## Thank You Veterans 11 November 2014

Dear Brother Knights,

We welcome another new Knight, I can not say enough about SK Frank Piper and the 1<sup>st</sup> Degree Team, they do an absolutely wonderful job, if you have not attended a recent 1<sup>st</sup> Degree Ceremony please make a point to attend the next one, Brothers we need you, if you have not received a personal invitation, here it is from your Grand Knight-C' mon out and support your Brothers-UNITY-BROTHERHOOD-CHARITY-PATRIOTISM!

Brothers, our very worthy Treasurer, Chief Counselor of the Squires and Distributor of the Magnets, has had to take leave of absence to attend to some personal issues, and it has taken three brother Knights to replace him. We support Brother Mike Phillips and keep he and his family in our prayers. At our Officers meeting on Saturday, Brother Dan Murphy was nominated for the position as treasurer, during new business nominations will be taken and we will elect a new treasurer. PGK Tim Bowie has stepped up to fill the role of Chief Counselor, with the support of Brother Steve Malott and they current counselors, again we could not have asked for a more qualified and able replacement, the Squires will not miss a beat. We also have potential candidate to assume the distribution of the magnets, we await confirmation prior to announcement. I want to personally Thank each of the individuals that have stepped up to fill these roles on short notice, Fraternity - Brotherhood - Unity - How proud are you now to be a member of such an unselfish, service oriented, unified fraternity? Big thanks to the officers and those that attended the Planning meeting this past Saturday, as we collectively were purposeful and skillful as a team to work through this Crisis.

The previous week, specifically Saturday, October 25<sup>th</sup> was a very busy time for some of our Knights we had the Annual Fall Festival, which features the cooking of Brother Dick Petersen and his famous bean soup, the event was very well attended, however, it was not very well supported by Brother Knights, we had a handful of Brother there to aid Dick, his wife, Joie and Lady Diane Hare with the festivities. Brother I do not like to use this forum to complain, it is not my nature, but we cannot leave a Brother and our Ladies hanging like that, there was plenty of call for help, Brothers we need to step up, there are 240 active members, I would think we could have better support, you cannot have the attitude that someone else is going to do it, have the attitude that "I will do, it is I Lord" answer the call. STEP UP, Brothers. Also on that same day the Knights supported the Benefit Tool Sale, and event to support a parishioner that recently lost her husband, and left with four Children to raise, in contrast, many Knights turned out to support this event, which was very successful and will provide some much needed funds.

Brothers, I cannot stress to each of you how important it is for each of us to do our part, with the pancake breakfasts on tap, Breakfast with Santa, and the Fish Fries right around the corner, there is a lot of work we have to do, and we need everyone to STEP UP.

## Business Meeting Notes - October 8, 2014

Grand Knight Glen Williams called the meeting to order at 7:30pm.

### Roll Call of Officers:

Missing were our Chaplain, Advocate and Trustee 2 Year ... all of whom were excused.

The minutes of the last meeting were motioned for approval by Edd Chinnock, seconded by Wayne Patterson, voted on and passed.

**Chaplains Report:** No report tonight

**Membership and Reading of Applications:** Brother Frank Piper was absent, but several different Knights added notes!

G.K. Williams read the first reading of the Form 100 for Chris Reale, which received unanimous approval. We intend to have another First Degree Ceremony on October 22.

**Grand Knight's Report:** Our GK began with a long list of items. First, he presented Bud Joos with a special watch commemorating him as this past year's Knight of the Year. Now, you may remember we had done this once before. This time, we made sure of the correct engraving! Wear it proudly, Bud.

Brother Glen then acknowledged the departure of Brother Frank Sanderell, who is moving down south to the Carolinas with his son. Frank served as the main coffee person at our events! Best of luck to you, Frank. We will miss you.

Our Grand Knight then continued by asking Brother Sillings for an update of his double Achilles tear and surgery. Mike is recovering with one tear repaired and the other one awaiting a determination. It was nice to have Mike back in the fold!

Brother Williams continued with thanks to Brother Thom Laughery for stepping up as Inside Guard to replace Ron Blymire, who has moved.

The GK then thanked the others who have stepped up to fill all empty Council Chair positions.

Brother Glen asked us to attend the Fall Family Festival on October 25 ... more later. Our GK continued with reminders about the next 2nd and 3rd degree scheduled at St. Andrews on October 26th.

His next reminders came with the request that we make sure to attend the All Saints Day Mass on Saturday, November 1st and the First Knights Mass on Sunday, November 2nd.

Our slowly running out of wind, Grand Knight then congratulated our First Degree Team on a job well done ... and asked all of us to RECRUIT, RECRUIT, RECRUIT!

**Treasurer Report:** Brother Mike Phillips gave a report on our funds and we are doing fine. Go us!

**Financial Secretary Report:** Brother Frank Hare read all of our bills that were motioned for payment by Brother Wayne Patterson, seconded by Mike Sillings, voted upon and passed.

**Report of the Trustees:** Our good trustees merely requested affirmation that all of our required forms were turned in to Supreme.

**Chancellors Report:** No report

## Report on Programs and Committees:

**Program Director:** There was no official report from Brother Dick Petersen. However, a reminder came about the Coat Drive being up and running and that we need 235 coats (in youth sizes) this year.

**Church Director:** Brother Wayne Patterson decided to get as lengthy as our Grand Knight did on necessary items ... which included:

Father Michael J. McGivney is up for sainthood next year!

The next Honor Flight is October 11 and many should consider attending this solemn event to recognize those who fought for our freedom. Interested parties can meet at Seton at 8:00PM to car pool over.

November 1<sup>st</sup> and 2<sup>nd</sup> is our next Ministry Marketplace. Plan to assist at a table if you can and wear your Knight's shirt.

Bring in any Christmas Cards before November 6<sup>th</sup> ... with a gift card inside ... for delivery to our seminarians. The boys could use a boost.

Brother Wayne then asked any Fourth Degree members to serve as an Honor Guard at St. Pius on November 8<sup>th</sup> at a 10:30 Mass presided over by Bishop Campbell in honor of Kathleen Goolin.

... and finally, a suggestion came about the purchase of wheelchairs for use at the Honor Flights. The cost is ~\$22.50 per chair.

**Community Director:** Brother Thom Laughery announced a request for assistance at the Tool Sale to benefit a parish family in distress scheduled for October 25<sup>th</sup> (there is that date again) in the morning at the Shelter.

Brother Laughery continued with information about the Thanksgiving Food Basket creation coming soon, as well as the Coat Drive and the need to assure that Breakfast with Santa will indeed have a Santa.

**Council Director:** Mike Sillings had no report, but was back with us!

**Family Director:** Brother Ryan Anderson asked us all to plan on helping at the Fall Family Festival on October 25<sup>th</sup>. He asked for help especially with clean up! Bring the family out and enjoy a free pumpkin, good food, a hayride, and friendship!

**Youth Director:** Brother Jesse Garcia announced the Cranks Creek Shoe project is set for delivery on October 19 - 20 and that 40 youth will be on the trip! Brother Jesse concluded with the statement that Confirmation Retreat planning is underway!

Brother Gene Ebert then announced that the Scholarship committee is now seeking applications, with the cutoff date set for March 1, 2015. Encourage Seton youth attending Catholic Schools to apply. This year's award is in honor of Brother Bob McNicol.

**Squires Report:** Brother Mike Phillips began with a heartfelt apology to Brother Sillings on his injury at the Softball Game versus the Knights and promised yard work or any other chores by the Squires during his recovery period. Brother Mike talked about how the Squires try to plan activities with prayer as well ... and the next Volleyball Tournament in an example.

*Business meeting minutes (Continued on page 3)*

**Right to Life Director:** Brother Edd Chinnock began with a reminder that October is Respect Life month. He then continued with the following thoughts:

RTL is running a 40 Days for Life program with prayer outside of the Founder's Clinic at 1243 Broad St. Seton's date is October 21. Please see Edd to sign up for a time.

According to the Ohio Department of Health, abortion numbers declined in 2013. Attribute this to Clinics closing and the hard work of Edd and many others.

There is a Free Dinner and Fund Raising Banquets' on October 21 with Chris Spielman as the guest speaker. See Brother Edd for details.

On October 24, a Holy Hour for Life occurs in the Eucharistic Chapel here at Seton. Try to attend and pray with us.

... and the Right to Life March is on for January 21 and 22. Can you make the trip this year?

**Committees:**

November 9 is our First Official Pancake Breakfast.

February 20 is our first Office Fish Fry.

We need somebody to run the Free Throw Contest.

We need a Blue Coat Dinner Chair as well.

Our Christmas Magnets sport a new design. Due to some issues of litigation, we receive 5,000 via free delivery.

**Unfinished Business:** None

**New Business:**

**MOTION:** Brother Edd Chinnock motioned an allocation of \$XXX for the Right to Life Trip and the housing of our Spy Youth. Discussion and voting occurs at our November meeting.

**MOTION:** Brother Richard Petersen motioned an allocation for up to \$XXX for the Coat Drive. A second came from Brother Wayne Patterson. Discussion and voting followed. The motion passed.

**MOTION:** Brother Thom Laughery motioned an allocation of up to \$XXX for the purchase of food for the Thanksgiving Food Basket drive. The second came from Brother Richard Schlachter. Discussion and voting followed. This motion passed as well.

**MOTION:** Brother Wayne Patterson motioned a \$XXX allocation for hams for the Portsmouth Food Drive. The second came from Brother George Schneider. Discussion and voting occurs at our November meeting.

**MOTION:** Brother Wayne Patterson then motioned an allocation of \$XXX for Matching Funds in support of Catholic Education. Discussion and voting followed. This motion passed.

**Report of the Fourth Degree:** Report of the Fourth Degree included:

Fourth Degree meeting and dinner is on the Wednesday, October 15 at Seton and all are welcome to come dine. Dinner begins at ~6:40 with a theme this month of Oktoberfest. Bring a side to share.

The next Exemplification ... for Knights to attain the highest

Fourth Degree ranking ... is set for 11/22 at Ironton. This will be a one-day event.

The Exemplification after that is April 15 – 17 at Cherry Valley Lodge. This includes a Past Faithful Navigator Dance on the first night, which any Knight and his wife/date can attend. It is reportedly a great time.

Raffle Tickets at \$10 each are available for purchase. We sell only 200 and the winning amount is \$1000! These are great odds. See a Fourth Degree Member for tickets!

**Field Agent Report:** Brother Stan Krulia first congratulated us on our outstanding newsletter and proclaimed it one of the best! He continued with information on two new products ... one for Accelerated Term Insurance (for ages up to 80) and a revised Long-Term Care product.

Brother Krulia then informed all that some money from the currently popular Ice Bucket Challenge funds Embryonic Stem Cell research! Consider donations instead to the John Paul II Media Research Center.

**District Deputy Report:** Joe Dickman spoke and again congratulated our First Degree Team. He next mentioned:

The resurrection of the Holy Spirit Council and asked for prayers for them.

Consider investigating the Family Program brochure, which includes many great family activities.

Brother Thom will host a Fish Fry District Meeting here at Seton where all fryers can exchange ideas ... but, not secret recipes.

He concluded with a request that we host the District Free Throw at Seton on February 14 or February 21.

**Brothers in Need:** *I moved this to the last page due to space, our recorder got a little word happy this month ;-)*

**Lecturer Report:** Brother Bud Joos then regaled us with a story and a lesson on why women are so better at financial planning than men are.

It seems a person named Dan was due to inherit a fortune from his family business following the passing of his father. As his father was in fast failing health, Dan thought it best to look for a wife ... to spend this vast fortune with after the death of his father. He also thought it best to learn how to manage this fortune. At a financial planning meeting, he met a beautiful, attractive and intelligent young woman and fell immediately in love. He shared with her the knowledge of his impending fortune following the death of his father. The meeting ended with Dan anxiously looking forward to the next meeting with the full intent of proposing to this young vixen. The next meeting date arrived and Dan was flabbergasted to see that his object of desire was now sporting a wedding ring! And imagine his shock at finding the husband of this little tart was ... wait for it ... his own father.

Women are so better at financial planning than men are.

Grand Knight Williams then officially closed the meeting at 8:45 PM.

**Field Agent's Report** - KNIGHTS OF COLUMBUS –  
SAFE, SECURE

**“How long has the Knights of Columbus been in the insurance business?”**

The Knights of Columbus has provided insurance benefits since its inception in 1882. From very humble beginnings, the Knights of Columbus has evolved into a Fortune 1000 company, marketing life insurance, retirement products, disability, and long-term care insurance to its members and their families. The Knights of Columbus also received the 2014 Worlds Most Ethical Companies award from Ethisphere Institute, a global leader in defining and advancing the standards of ethical business practice.

**“How is the safety of the funds in Knights of Columbus insurance plans and annuity retirement funds assured?”**

The safety of funds in Knights of Columbus insurance plans and annuity retirement funds is best gauged by the financial strength of the Knights of Columbus. Our financial strength ratings are consistently among the highest in the industry:

We have earned A.M. Best’s highest financial strength rating for 39 consecutive years.

*National Underwriter ranks us in the top five percent of the approximately 1200 insurance companies in North America based on total value of assets.*

Growth is a key for maintaining financial strength. Our life insurance in force has grown from \$38 billion in January 2000 to \$94 billion at year-end 2013 and continues to grow.

Because we are a fraternal benefit society, we have no stockholders. Our owners are our members and we return our good experience in the form of dividends\* to our policyholders. From 2001 to 2013, the Knights of Columbus paid \$3.95 billion in dividends\* to insureds. In 2013 alone, we distributed \$276 million in dividends.

The reserves held by the Knights of Columbus to pay future claims equal or exceed the minimum reserve level required by all jurisdictions where we offer insurance. In addition to the reserves, the Order consistently maintains a surplus. This amount is held to protect contract owners and our surplus level provides us one of the strongest solvency ratios in the insurance industry.

We have a simple, time-tested portfolio of products. These products have been around for a long time, both here at the Knights and in the insurance industry generally. The inherent risks of our products are therefore relatively low and well understood.

**“How does the Knights of Columbus invest the money of its insurance and annuity certificate holders?”**

The Knights of Columbus has a conservative investment philosophy. Our assets are predominantly invested in high-quality, liquid investments and are well-diversified. Our investment department follows very strict rules regarding the quality of our investments.

We regularly monitor our assets against our liabilities to ensure that the expected cash flows of our investment assets reasonably match the benefits we expect to pay. This practice provides further protection against losses due to changes in market conditions.

Overall, as of 12/31/13, the Knights of Columbus General Account invested assets were distributed as follows:

Bonds:	87.87%
Preferred Stocks:	2.66%
Common Stock:	1.47%
Real Estate:	1.19%
Others (primarily policy loans)	6.82%

The Flexible Premium Annuity and Single Premium Annuity portfolios were 100% invested in Fixed Income Securities as of 12/31/2013.

The Fixed Income Securities are corporate bonds, mortgage backed securities, and government and agency issues. A small but growing percentage of fixed income assets are invested in mortgage loans to the Catholic community for the development of parish churches, schools, hospitals and other facilities.

The quality ratings for the Fixed Income Securities are as follows:

AAA	28.85%
AA	13.61%
A	32.52%
BBB	24.12%
>BBB	0.90%

Additionally, the Knights of Columbus uses a set of criteria to screen all investments for compliance with Catholic principles. For example, we do not invest in companies whose business activities include abortion, pornography, contraceptives, fetal cell research, etc.

Since 1882, we have been committed to protecting the financial futures of our Knights and their families. Prudent leadership and management have led to the rapid growth of our assets, providing an adequate foundation for our member’s protection, and securing our obligations to our insureds and their beneficiaries.

\* Dividends are not guaranteed.

## Officer Position Open - Treasurer

Due to some personal issues our current treasurer, Mike Phillips, is stepping away his Council duties. While we hate to see this happen, we the Council know this is a temporary situation and Mike will be back with us shortly, so keep him and his family in your prayers.

We have a opening that needs to be filled in order for our Council to do business. Therefore we are opening the nominations to fill Mikes position.

***Treasurer:** The Treasurer is responsible for the safekeeping and maintaining records of all council funds and accounts. He is responsible for depositing money into the council's accounts and provides a certificate of such monies to the Grand Knight. He is also responsible for payment of all expenses.*

At the Officers meeting on Saturday we had a nomination for the position...Dan Murphy was nominated and accepted this nomination.

During new business at the next meeting we will have open nominations and vote on the position.

## A Big Thank You!!!

Gentlemen,

Thank you ALL for your support in the Tool Liquidation Benefit sale this past weekend. Even if you were only able to participate by forwarding an email YOU were a KEY PARTNER in our success. We liquidated 85% of the items that we displayed for sale. We also had about 15 people who donated VERY NICE, good used tools that were sold. And, as usual the Pickerington community stepped up with dozens of monetary donations to the cause. **A special thanks** to all of the men and women who worked behind the scenes to inventory, sort and price the tools and who manned the tables and executed the sale. The compassion of our Seton Parish community was evident in the overwhelming support and joyful undertaking of the task at hand. May God bless you all.

**One last request, please:** We still have a few high-end "specialty tools" that have remained unsold. I have listed the remaining items below and their prices have been lowered to bare minimum. If you know of anyone who might be in the concrete, plumbing or construction industry...**PLEASE** forward this email to them. **These items are truly a STEAL at these prices!!** If anyone is interested in any of the items below they can contact me directly. Again, thank-you for all of your support!

*Chris Logsdon*

## Respect Life - Vote! & March for Life

The election is almost here and your vote is important! Go to the Ohio Right to Life website BEFORE you vote to see the candidate's respect life positions. This is especially important this election because in addition to the governor and a number of statewide contests, two Ohio Supreme Court seats will be filled. Given the propensity of our judges to legislate from the bench, it is extremely important to elect pro-life judges. Remember, there are five non-negotiable principles that we as Catholics cannot ignore and respecting life is one of them. Prayerfully consider disqualifying any pro-abortion candidate for any office. If both candidates are pro-abortion, consider casting your vote for the most pro-life one.

### GET OUT AND VOTE PRO-LIFE!

Preparations for the bus trip to DC for the March for Life are well underway. We have the bus and hotel reserved and are taking reservations for the trip now! There are still plenty of seats available on the bus.

### This is a great opportunity for YOU to attend this wonderful trip with us!

We will leave early Wednesday morning, January 21, and return late Thursday night, January 22. We will go directly to the Basilica of the Immaculate Conception for the Vigil Mass. If you have never been there, you MUST come see this gorgeous Basilica and the Knights of Columbus bell tower. The Vigil Mass is like no other Mass you have ever attended – there are so many Cardinals, Bishops, priests, deacons, and seminarians that the entrance procession alone takes 30 minutes.

After Mass our bus will take us to the hotel where we will have a pizza party and visit with our fellow riders before going to bed. The next morning, we will go to the Family Rally and Mass for Life at St. Matthew's cathedral. Riders may choose to skip this event and go on their own to any of the many Pro-Life events that morning. Priests for Life, 40 Days for Life, and many other groups have displays, speakers, and events we can attend.

Around noon, we will return to our hotel to load our bus and go to the March itself. They have many great speakers and representatives at the rally before the March. Once the March begins, we will walk up Constitution Avenue to the Supreme Court building, where there are additional speakers. Those who wish can then go across the street to the Capitol building for a reception hosted by congressional representative Jim Jordan and other Ohio congressmen. Senator Rob Portman usually attends as well. This is a great opportunity to meet some of our congressmen and urge them to vote pro-life.

After that, we will meet our bus for the trip home. You get all this for only \$190 per person (double occupancy). Please contact me at 740-927-5099 if you are interested in this trip or get the registration/information form on the Seton Parish website.

## Saluting our Veterans

November 11, 2014 is Veterans day. What is Veterans day?

“**Veterans Day** is an American holiday honoring military veterans. Both a federal holiday and a state holiday in all states, it's always celebrated on November 11th each year. It is also celebrated as Armistice Day or Remembrance Day in other parts of the world, falling on November 11, the anniversary of the signing of the Armistice that ended World War I. (Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918 with the German signing of the Armistice.)”

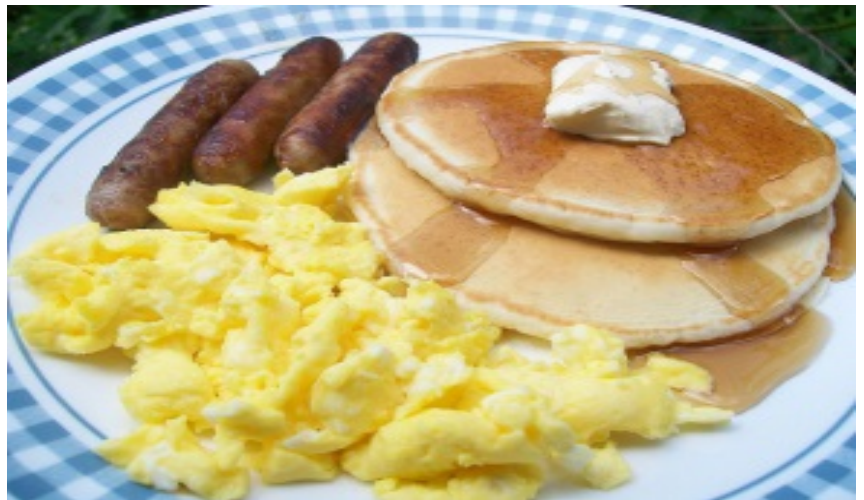

In 1954 the Holiday was changed from Armistice Day to Veterans Day to honor American Veterans of all wars.

### **The difference between Veterans Day and Memorial Day**

Memorial Day honors service members who died in service to their country or as a result of injuries incurred during battle. Deceased veterans are also remembered on Veterans Day but the day is set aside to thank and honor living veterans who served honorably in the military - in wartime or peacetime.

Also did you know that the holiday is commonly printed as *Veteran's Day* or *Veterans' Day* in calendars and advertisements. While these spellings are grammatically acceptable, the United States government has declared that the attributive (no apostrophe) rather than the possessive case is the official spelling.

We are privileged to have veterans as members of our council. The next time you see one of them, thank them for their service. Without them and the sacrifices they made, we would not live in the greatest country in the world.

### Living The Gospel Of Life: A Challenge To American Catholics

#### A Statement by the Catholic Bishops of the United States

Today I believe the Lord is saying to us all: do not hesitate, do not be afraid to engage the good fight of the faith (cf. I Tim 6:12). When we preach the liberating message of Jesus Christ we are offering the words of life to the world. Our prophetic witness is an urgent and essential service not just to the Catholic community but to the whole human family.

*Now the word of the Lord came to me saying: Before I formed you in the womb I knew you, before you were born, I consecrated you; a prophet to the nations I appointed you.*  
--Jeremiah 1:5

*It is impossible to further the common good without acknowledging and defending the right to life, upon which all the other inalienable rights of individuals are founded and from which they develop.*--  
Pope John Paul II, *The Gospel of Life*

*It is impossible to further the common good without acknowledging and defending the right to life, upon which all the other inalienable rights of individuals are founded and from which they develop.*--  
Pope John Paul II, *The Gospel of Life*

*Next Tuesday, November 4<sup>th</sup> is Election Day in the United States. I urge you, my brother Knights of Columbus and family members to the candidates and issues and that you go out and vote according to the doctrine of the Catholic Church. Below is the link for the USCCB's document on "Living the Gospel of Life." I ask you to take a few moments and take a look at it so you are prepared to make a well informed decision on Tuesday. There is a lot at stake in this election. We need to ensure that we elect candidates and judges who will stand up for families and for life in all its stages. Most of all, I urge you to make it a point to go out and vote on Tuesday. Do not be afraid to speak up for life and family. God bless you. Deacon Hector Raymond.*

**Parish Activity Center Improvements**

Recently our Council Knights have embarked on some changes to the PAC kitchen. The hope is that these improvements will streamline and modernize our production efforts for fish fries and special events. Step 1 has been to remove cabinetry from the east wall of the kitchen to allow more room for warmers and refrigeration. To do this Dan Murphy and Thom Laughery relocated cabinets, Chuck Amos and Wayne Patterson ran new electric and Bob Eisenacher and Charlie Giametta selected, purchased and installed new floor tiles. If you see any of these brother Knights take a minute to thank them for their efforts.

**Knights of Columbus Council 11187 Shirts**

Are you envious of the nice embroidered Council 11187 shirts worn by many of the members. No need to fret, fill out this form and return it to Frank Piper's mailbox with a check for the shirts and you too will look fashionable at all of the council functions.
