe Rossi, one of our former Grand Knights who is now deceased. Thanks Suzi. Your father would be proud.

“Why would newspapers carry on a vendetta on one of the most important institutions that we have today in the United States, namely the Catholic Church?

Do you know - the Catholic Church educates 2.6 million elementary and high school students everyday at the cost to that Church of 10 billion dollars, and a savings on the other hand to the American taxpayer of 18 billion dollars. The graduates go on to university studies at the rate of 92%.

The Church has 230 colleges and universities in the U.S. with an enrollment of 700,000 students.

The Catholic Church has a non-profit hospital system of 637 hospitals, which account for hospital treatment of 1 out of every 5 people - not just Catholics - in the United States today

But the press is vindictive and trying to totally denigrate in every way the Catholic Church in this country. They have blamed the disease of pedophilia on the Catholic Church, which is as irresponsible as blaming adultery on the institution of marriage.

Let me give you some figures that Catholics should know and remember. For example, 12% of the 300 Protestant clergy surveyed admitted to sexual intercourse with a parishioner; 38% acknowledged other inappropriate sexual contact in a study by

the United Methodist Church, 41.8% of clergy women reported unwanted sexual behavior; 17% of laywomen have been sexually harassed.

Meanwhile, 1.7% of the Catholic clergy has been found guilty of pedophilia. 10% of the Protestant ministers have been found guilty of pedophilia. This is not just a Catholic problem.

A study of American priests showed that most are happy in the priesthood and find it even better than they had expected, and that most, if given the choice, would choose to be priests again in face of all this obnoxious PR the church has been receiving.

The Catholic Church is bleeding from self-inflicted wounds. The agony that Catholics have felt and suffered is not necessarily the fault of the Church. You have been hurt by a small number of wayward priests that have probably been weeded out by now.

Walk with your shoulders high and your head higher. Be a proud member of the most important non-governmental entity in the United States today. Then remember what Jeremiah said: 'Stand by the roads, and look and ask for the ancient paths, where the good way is and walk in it, and find rest for your souls'. Be proud to speak up for your faith with pride and reverence and learn what your Church does for all other religions.”

May 2010

From the `Days of Devotion by Pope John XXIII

This is the Third of the series about the prayer the `Our Father`
‘GIVE US THIS DAY OUR DAILY BREAD’

This is a great problem - the provision of our daily bread, and so it has its place in the program of Christian prayer and activity.

It is the Lord that gives us our food as the reward for every man's toil. It is he who inspires the minds of innumerable people who with awakened consciences endeavor to discover the ways and means of creating prosperity, material wealth also, so that men's bodies may be strong enough to be used for good purpose, and equal to the needs, the aspirations and the splendors of the soul.

We are certainly grieved and saddened when we see the willingness of many to draw light and strength from what the church teaches us for the solution of the great problems set by economic conditions and the search for temporal well-being. When light from heaven is shut out and men's eyes are closed to the radiance of the Gospel commandments, which are the foundation of our Christian civilization, it is inevitable that the people should find themselves struggling in a vain endeavor even to improve economic conditions. These will never be able to provide true prosperity for human society, for this is to be sought in a wider interpretation of men's needs.

Next month: **“AND FORGIVE US OUR TRESPASSES ”**

Respect Life: Immigrant Dilemma

Yesterday, while talking to my son who lives in Arizona, illegal immigration came up. The governor of Arizona just signed a bill passed by the Arizona legislature allowing Arizona police and sheriffs to stop people and check ID's of people they suspect may be illegal immigrants. Before this law, they could only make this check if they stopped them for some other reason or probable cause. President Obama immediately asked the Justice Department to find a way to rescind the new law on the grounds that it could lead to racial profiling. The US Constitution states that this is a federal obligation, but Arizona says the US Government has not been doing its job so Arizona must.

My son told me there are 450,000 illegal immigrants in Arizona alone, and they are third (after California and Texas) in illegal immigration. Arizona is having a budget crisis like many states and the burden of illegal immigration is a major part of that. This hits close to home for my son as his wife teaches in a school that has many legal and illegal immigrants. The Arizona school system has to make many cutbacks due to the budget crisis and many people think illegal immigrants are overburdening the school system.

On the other hand, undocumented workers do many jobs that American workers will not do at the wages businesses are willing to pay. This conversation and the publicity about the new law reminded me of some information I got a few months ago about immigration. It is from an organization called "Justice for Immigrants", founded by USCCB and a number of other Catholic organizations.

The documents I have address some of these questions and give the Bishop's and Catholic Church's responses:

Catholic Social Teaching states that people have a right to find opportunities in their homeland, but if they cannot, they have the right to migrate to support themselves and their families. The Church also recognizes the right of sovereign nations to control their borders; however, they should afford protection to refugees and asylum seekers who fear death, harm or persecution in their home nations. Nations should respect the human rights and dignity of undocumented migrants and not abuse them or detain them in deplorable conditions while affording them due process of the law.

But they broke the law so they should not be rewarded by allowing them to stay. While the Church supports the rule of law, there are times when laws should be examined and changed. In many ways the current immigration system is broken and contributes to the abuse and exploitation of migrants. Current immigration laws are old, outdated and arbitrarily limit immigration to unrealistic numbers.

Providing legal status to undocumented immigrants penalizes immigrants who follow the rules. The US Bishops address this very real concern with a proposal that requires undocumented workers work six years before applying for permanent resident status. This moves them to "the end of the line" behind immigrants who have petitioned for a green card under current rules.

The US Bishops believe that revising immigration laws and removing many of the obstacles to immigration will solve most of our immigration problems while respecting a nation's right and obligation to secure its borders.
