Dear Brother Knights,

A Time for Thanksgiving

We all have things to be thankful for. There are times when life gets hectic and we get stressed and we sometimes forget about all of our blessings. As we enter the month of November, let us reflect back on the Fall Festival. For the Knights who came and helped make this evening an evening of fun, friendship and family, I am truly thankful. It was a joy to see all the kids enjoying carving their pumpkins and waiting for the judging. The food was great as usual. Thank you, thank you, thank you to the chef's who always make the meal a centerpiece of all the Knights events. Having Father attend this festival, smiling and having a good time with all made the evening very special. So again, let us take time this month to give thanks.

Council 11187 20th Anniversary Celebration: Even though we did not have our dinner reception, I would like to thank the Knights who came to the 5pm Mass and then a small dinner get-together at Scali's.

Dates to Remember:

First Saturday, November 2nd - 8:30am Rosary with meeting to follow (All Knights are invited to attend)

First Sunday Mass November 3rd - 9:30am (*please wear your Knight's shirt at whichever Mass you attend*)

Wednesday, November 13th - 7:30pm - Monthly Meeting

No First Degree this month because of Thanksgiving, November 28th.

I would like to take this opportunity to wish you and your family a very Happy Thanksgiving.

God Bless you and your family.

Take Up His Cross,

George Schneider

Business Meeting Notes - October 9, 2013

The meeting was called to order at 7:31 by Grand Knight George Schneider. Missed by one minute!

Roll Call of Officers:

All officers were in attendance with the exception of our Chaplain, Advocate, Inner Guard, 2 Year Trustee, 3 Year Trustee and Lecturer.

The minutes of the last meeting were motioned for approval by Dick Petersen/Edd Chinnock, seconded by Mike Sillings, voted on and passed.

Chaplain's Report: Deacon Hector spoke in place of Father Klima and spoke on a Bible Study group and the their amazing stories and reminded us that "God has given us EVERYTHING". He also showed us a vial of water from the Jordan River which he brought back with him from his trip to Israel...where all in attendance renewed their Baptismal promises. He challenged us all to be spokesmen of these promises!

Membership Committee Report: There were no new forms to be reviewed. We will still try to have a First Degree Ceremony this month on 10/23 with some candidates we have waiting.

Grand Knight's Report: G.K. George Schneider then began with a list of important items.

Our Grand Knight displayed the new, color poster from Supreme about what the Knights are all about. We will have it enlarged and actually printed out on a color printer (it does not look as nearly cool in black and white) and have it available for our Ministry Marketplace table.

The Grand Knight then mentioned our third place finish for our float in the Pickerington Labor Day Parade and our large award of \$45 to be added to the coffers.

Brother Schneider again encouraged us all to be involved with the Fall Family Festival coming on September 26th. Please help...especially at clean up time!!

GK George then despondently notified us all of the cancelation of the 20 Year Anniversary celebration. We did just NOT have enough responses to warrant the cost of the event. We will still try to tie some celebration in with the Wives Appreciation Dinner. Is it okay if we share recognition and still spoil you on that date ladies?

Treasurer Report: Brother Mike Phillips shared our bank account totals and we are financially sound. He mentioned magnet sales are booming and we may need to order more.

Financial Secretary Report: Brother Frank Hare read our bills and informed us that of a transfer out and a transfer in...and no net change in membership.

Brother Frank then took a moment to update all on the Festival Final stats and happily announced that profits were up! He then made mention of those who greatly helped in the many areas of the festival which Knights control. These included Mike Phillips and the Squires and their success with the Drink Bottle sales; Mike White and friends with the running of the "refreshments" area; Mike Sergio and Mike Croyle for the Monte Carlo; and Thom Laughery, Dick Petersen, John Letourneau and himself (we had to remind him about that) for their tremendous efforts with the Food! And of course, MANY Knights were involved in each of these

activities as well. We know Father appreciates our efforts.

Next as a brief aside...Jerry Lowery was thanked for all of the leadership and service he has provided with our Council, Assembly and almost every Knight of Columbus event occurring in Central Ohio over the past. Jerry is leaving us for the warmer climate of Williston, Florida. Jerry blamed all of his success and involvement on Lee Brock and challenged us to step up in his absence and become more involved in the community with our activities. We'll make you proud, Jerry!

The bills were motioned to be sent to the trustees for payment by Mike Croyle, seconded by Deacon Hector, voted on and passed along for payment.

Report of the Trustees: No report.

Chancellor's Report: No Report.

Report on Programs and Committees:

Program Director: Brother Dick Petersen reported that our programs were being submitted and then asked us all to spread the word and get other brother Knights involved with our events...especially any you have sponsored. Challenge them to pick **one** event and give four hours to assist. Beg them to assist with the clean up areas as well ... that is always where we seem to be lacking. Ask and they shall come!

Membership: No report.

And just as another side...you can login to KofCColumbus.org and the State website to see what other councils are up to.

Church Director: No report...our Director was cruisin' the Disney ships with his grandkids and more. You just know her was helping run the ship and probably dressed up as Mickey or Donald to give the regular staff a break.

Community Director: Brother Thom Laughery reminded us all of the first Pancake Breakfast coming up on November 10th. Get ready for a flipping good time!

He then proposed two different motions which were:

MOTION - The Council will spend up to \$XXX to purchase any remaining coats, hats and gloves for our Coat Drive. This was seconded by Ryan Anderson, discussed, voted upon and passed.

MOTION - For Veteran's Day we will donate \$XXX to the Assembly for use in their support of the vets. This was seconded by Jerry Lowery, discussed, voted upon and passed.

Brother Laughery the asked that we put the Blue Coat dinner (April), the Measure Up Campaign (May), and the possibility of us marching in the 4th of July Parade in Reynoldsburg on our calendars.

Council Director: Brother Williams sadly mentioned the cancellation of the 20th Anniversary celebration. He again announced our hopes to still celebrate in conjunction with the Wives Appreciation Dinner in February. Stay tuned. He hoped that many would still be able to attend the Mass on the 19th as Father would still provide a blessing.

A discussion was conducted on our need to reach out and try to get more brothers involved. They need asked...and they need to feel wanted. Other ideas were for "Snail Mail" for the newsletter as some of our elderly members may not feel comfortable with electronic devices; pairing up with a Brother; and perhaps a one page insert in the bulletin.

Brother Glavan again reminded all of the 4th Wednesday of the month morning Breakfast Club at Bob Evans on Hill road. Breakfast begins at 9:15. Stop by if you are free!

Family Director: Ryan Anderson had no report except to say that he and his lovely bride are **expecting** in March! Way to take that Family Director responsibility to heart and best of luck with a safe pregnancy and blessed delivery!

Youth Director: Brother Garcia turned the floor over to Brother Gene Ebert (looking stronger every day) who discussed our scholarship program and that applications were now being accepted. All apps need in by April 1st. There are two scholarships...one for students in the 4th through 8th grades and one for High School students. Remember, they have to be a child or grandchild of a Knight to qualify.

Right to Life Director: No report.

Squires Report: Brother Mike Phillips again mentioned the success of the Squires at the Festival and that some Squires may attend a Leadership Retreat on October 19 and 20.

Unfinished Business:

MOTION: We spend \$XXX for our SPY students to attend the Right to life March in January. This was published last month, discussed this month, voted upon and passed.

Football Frenzy tickets need turned in!

New Business:

We are having the Ministry Market Place on November 2nd and 3rd. Please offer to man our table and help recruit new Knights!

We are still going to attempt to have a First Degree Ceremony on October 23rd. Come on out. Remember what we stand for as Knights!

Report of the Fourth Degree:

The next Assembly Meeting is an Oktoberfest celebration and all Knights are welcome to come break bread with us.

Assembly 2900 is also selling raffles tickets for a chance to win \$1000. The good news is that only 200 tickets are being sold! The odds are great! See any 4th Degree Member for a ticket. They are going hotcakes!

Field Agent Report: No report!

District Deputy Report: Joe Digman then spoke to us for the first time! He gave us kudos for our involvement in the Festival. He then offered a sympathetic shoulder in regards to participation in events by saying we are not alone and this problem plagues most councils. He suggested a rebirth of the phone tree as a possible solution. He also encouraged a Membership Push and to get members involved immediately!

This spurred more ideas from pot lucks to forming a committee, to a find a person tree. The Officers will discuss all options at the

next First Saturday Meeting and all interested are invited to attend. Remember ... that meeting is no longer **just** for Officers.

Brothers in Need: Please keep in your prayers Maureen Patterson, Jim and Margie Patterson, the Sillings family, Jeff Samborsky, Lucretia Garcia, Angela Garcia, Scott Mucha, Tim Hickey, Ron Blymire Sr., Gene Ebert, Harry Clyburn, Arielle Lucius, Ryan Schneider, Frank Sanderell, Bud Joos, Jeff Wagner, Alexis Shuman, the Harrington family, the Helberthausen family, Lorraine Sharon-Rossi, our military and as always...our priests and clergy.

Lecturer report: No report ... we miss you, Bud.

The meeting closed at 9:10PM.

Respectfully submitted by

Mike Croyle

Raising Funds for Life:

God has given me the health and strength to be able to have run the Columbus Marathon on Sunday, October 20th with a time of 4 hours and 7 minutes. This was my 47th marathon overall.

As many of you know, I am a strong advocate for the Pro-Life cause. Pro-Life activities are very close to my heart and I ran my 2nd marathon in support of life, from conception to natural death.

The month of October is dedicated as the month where we especially acknowledge that all life is precious and comes from God. As the 41st anniversary of Roe v. Wade and the annual March for Life approaches, I decided to help raise funds again this year for the Pregnancy Decision Health Center (PDHC), My goal this year is to raise \$2,620 for the charity "Momentum."

I am still accepting donations toward this goal. You can find me online at www.gomogo.org (find runner "Hector Raymond.") or send gifts to Pregnancy Decision Health Center (PDHC), 665 E. Dublin Granville Rd. Suite 120, Columbus, OH 43229 with memo with my name as runner. You can also make checks out to me and I will apply them on line in your name. All proceeds will be given to PDHC in Columbus.

Update: To date, I have raised \$751.30. I still have to raise \$1,868.70. All donations are tax deductible. Just a note, as many of you know, the Samuel's clinic has moved down the street from Seton Parish and is now operational. The PDHC is one of many ways you can help give our young mothers a choice. Many of them feel that they have no choice. Clinics like the Samuel's clinic give them only one choice, abortion. PDHC gives them the gift of a choice for life. Thank you in advance for your generosity.

Respect Life: Abortion Rate Update

Early in October the Ohio Department of Health released the **2012 Ohio Abortion Report** (it takes almost a year to compile the figures). After the historic 12 percent drop in abortions in 2011, abortions in 2012 remained near the lowest levels ever, even with a slight rise in from 2011. The 25,473 abortions is the second lowest level since 1976.

The 2012 report also reveals a:

5.3 percent overall increase within the African American community.

1.7 percent overall decrease within the white community.

30 percent decrease in abortions after 19 weeks gestation.

Decrease in teen abortions and increases in age groups older than 20.

Increases in major metropolitan areas of Cuyahoga, Franklin, Hamilton counties.

Mike Gonidakis, President of Ohio Right to Life had this to say: "As the first African American president, Barack Obama acted with complete irresponsibility and dangerous disregard by campaigning for and bringing business to an organization that has historically targeted minority communities. The results speak for themselves: abortions among whites went down while abortions among African Americans increased."

On another note, my wife and I just returned from a wonderful trip to South Korea and Thailand. My Air Force son is stationed in Korea and we went to see him and his family. While there, we also went to Thailand with them for a family vacation. Both countries are beautiful with warm, friendly people. Both countries are about 95% Buddhist, which frowns on killing any living thing. So it is no surprise that abortion is illegal in both countries, except for rape, incest, if a mother's life is in danger, or for severe fetal abnormalities. What is a surprise is that both countries have among the highest abortion rates in Asia. Apparently, their governments are not enforcing anti-abortion laws very well, though some Pro-Life doctors are challenging that.

Human trafficking is a problem in both countries, especially Thailand, which has some of the highest rates in the world. South Korea is a modern country with bustling cities and a high standard of living, but Thailand is much poorer. Even though women are making progress in Thailand - their Prime Minister is a woman - the desire for male offspring and the low regard for girl children leads some families to sell girl children to get money to survive. Once sold, the life of these girls is harsh and cruel with little option to ever escape it. We need to pray for these unfortunate girls while we work to stop human trafficking wherever it occurs.

Finally, the bus trip to DC is not too far away. The SPY leadership team is generating enthusiasm for the trip and expects to have a lot of response. The Mount Carmel of Buckeye Lake youth group is doing the same. If they achieve their expected results, we will only have a few seats available on the bus for other adult riders, **so if you are interested in going on this great trip with us, please let me know ASAP.** The cost this year is \$170/person, based on

staying two to a room. The cost includes the bus trip, hotel, and breakfast at the hotel.

Please come join us in prayer at the sidewalk in front of the Complete Women's Health Care clinic on Mondays and Tuesdays from 3 to 5pm and Saturdays from 10 to noon. We need to let Dr. Samuel know we do not want them in Pickerington!

PCMA Food Pantry Assistance

Our Seton Council has been asked to assist the PCMA Food Pantry of Pickerington by Gessica Peraza, Director of Operations. Help is needed to provide needy families in the PSLD school district with their Thanksgiving meal. We are being asked to provide Thanksgiving baskets consisting of a turkey, fresh white potatoes, gravy, stuffing mix, sweet potatoes, corn, green beans, cranberry sauce and cookies. At the November 13th business meeting a motion will be made for financial assistance to fund our participation. Anyone willing to assist with shopping or putting these boxes together for November 23rd delivery please contact me.

Brother Knight Rick Schlachter brought to our attention that Supreme reimburses councils through their "Help Set the Table for Those in Need" program. The Supreme Council will refund \$100 for every \$500 or 500 pounds of food donated. The maximum refund will be \$500 per council per fraternal year. With your assistance we'll take advantage of this program.

Please send me any new cell phone numbers that can receive text messages, and we will add you to the phone blast list. Also, if your email has changed, please feel free to send it to my address at any time. I am sending this message both electronically and through snail mail just to make sure everyone is on the same page. Thank you for your understanding, and I hope you have a great week!

Fall Festival and Coat Drive

THANK YOU - THANK YOU - THANK YOU to all the Knights who showed up to help for the Family Fall Festival and St. Vincent School Coat Drive.

The participation of 15 Knights and 6 squires and 6 ladies for the Fall Festival made this event spectacular and helped to ease the work load. At the fall festival we had a lighter turn out than last year (Buckeye night games really hurt), but we had probably the best show of carved pumpkins so far. Approximately 65 pumpkins were carved and we'll be getting some pictures out soon. For those of you who missed this event, you really passed up an excellent dinner of bean soup and hamburgers and hot dogs. In addition, the illustrious chef Frank Hare turned out some fabulous desserts of pumpkin dump cake and frosted brownies. The left-over food made it to the Refugee Rd. Fire Dept. crew very happy. The bon fire and hay ride were a hit again this year as well thanks to Wayne Patterson.

The Coat Drive was also a great success. The parish covered all 185 coats and 185 sets of hats and gloves. The kids at St. Vincent school will be glad to get these much needed winter wear. Tom and Ellen Laughery and Mike Croyle stepped up to help pick-up and sort the items. A special thanks again to Rose Drignat whose excellent organization made the process of getting these coat slips out and matching their return flow with ease. Also to Joie Petersen who made sure her procrastinating husband stayed on top of the process.

Major Change to Council Operations

The Council is working to streamline its operations and reduce the actual time spent at the Business meeting each month. Meeting length has been one of the issues that keeps our members away.

So effective December 7, 2013 we will be back to the first Saturday of the month being an Officers meeting. It is still an open meeting, but participation by the general membership will be limited to observation.

In order to reduce the business meeting times the following procedure will be followed:

1. Should any member wish to have the Council participate in a project, they will be required to talk to the Grand Knight and be placed on the agenda for the next Officers meeting. This requires you to present your idea/project at the Officers meeting.

(This will be required whether or not an expenditure of funds is required.)

Prior to the Officers meeting, you need to talk to the committee chair in order to:

- a. Make sure they are on board with your request
 - b. They have the funds available (if required)
2. At the next Officers meeting the presentation will be made to the officers and once given and all presentations are made, the Officers will go into an "executive session" and only Officers will attend, everyone else will be excused. You will be notified prior to the Business meeting if you can submit your proposal to the Council.
 3. During the business meeting, if you present a motion for expenditure or want the Council to participate in an activity it will be tabled until you have met with the Officers. Exception to this will be requests directly from the Pastor of St. Elizabeth Ann Seton Parish.

Saluting our Veterans

November 11, 2010 is Veterans day. What is Veterans day?

“**Veterans Day** is an American holiday honoring military veterans. Both a federal holiday and a state holiday in all states, it's always celebrated on November 11th each year. It is also celebrated as Armistice Day or Remembrance Day in other parts of the world, falling on November 11, the anniversary of the signing of the Armistice that ended World War I. (Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918 with the German signing of the Armistice.)”

In 1954 the Holiday was changed from Armistice Day to Veterans Day to honor American Veterans of all wars.

The difference between Veterans Day and Memorial Day

Memorial Day honors service members who died in service to their country or as a result of injuries incurred during battle. Deceased veterans are also remembered on Veterans Day but the day is set aside to thank and honor living veterans who served honorably in the military - in wartime or peacetime.

Also did you know that the holiday is commonly printed as *Veteran's Day* or *Veterans' Day* in calendars and advertisements. While these spellings are grammatically acceptable, the United States government has declared that the attributive (no apostrophe) rather than the possessive case is the official spelling.

We are privileged to have veterans as members of our council. The next time you see one of them, thank them for their service. Without them and the sacrifices they made, we would not live in the greatest country in the world.
