Dear Brother Knights,

K of C FAMILY WEEK

K of C Family Week is August 10 - 18, 2013. Fr. McGivney started the Knights of Columbus largely for the protection of widows and orphans. Thus, families are the foundation of the order. Family week is a time for us to honor and build our family along the model set by the Holy Family. During family week we should celebrate our families. Some ways we could do this are through Spiritual, Educational, Community, Marriage and Extended Family activities. This is something we should talk about at our next meeting. Let us plan something during this week.

Please keep Sir Knight Gene Ebert in your prayers. At the time of this writing, he is still in the hospital.

We mourn the loss of SK Ed Loch. He passed away Saturday, July 20th. I would ask that we all keep him and his family in our prayers. I would also like to thank the Knights who participated as honor guard and Knights who served as pall bearers at the funeral.

As summer is winding down, we as Knights are looking forward to participating in the Labor Day parade on **September 2nd**. We will be using the Knights float is year and I think this will be a good way to promote our festival. We will have festival flyers to pass out as well. Please mark this down on your calendar as we need Knights and families to walk along with the float.

Dates to Remember:

- August 3rd:** 8:30am Rosary with meeting to follow
- August 4th:** 9:30am *(please wear your Knight's shirt at whichever Mass you attend)*
- August 14th:** 7:30pm - Monthly *(We will be having induction of officers by our Deputy Director)*
- August 28th:** (possible 1st Degree Ceremony)

God Bless you and your family.

Take Up His Cross,

George Schneider

Grand Knight

UPDATE:

The Grand Knight has moved the Officers meeting scheduled for August 3rd to the 10th, this was due to the fact that many members will be absent this weekend.

Business Meeting Notes - July 10, 2013

The meeting began with a presentation by Ms. Aimee Logsdon on her activities with St. Paul's Outreach - Catholic Faith Alive on Campus. As you may or may not know, Aimee grew up in Pickerington and was an integral member of our SPY group. She graduated from Bowling Green University with a degree in Childhood Education and is certified to teach Kindergarten - 3rd grade.

However, experiences during her college career and living arrangements (with a group of other faith-minded individuals) led her down a more spiritual path. Aimee intends to become a missionary on college campuses this year...and perhaps beyond...to bring other youth into a life of faith and Catholicism. She will spend time in this endeavor at Olaf College, the University of Minnesota and St. Thomas College.

At a time when fewer and fewer of our youth are following our religion...what pursuit do we need more? We are sure very few more motivated and driven individuals could be found to undertake such a task.

Aimee seeks assistance with this pursuit in prayer and monetary support. All money donated will go directly towards her housing, food, and gas costs for the year and that of the members of the homes she will support. (I hope I got that last part right, Aimee).

Please look under New Business to see a Council motion directed towards this. If anyone feels moved to support Aimee's noble and blessed pursuit on their own, please contact her at aimee.logsdon@spoweb.org.

Aimee thanked us for all we do for the Church and our youth already and departed.

The regular business meeting was then called to order at 7:45 by Grand Knight George Schneider

Roll Call of Officers: All officers were in attendance with the exception of our Warden, who is excused and in our prayers and our Chancellor, who has the same.

The minutes of the last meeting were motioned for approval by Tim Bowie, seconded by Wayne Patterson, voted on and passed.

Chaplain's Report: Deacon Hector then spoke on the recent decisions of the Supreme Court and asked us "What type of Catholic are you? One who is impacted by the decisions...or one who will make an impact?" He then read parts of an article by Melinda Selmys (sp) from "Our Sunday Visitor" which prompts us to show our families that we are strong in our faith and beliefs. We should try to show this faith through love...and not hate.

Membership Committee Report: Mike Sillings needs to step down as Chancellor. We thank you so much for your efforts last year as membership director, Mike! We have 3 men ready for the First Degree and will run a ceremony...hopefully in August. Our July effort fell short with vacations and all.

Grand Knight's Report: G.K. George Schneider then began with a list of important items.

Our Grand Knight (one term two we might thankfully add) spoke of our need to move forward on our Council's 20 Year Anniversary. Go us!! The celebration is intended to coincide with...Columbus Day! Put it on your calendars and look for future information.

The Grand Knight then strongly encouraged all to become involved in the Pickerington Labor Day Parade! Our council will march...and will have a float for riders! Line up is at Pickerington Central on 9/2 at 9:30AM. Wear your Knights shirt. Wear your tux if you want to march and carry our banner! Bring the family! This can be a tremendous way to show our involvement in community and push our council membership!

Treasurer Report: Brother Mike Phillips shared our bank account totals and we are financially sound. Our federal taxes were returned and the audit is almost complete. The treasurer has been busy.

Financial Secretary Report: Brother Frank Hare read bills and then reported that our membership now stands at 162 Associate, 70 Insurance and 15 Inactive. 247 total.

The bills which were read were motioned to be sent to the trustees for payment by Wayne Patterson, seconded by Frank Piper, voted and passed along.

Report of the Trustees: No report...they were busy investigating the bills.

Chancellor's Report: No Report.

Report on Programs and Committees:

Program Director: Brother Petersen is ready to go and will be attending the State Tour (with others) this weekend at the Hilton at Easton. The program focus for this fiscal year will be gained here!

Membership: See our earlier comments.

Church Director: In new business we will be motioning to purchase six new chalices for use in the PAC and elsewhere! More later. Stay tuned and no reading ahead!

Community Director: Brother Laughery reported that we will be involved in the Pickerington Labor Day Parade as mentioned earlier by our G.K.

He then went on to mention the Seton Festival is coming soon and help will be needed in the Food Tent. We will also have the Food Trailer from Council 5253 there for our use. Hopefully, we will be able to have a table available to hand out Form 100's and boost our membership!

Council Director: Brother Glavan again reminded everyone of the Assembly (and Council) social event being held the 4th Wednesday of each month...at 9:00AM in the morning at Bob Evans. Come if you can, but remember that everyone pays for their own breakfast! So, stop by. It might be nice to bring a brother Knight with you...especially if they have not been involved in a while. And for these events...wives are encouraged to attend as well. Treat those beautiful ladies to the breakfast they deserve rather than having them stay at home darning your smelly socks.

Family Director: Brother Ryan Anderson was thinking of a Family Movie Night for our parish. We may explore more, but will have to get copyright permissions or only show movies already in the public domain...whatever the heck that means. It was discussed that it is actually expensive to do this! Doggone greedy movie makers. More later.

Youth Director: Brother Garcia touted that the beginning of the SPY year. He politely asked for chaperones for the Leadership and Confirmation Retreats this year. Think about it and contact him if you are so moved. They are reportedly tremendous events! And...the summer car washes are in full swing at Sunday Masses.

Right to Life Director: There was no report...but keep praying for Right to Life issues!

Squires Report: Brother Mike Phillips reported about the Squires and them all attending a Clipper's Game! They will also be involved...hopefully...in the Labor Day Parade. They attended the State Convention and were named Circle of the Year! Go guys!! And finally...they have set in stone the dates of next year's highly anticipated Dodge Ball Tournament. The dates are February 1st and 2nd. Be ready to assist when asked! These young men deserve our help!

Festival Food: As a reminder from last month, Brother Frank Hare said planning is already underway for festival food and encourages anyone wishing involvement to give him a call.

Unfinished Business: None.

New Business: Lots: Thom Laughery motioned that we spend up to \$XXX to pay for flyers to be passed out at the Picktown Labor Day Parade promoting the Seton Festival. The motion was seconded by Wayne Patterson, discussed, voted upon and passed.

Brother Harry Clyburn then motioned for us to donate \$XXX (\$XX per month) to support Aimee Logsdon and the St. Paul Outreach program of which she is involved. This was seconded by Tim Bowie. It will be voted on next month. Still to be determined is which, or how many budget buckets, this will be drawn from if approved. Come share your opinion and vote.

Report of the Fourth Degree: No report.

Field Agent Report: No report this month.

District Deputy Report: Still looking for our new D.D. name.

Brothers in Need: Please keep in your prayers Maureen Patterson, Margie Patterson, Jim Patterson, Jeff Samborsky, Lucille Joos, Scott Mucha, Ed Loch (now deceased), Tim Hickey, Ron Blymire Sr., Gene Ebert, Ellie McKenzie (suffering from strep, pneumonia and had one lung removed), Lucretia Garcia, Mike Sillings, Bob McNicol, our military and as always our priests and clergy.

Lecturer report: Brother Bud Joos then simply stated his intent to now support the long standing Women's Liberation Group. After watching our jaws drop, Bud explained why. He said the motto of the group has always been "This is my body and I can do with it what I want!" Bud then reminded all that a baby is a body immediately after conception. So...logically that body is the baby's to do with what it wants. Abortion would not be the choice...I'm thinking.

The meeting closed at 9:46PM.

Knights of Columbus
IN SERVICE TO ONE, IN SERVICE TO ALL

IT'S A PARADE!!!!

Brother Knights,

On the Fourth of July, I had the privilege to participate in the Reynoldsburg holiday parade. I walked with the Knights from the St. Pius Council and accompanied the Knights of Columbus float. It struck me that if they can do this for their community, it was time for us to share our message with our parish and Pickerington.

We have the approval of the Pickerington Labor Day Parade Committee to place the float in the middle of the parade! What we will need is a Fourth Degree Honor Guard to lead us, two Knights to carry our council banner and eight guys to ride on the float, which is a replica of a Christopher Columbus ship. We also will need guys to walk along side passing out small US flags and flyers promoting the Seton Parish Festival. I have invited the Squires to march with us to pass out Tootsie Roll's and to promote their group any way they want.

I would ask all volunteers to wear tan pants and a Knight's shirt. Also wear comfortable shoes! I will supply Knight's aprons as well. If we could get 20-25 men for this first of kind event we could showcase the largest church in Pickerington and our award winning Council. On Monday September 2nd, the parade will line up at Central HS on Opportunity Way near the library. The float must arrive there at 8:30 a.m. for positioning and touch-up, judging is at 9:30 and we step off at 10 a.m. sharp. Please call and reserve a spot or just show up - strength in numbers! Make sure to invite your family to sit along the parade route to cheer us on. My number is (614) 397-0997 or by email at ttleblsel@msn.com.

Seton Festival and a Food Wagon

Once again the Seton Festival is upon us, September 6- 8. New this year we will have the use of the Knights of Columbus food wagon on loan to us by the St. Pius Council 5253. This will give us the opportunity to serve a limited sandwich menu during the festival. Ideally the wagon will be positioned adjacent to the food operation near the shelter. Currently, I anticipate the wagon staffing requirement to be three people per shift; with seven shifts over the weekend. We need 25-30 volunteers to serve pulled-pork sandwiches, Italian sausage, Brats, and Hot Dogs; and to help on the grill at the shelter.

Please contact me directly to sign-up for working the wagon as this will **not** be on the Festival sign-up boards as it is for Knights only. My number is (614) 397-0997 or by email at ttleblsel@msn.com.

Respect Life: Right to Life News

This month I thought I would review some of the progress the Pro-Life movement has made.

First, the PDHC clinic in Pickerington will be opening August 2. This is great news! It will offer women and girls a pro-life alternative to abortion Drs. Samuel's clinic. I visited the new PDHC clinic last week and helped them set up their office. It is a really nice facility that will offer a clean, pleasant environment for women seeking help with their pregnancies. It is conveniently located in old Pickerington at 49 Hill Rd. Volunteers are needed to help get the clinic up and running as well as to keep it going. Contact PDHC or me to find out about volunteer opportunities.

Most of you probably heard about the Kermit Gosnell trial in Pennsylvania - he ran a disgusting mill in Philadelphia that performed late term abortions in a predominately black section of town. The mainstream media ignored the story until they were forced to cover it by a huge swell of internet, talk radio, and pro-life bloggers flooding the airways with outrage about the conditions at this mess of a clinic. Even then the mainstream media and pro-choicers tried to make excuses for Gosnell until the horrific conditions in his clinic and the brutal nature of his actions made them separate themselves from Gosnell. His guilty plea (to avoid the death penalty) was a big victory for Life.

Ohio is one of the strongest pro-life states, as shown by the following five life-saving amendments that were included in the Ohio 2013-2014 budget passed by the House and signed by Governor Kasich:

Defund Planned Parenthood: directs taxpayer dollars away from abortion providers and towards non-abortion health centers.

Pregnancy Parenting and Support Act: provides funding for agencies that offer alternates to abortion.

Ban on Public Hospital transfer agreements with abortion clinics: insures that tax dollars are not used for abortions through agreements with public hospitals.

Strengthening of abortion clinic regulations: ensures that abortion clinics are held accountable for standards of cleanliness.

Informed Consent: requires that abortion providers make the heartbeat of an unborn child visible and audible to its mother.

The ban on transfer agreements has already had one positive result: the only abortion clinic in Toledo has announced that they are closing because they cannot get a transfer agreement. Is it not great to live in a Pro-Life state?

Outside Ohio, progress is also being made:

Wichita, KS: notorious abortionist George Tiller was put out of business and his grisly late-term abortions are now illegal in Kansas.

College Station, TX: One of Planned Parenthood's premiere abortion facilities has announced that they are closing. This is the same clinic where pro-Life advocate Abby Johnson was director before she converted to the Pro-Life side.

Austin, TX: blue shirted Pro-Lifers sang "Amazing Grace" while orange shirted pro-choicers showed their true colors by chanting "Hail Satan". The Texas legislature passed and the

governor signed pro-Life legislation anyway.

Several states are considering legislation banning abortions after the unborn baby feels pain - usually 18-20 weeks.

As you can see, while abortion is still legal and we have a long way to go, we are making progress. We also have the knowledge that we will win in the end - God has promised it and the pro-choice people are making it happen by killing their own babies while pro-Lifers continue having babies.

We still need help from EVERY Knight in our Council and Assembly! Please choose one hour to pray at the Hill Road clinic. If you can come every week, wonderful. If you can only come every other week or even once a month, we still need you. You don't have to talk to anyone - just pray for the aborted children, their mothers, and the doctors and staff of the clinic. We pray at the clinic during these times:

Monday: 2:30-4:30pm (several churches cover, Seton welcome)

Tuesday: 2:30-6:00pm (Seton covers Tuesday)

Saturday: 10:00-12:00 noon (for public awareness)

Park on McLeod Park or in the Winfree, Ruff parking lot, Woody Winfree has graciously offered the use of their restrooms if needed.

Until then, thank you for your Respect Life efforts and PLEASE come pray at the clinic with us.
