Happy Birthday America!!!

1 July 2014
Volume 21
Issue 09

Dear Brother Knights,

First of all I would like to extend my deepest gratitude and sincerest thanks for selecting me as the Grand Knight of St. Elizabeth Ann Seton Council 11187, I am both humbled and honored to lead this fine group of Brother Knights in Service to our Lord, our Church and our Community for the next year. As you know, I take very seriously the founding principles of our order: Fraternity, Unity, Charity and Patriotism, I will strive to uphold those values as our immediate Past Grand Knight, George Schneider, has so aptly accomplished over the last two years. I have two primary goals for our council to achieve over the next year.

The First is to increase participation, we have a membership enrollment of 242 members, which is a small army of brother Knights to support our brothers, our families, our church, that is what we are called to do, to step up and make a difference, that is what Father McGiveny intended. With the Knights, as with most organizations within the Church there is a core group that does most of the work, the old 80/20 rule, 20% of the members do 80% of the work, I would like to increase that core group to 242, and I believe we can begin to effect that change by simply inviting a brother who has not participated in a while, to participate, we all know a brother Knight like that, simply reach out to them, invite them to a meeting or an event, regardless of what their experience in the past may have been, things have changed, ask them to come with you and see for themselves. Let's cast the net out brothers Knights, and bring them back.

The second is to be Authentic, one thing I have learned over the last few years working with the youth of our parish, is they look up to us, they know who the Knights are, and they are learning what we do. Both inside the church and outside the church, there is a huge responsibility that comes with being a Knight of Columbus, not only what the youth perceive, but what the entire Parish Community perceives and what the Pickerington Community perceives. We have our hands in a lot of different ministries, many of us wear several hats, and many of us are highly visible in the community, so we need to be Authentic all the time, not simply when we have on our Knights shirts, once a Knight, always a Knight. I think we do a good job of that now, I think we can improve and we will.

I am looking forward to a great year and working with all of my Brother Knights, Thanks again for the opportunity!

Glen Williams

Business Meeting Notes - June 11, 2014

We convened at 7:00, but not with the official start of Council proceedings. Glen Williams had the pleasure of awarding our "Of the Year" awards.

The categories and their winners were:

Family of the Year Thom and Ellen Laughery
Woman of the Year Diane Hare
Youth of the Year Zach Goodchild
Volunteer of the Year Mike Phillips
Clergy of the Year Deacon Joseph Checca
Knight of the Year Bud Joos

Brother Glen read the glowing nominations and lists of activities for all of these impressive people. Awards were then presented and photos were taken. The recipients were given the opportunity to say a few words and all were just as impressive in that task. After rounds of applause in appreciation from our Council, some of the recipients were sent happily on their way and the regular meeting was called to order at 7:37 (for the last time, I may add) by soon-to-be Past Grand Knight George Schneider.

Roll Call of Officers:

All were present with the exception of our Inside Guard.

The minutes of the last meeting were motioned for approval by Edd Chinnock, seconded by Jared Long, voted on and passed.

Chaplain's Report: There was no report at this time.

Membership and Reading of Applications:

Brother Mike Sillings expressed delight of having three new members. He announced that we have five other gentlemen seeking the honor of the First Degree and they will be given that opportunity on July 30th. Brother Sillings also mentioned we have one person seeking readmission and this will be done. Brother Tony Cox was in attendance as a new member and a new Catholic as of Easter!

Grand Knight's Report: Brother Knight George Schneider listed the following important items for our consideration:

He reminded us of our first Knight Cruise-In Car Show to be held on Friday. The "goodie bags" are stuffed, the sign is out, advertisements are out, and all is in readiness. Please be prepared to attend and help out! Brothers Frank Hare and Rick Krigbaum were also lauded for their efforts in creating and providing the signs for the event. (*Recorders note: The show was an awesome first time! Look for details in next month's newsletter...especially the granting of permission by Father Klima himself...for the allowance of the drivers to exit the show at the end with smoking tire burnouts to the applause and cheers of all.*)

Brother George again announced our addition of three new Knights into our Council. We took these gentlemen to Gahanna for the First Degree and will hold our next one in July.

Our still Grand Knight then stated the return of a check to our Council from the State Convention as our ad did not make it in to the booklet in time. He also proudly announced our District 5 awards of Family of the Year (which went the Laughery's), Squires activity of the year (for their superb help with our Fish fry events), the best Right to Life award for our Washington D.C. Trip, and the best newsletter in our District! Go us!

Our G.K. then concluded with communications from Deacon Hector ... thanking us for his dinner at the Clergy Appreciation Event. Father Klima also sent his thanks for the invite to the event that he unfortunately could not attend this year.

Treasurer Report: Brother Mike Phillips read the numbers and stated our situation is more than sound. A question was raised by Brother Clyburn suggesting some of this money may be better placed in a CD for safety and income. After discussion, the money was decided to remain in the current checking account as it will fund all of our activities for next year.

Financial Secretary Report: Brother Frank Hare then read a l-o-n-g list of bills. He then declared out Membership at 258 strong a few of those in process. Officers will discuss termination of eight members still with outstanding dues. The bills were motioned to be sent to the trustees for review and initialing, voted upon, passed, and then delivered and paid.

Report of the Trustees: The Trustees announced the Tour Meeting outlining next year's programs to be held on July 20th at Hilton Easton. It was determined that Glen Williams, Frank Hare, Mike Sillings and Dick Petersen would attend. The Trustees continued with a reminder that a new budget meeting needs set to establish guidelines for next year and that the Installation of Officers needs scheduled as well. The three trustees then concluded with a reminder that the next Chapter Meeting is to be held on July 10th. Those wishing to car pool and attend can meet at Seton at 6:30PM.

Chancellor's Report: No Report.

Recorders Report: No Report.

Report on Programs and Committees:

Membership Committee Report: Brother Mike Sillings announced that we will have eight new members to go through the First Degree and hope to get them to Gahanna for their next ceremony. Our crew will not be able to run a degree in May as several of the team is not available.

Program Director: All reports are IN for the year...and so we begin again.

Church Director: Brother Wayne Patterson thanked all fourth degree members for standing in at the First Communions and the Confirmation Ceremony with the Bishop...that included swords! Woohoo. He next proudly notified us that the chalices were in and would be blessed at the 5:30 pm Corpus Christi Mass. Father will be happy.

Community Director: Brother Thom Laughery reminded us that we will be marching in the Labor Day Parade this year again. He also brought up the fact that the Festival is fast approaching and the Knights will have the Food Truck on hand and that he hopes to man it with **only** Knights. Brother Hare added that we are also in need of that "Army of Cooks" to prepare as well. Those Knights ... they sure do take an active part in our Church.

Knights of Columbus
IN SERVICE TO ONE, IN SERVICE TO ALL

Business meeting minutes (Continued on page 3)

Council Director: Brother Glen Williams welcomed our new Knights and challenged all to reach out and seek more members! He encouraged all to attend the next degree ceremony on July 30th. He again thanks all for assistance at the Blue Coat dinner ...but, mentioned again that we need more HELP in attendance at that event. He finally reminded all to attend the Squires Softball Game challenge coming soon. (This event was unfortunately cancelled due to the weather...it was quite curious that many Knights showed up despite the inclement weather and the Squires were the only ones directly notified of the late cancellation! Hmmm. We may have been taken on that one, but the event will be rescheduled.

Family Director: Brother Ryan Anderson reported on the baptism of his new baby and thanked all for their help while he has been distracted. Those new, little ones have been known to do that. He also suggested that new Knights be paired up with old Knights (hey, I take offense there!) to mentor them and encourage their participation and involvement in events.

Youth Director: Brother Jesse Garcia declared Car Washes to be the next big thing for the youth...to add to their coffers. He then proudly announced the beginning of NEW "Revive" group...targeted at young adults...those maybe in college or just out...and bringing them back to the Church. There were 41 youngsters at their first meeting! We wish them much success!!

Squires Report: Brother Mike Phillips stated the Squires look forward to assisting with the Car Show. He also mentioned that three members will be attending their State Convention. He again challenged the Knights to play in a softball game on June 8th at 2:00pm. Brother Phillips then sadly mentioned the cancellation of a Toledo Squires event due to lack of attendance. He discussed the need of our Squires group to attend as many of these as we can... or they will just be discontinued.

Right to Life Director: Brother Edd Chinnock then reported on the delivery of flowers to the Senior Center on Mother's Day and how well received they were. He thanked all for participation in the "Jericho Walk" around the "clinic" on June 9th involving a prayer service and music and ceremony. Brother Edd next discussed the success of the RTL dinner and the motivational efforts of speaker Abby Johnson. Edd concluded with announcement that due to policy changes in regards to cancellation notices, we need to find another hotel to use for next year's Right to Life Washington, D.C. trip.

Report of Committees:

The only report was about our lack of participation in the State Bonanza Ticket Sales. The officers will discuss if our participation is to continue.

Unfinished Business:

None – the fiscal year is coming to a close.

New Business:

MOTION: Brother Mike Phillips motioned to have a bill he paid for \$XX.XX be reimbursed to him. This was seconded by Harry Clyburn, discussed, voted on and passed.

MOTION: Brother Thom Laughery motioned for \$XXX.XX to be given to a family in need from within our Church Family. The motion was seconded by Dick Petersen. After discussion and

agreement that we are not setting a precedent for this type of expenditure, the motioned was voted upon and passed.

MOTION: Brother Jess Garcia motioned for \$XXX.XX to purchase our own web site license for a term of three years of hosting. Go Daddy is the host. The Assembly will be asked to split this cost for their site housing as well. Stephen Mallott seconded the motion. After discussion on the appropriateness of the site and a few references to Danica Patrick, the motion was voted upon and passed. (Recorder note: As of this typing, the Council site is again up and in action. The core name remains the same, but the domain name has changed from ".org" to ".com". Here is the link: www.kofc11187.com)

Election of Officers: The following brothers were nominated for duties as Council 11187 Officer's for next year. They were voted in by acclamation ... with one dissenting vote ... as there were no other nominations.

Report of the Fourth Degree: Sir Knight Frank Hare reported that the next 4th Degree Meeting will be held on June 25th. The dinner menu is "Build a Burger". It was also announced that new Sir Knight Jared Long has already "volunteered" for an Officer's Position of Inner sentinel!

Field Agent Report: Brother Stan Krulia spoke and congratulated us on our continued success and our hauling in of awards at the State Convention. He also encouraged us to get our newer knights involved as soon as possible! He then encouraged all to look in to buying annuities as a great investment...and a way to meet our insurance quota next year. He concluded with the announcement of a new "Young Adult Insurance Program". One dollar a week can insure a new knight between the ages of 18 - 29 very adequately! Tell your sons!

District Deputy Report: No Report.

Brothers in Need: Please keep in your prayers Frank Sanderell, Frank Hare, the Mike Obert family, Ryan Schneider, Mary McComb, Linda Capwill, Jeff Snapp, Elmer and Marjorie Miller, Jim and Margie Patterson, Maureen Patterson, Mark Knight, the Delille family following the suicide of daughter Cora, and all of our military and priests.

Lecturer Report: Brother Bud Joos then reported on his daily calendar on "365 Reasons to Eat Chocolate" and its tie in to our tornado season! The calendar states that during a tornado...only very heavy objects will not be destroyed! So...in order to ensure survival in that type of event..."EAT MORE CHOCOLATE!"

The Gavel was passed: Brother George Schneider then formally transferred the gavel over to our new Grand Knight Glen Williams! The new G.K. then officially awarded a Past Grand Knight pin to George. We all thank George for his marvelous effort for the past two years in keeping us moving forward and upwards as a Council! You are model of a great Catholic man.

Grand Knight Williams then officially...and forcefully...closed his first meeting! Odds are we are going to have to include in our budget the purchase of a stronger gavel.

The meeting closed at 9:10 PM.

Mike Croyle.

Respect Life: Abortion News

The very first line of the article showed the media bias: "Anti-abortion-rights activists in Ohio are working on a legislative agenda for 2015 that could continue to chip away at access to abortion." The Columbus Dispatch article in the June 23, 2014, edition was about Pro-Life organizations working with state legislators to pass bills that protect unborn babies in various stages of pregnancy.

The media never refers to pro-choice people as "pro-abortion activists", but nearly always refer to Pro-Life people as anti-abortion. NARAL, Planned Parenthood, and their allies in the media use language to subtly paint pro lifers as the bad guys and pro abortion people as the beleaguered defendants of women's rights. Just look at the end of the quote above - we "chip away at access to abortion" as if that is a bad thing.

Later in the article they quote the executive director of NARAL Pro-Choice Ohio (note the name - sounds benign, right?) as saying "Ohio is quickly becoming one of the most dangerous states for women's health" - apparently being killed and maimed by incompetent abortionists is good for women's health! When Michigan recently passed a bill banning abortion coverage in the private insurance marketplace without a special rider, pro-choicer's labeled it "rape insurance". Huh? Not having abortion covered by insurance is somehow going to condone rape? Pro-choice people are bold, even if they are not logical. Of course, abortion is not logical in the first place, so why should we be surprised?

In spite of media cooperation with abortion rights activists, the majority of Ohioans oppose abortion. 33 percent think it should be legal in most cases while 44 percent think it should be illegal in most or all cases. According to Carol Tobias, president of National Right to Life, Ohio is one of the strongest states for pro-life legislation, but Louisiana, Texas, and Wisconsin can make the same claim. Last year Ohio governor John Kasich signed off on a budget provision that forbids public hospitals from entering into transfer agreements with abortion clinics. The clinics need a transfer agreement to keep their licenses under Ohio law. Dr. Samuels' clinic on Hill Rd cannot get a transfer agreement because of limited entrances, but that rule is likely why he cannot perform abortions in Pickerington. Toledo's last abortion clinic will likely permanently close soon because of the transfer agreement rule.

This fall, Ohio lawmakers will consider a bill that would prohibit insurance companies from covering abortion and would ban coverage for public employees and those on Medicaid for birth control that prevents the implantation of a fertilized egg.

Last summer, Texas passed a law that helped close about two-thirds of the state's abortion clinics by requiring doctors who perform abortions to have admitting privileges at a hospital within 30 miles of the abortion clinic. Louisiana recently passed a similar law. Florida just passed a bill that would make abortion illegal in cases in which a doctor determines the baby could survive outside the womb. In spite of media bias, Pro-Life will win out in the end - after all we have God on our side. GOD IS PRO-LIFE!

We have some news about the Samuels' clinic down the road from Seton. They changed their hours (could it be because of all the prayers we have been offering for the last year and a half?). The doctor is now there Monday mornings instead of Monday

afternoon and evening. As a consequence, we are changing our prayer hours from Monday afternoon to Monday morning.

We are inviting you to spend some time after morning Mass witnessing and praying for Life. You could stop by for a few minutes or for an hour. We have signs you can use or you can just stand in prayer. You can pray with us every week or once a month or whatever works for you. Every prayer counts toward ending this horrible destruction of human life. The time we hope to cover is 9:15-11:00 am.

Maureen Cobb is the Monday captain and will be glad to answer any questions or concerns. Her phone number is: (614) 834-5154. You can also call Vick or me at (740) 927-5099.

Marketing Agent Wanted

Council 11187 has received an exclusive franchise to market Easter magnets (He is Risen) and Christmas magnets (Keep Christ in Christmas) to other councils throughout Ohio. Similarly, the franchise allows our Council to sell to individuals at retail price.

The magnets have the potential to be a significant fund raiser not only for our Council but other Councils within Ohio and have been enthusiastically received where they are known. These magnets could also appeal to other religious affiliated groups, Catholic and non-Catholic, for their message value alone. Until now, the availability of these magnets to other groups has been, predominately, word of mouth. To achieve full potential, a plan to market and distribute (the physical distribution is already in-place) the magnets throughout the state is needed. There are a number of statewide periodicals, publications and other venues that could be incorporated into such a plan.

So, to that end, we're looking for someone to draft and implement a plan to market the magnets.

If you are someone who is creative, doesn't like to attend numerous meetings, likes to work at your pace and within your personal time constraints and time frames you have available, this is your opportunity to help the Council on your own terms.

If this opportunity appeals to you please contact me at reisenacher@insight.rr.com or if you'd like to discuss it further call at 614-837-5452.

Kroger Community Rewards®

Giving More Back to the Community!

Kroger is committed to helping our communities grow and prosper. Year after year, local schools, churches and other nonprofit organizations will earn millions of dollars through Kroger Community Rewards®.

Kroger Community Rewards® makes fund-raising easy...all you have to do is shop at Kroger and swipe your Plus Card!

Great. Here's how you can help:

Visit www.krogercommunityrewards.com

Sign in or Create an Account

Fill in the required information and select the PCMA Food Pantry of Pickerington (organization #84679) as your preferred organization.

We will earn money for every dollar that you spend at Kroger. This will not affect your fuel points. Earlier this year, we received a check for over \$400 and that was for the period of November 2013 - January 2014, with less than 30 families participating! Imagine what we can raise if more families sign up with the Community Rewards Program. We continue to serve over 150 families per month at the Food Pantry, please consider helping us with this. It's simple, all you have to do is use your Plus Card every time you shop. You can verify that you have signed up correctly by looking at the bottom of your receipt, it should list the PCMA Food Pantry as the Community Rewards recipient.

I will send occasional reminders, but you must re-enroll every April to continue earning money for the Pantry.

Also, please note that if you check out their weekly ad, they offer a digital coupon you can print on Fridays only and then use for a free product. If you don't like the product, you can always donate it to the Food Pantry.

Please keep in your prayers Frank Sanderell, the Mike Obert family following Mike's death, Ryan Schneider, Mary McComb, Jim and Margie Patterson, Maureen Patterson, Rick Krigbaum Maxine Krulia, Sarah Rigsby, the Delille family following the suicide of daughter Cora, and all of our military and priests.
