### Dear Brother Knights,

We welcomed two new Brother Knights to the fold last month (actually July 30<sup>th</sup>), please reach out to JC Morales and Mike Kohar welcoming them to the brotherhood, both have already stepped up to help where they can.

The August Planning Meeting was very successful as we had nearly every officer and program director in attendance and we were able to establish the 2014/15 Council Fiscal Budget as well as tackle some difficult issues and come to a consensus on those issues, professionally and as Brothers in Christ. I want to give special thanks to FS Frank Hare and Treasurer Mike Phillips for preparing the preliminary budget and for all they do as responsible stewards of our council's finances, we are blessed to have them.

We also held the 1<sup>st</sup> annual Squires vs. Knights softball game at Victory Park on August 17<sup>th</sup>, we had a light turnout of Knights for the game, but those that attended had a great time with the Squires, and the Knights won the game 6-3, Good Food, Good Fun and Good company. Thanks to Mike Phillips and the Squires for hosting the event!

As you know, our council sponsored a float for the Pickerington Labor Day Parade, in all we had 29 participants from Council 11187, Assembly 2900 and the Squires Circle 4891. Special thanks to Thom Laughery for his planning and coordination of the event, we were especially blessed to have Cecil, a Bronze Star decorated WWII Veteran aboard the Float. The weather was beautiful and the float accompanied by the 4th Degree Marching Color Guard was well received by the community, many onlookers standing and saluting as we passed. Our float was awarded second place by the parade committee, Great Job Brother Thom and all those who participated.

The Seton Festival was held this past weekend, I wanted to thank those Brother Knights that worked at some point during the festival, in all capacities, the weather was very nice for the festival and I am sure we will hear more during this September Business meeting on how we did.

And finally Brother Knights, we need more participation from our membership, we have 244 members on our roster, that is many hands to help, if everyone steps up and does a little bit, no matter what it is, attend a meeting, join a committee, chair a committee, work a pancake breakfast, the Lenten fish fries, the fall festival, and on and on, there are many activities and events to choose from, but if everyone chips in, it makes it easy. We are a very active and productive Council, however we can do even better with higher participation, come to the September Business meeting and find out where you can get involved, it is a great feeling when you are in service to others.

## Business Meeting Notes - August 13, 2014

The Installation of Officers began at 6:30PM under the direction of D.D Joe Dickman. Deacon Hector then blessed the Officer Jewels with water from the Jordan River. The installation was highly dignified and formal.

The official meeting came to order a tad earlier than our original 7:30 start time.

**Roll Call of Officers:** All were present with the exception of our Inside Guard and Trustee 2 Year.

The minutes of the last meeting were motioned for approval by Wayne Patterson, seconded by George Schneider, voted on and passed.

**Chaplains Report:** Deacon Hector...sitting in for Fr. Klima... spoke on the following topics:

He gave us thanks for the chalices, now used at all masses. Deacon Raymond next thanked those Knights who assisted with the altar server training.

Our good Deacon then gave us some statistics to ponder on the results of a University of Texas survey. The survey focused on social norms in an increasingly permissive society. The first item mentioned that 58% of those born in the U.S. today are to unwed mothers. Wow. He next listed percentages of groups...ranging from church going Christians who oppose single sex marriages to the opposite end including gay and lesbians who are non-Christians...on those who agree with or strongly agree with the following social norms:

- Viewing pornography is OK
- Premarital cohabitation is good
- No-strings-attached sex is OK
- Couples with kids should stay married except if abused
- Marital infidelity is sometimes OK
- It is OK for 3+ adults to live a sexual relationship
- I support abortion rights

The results showed polarized stands, as one would expect. Those to the Christian end were lower in acceptance for all items... except the fourth where they wished couples with children to stay married at most costs. The more permissive life style end of the scale showed percentages as high in approval for all items. The exception was on for the fourth item where children in a marriage did not seem as important of a deciding factor on remaining together. Although we must respect the lifestyles of others, the permissiveness it brings to our society is sad.

**Membership and Reading of Applications:** There were no new application forms to read at this time.

**Grand Knight's Report:** G.K. Glen Williams listed the following important items for our consideration:

School is back in session. Drive careful in the neighborhoods.

Our G.K. then thanked all officers and program directors in a great Officer's Meeting and establishment of programs and our budget.

He next listed the need to fill the following positions...a Vocations Director, Measure up Coordinator, Pennies for Heaven Coordinator and Matching Funds leader. Please consider taking over one of these spots as an individual or with a friend.

Our budget for last year showed only a 1.9% deviance...which means we are sending out what comes in...money-wise. That is our charge.

G.K. Glen then mentioned that we are behind in placement of five Memorial plaques. This will be reconciled.

Brother Williams then thanked our First Degree team for a great ceremony and our new Knights. The next session is set for September 24.

Our Council conducted the State Tour in July. Brother Wayne Patterson and Tom Laughery served as hosts. The State Officers were very grateful. The focus of the Knights for the next year is membership, participation, and Pennies for Heaven. We should have no problem fitting our programs into these areas.

Grand Knight Williams reminded us all of the Squires softball Challenge coming this Sunday! (*Recorder note: Our brother Knights met the challenge and the Squires were defeated. We unfortunately had one casualty as Brother Mike Sillings blew out a few Achilles tendons with surgery coming soon.*)

We also received some communications from Karl Anderson on Food for Family and received some money back from last years' service.

**Treasurer Report:** Brother Mike Phillips read the numbers and stated our situation is more than sound.

**Financial Secretary Report:** Brother Frank Hare read the bills. These were then motioned for payment by Wayne Patterson, seconded by Frank Piper and sent on to the trustees for payment. Brother Hare announced that both our audit and budget are finished for the next year.

**Report of the Trustees:** The Trustees reported that Ron Blymire must resign from his position as Inside Guard. Place your nominations now. We thank you Ron, for your dedication to the post and your excellent running of the Blue Coat Dinner function. Don't be a stranger.

**Chancellors Report:** Brother Frank Piper combined his Chancellor report with a Membership update. He informed us that our quota for membership for this fiscal year is seventeen and is six for new insurance members. Please search out a Form 100 and ask a friend. We will host a new Member Pizza Party sometime this fall. Our next First Degree is September 24.

**Recorders Report:** No Report.

### Report on Programs and Committees:

**Program Director:** Brother Richard Petersen reported that we are on track with Programs and asked us to all help with the Seton Festival in September...and the Fall Family Festival. The latter date is October 25.

**Church Director:** Brother Wayne Patterson had no report, but mentioned the Chalices were in and Father loves them.

**Community Director:** Brother Thom Laughery reminded us that we would be marching in the Labor Day Parade and assured somebody would tow the float. (*Recorder note: the march was well attended and quite the success!*) Thom continued with reminders of the upcoming events such as the Festival, Thanksgiving Basket donations, Christmas Coat drive and more.

*Business meeting minutes (Continued on page 3)*

**Council Director:** Mike Sillings reported on our need to work on retention and focus on getting 50% of our brothers involved. The more bodies we get involved, means more that we can accomplish for all! A Living Christ Retreat runs on 10/11/2014 at Seton and the Knights will serve breakfast. Our Pancake people may get some early practice. Brother Mike thanked all for attendance at the Funeral Service for Brother Steve Roth. The family was very appreciative of our proclamation and comforting words.

**Family Director:** Brother Ryan asked for help on the Fall Family Festival and asked that email event reminders focus on those with that specific interest. Our member surveys contain that information.

**Youth Director:** Brother Jesse Garcia announced that the Leadership Retreat for August is scheduled, Religious Education starts soon and you can still offer to be instructors, and finally that Confirmation retreat Planning is not far off.

**Squires Report:** Brother Mike Phillips reminded us again of the Squires challenge to play the Knights in a softball game on August 17 at 2:00pm. (*Recorder note: in case you did not read earlier... we trounced them with an awesome rally in the last inning.*)

**Right to Life Director:** Brother Edd Chinnock then reported that the Respect Life Group marched in the July 4 Parade and will again in the Labor Day Parade! (*Recorder note: They marched in front of our floats and made an excellent showing!*) Edd informed us that the hotel and bus reservations are set for next year's Right to Life Washington, D.C. trip. He also invited us to attend a Fund Raising Banquet for RTL at Villa Milano on September 17. Fr. Frank Pavone is the keynote speaker. The dinner is free, but they will ask for funds for support.

**Unfinished Business:** None

**New Business:** Brother Frank Piper announced that St. Gabriel Radio is hosting Football Friday Nights on their station. The Chapter asked us to distribute posters to local High Schools as part of the advertisement. Please see Frank if you can assist with the delivery.

Brother Wayne Patterson nominated Tom Laughery for the position of Inside Guard. Brother Tom accepted. Be ready to propose any further nominations during or before the next meeting. Voting will occur at the next meeting.

Brother Dick Petersen brought up an item to discuss at the next Officer's Meeting on donating funds to those in Iraq. We will see more on this topic later.

**Report of the Fourth Degree:** It was reported that the next 4<sup>th</sup> Degree Meeting is set for August 20 and will feature wings and bruschetta for dinner. All are welcome and please bring your wives and a delectable Italian side dish! The fourth degree raffle is on and tickets are ten dollars each. Only 200 are available for purchase and the winner receives \$1,000! These are great odds!

**Field Agent Report:** No report

**District Deputy Report:** Brother Joe Dickman gave a report on topics from the District Meeting. They included:

- Push your group for Star Council status! (We will.)
- Complete your Audit! (We did.)
- Please send copies of program reports to him.

Super Cash Bonanza kick off to be held at Seton on 2/15/15.  
The District Free Throw contest runs at Seton on 2/14/15.  
We may have a District Meeting here as well to discuss Fish Fry procedures.

**Brothers in Need:** Please keep in your prayers Frank Sanderell, Mary McComb, Jim and Margie Patterson, Maureen Patterson, Jeff Samborsky, Terri Joos, Carol Puhlman Schneider, the Steve Roth family, Steve Snapp, Marilyn Krigbaum, Jeff Lane ... a seven year old with one kidney and cancer ... and all of our military and priests.

**Lecturer Report:** Brother Bud Joos got some items off his chest and wondered aloud why we cannot stop Ebola ... when many years in the past we easily stopped the spread of Anthrax. We must control our borders!

Brother Joos then lightened up and shared some old cartoon drawing with us ... that were very entertaining.

Grand Knight Williams then officially closed the meeting at ~8:45 PM.

*Mike Croyle.*

## Lecturer's Corner

Tradition from Prayers of Hope – Words of Courage

Every nation, family, and profession has its traditions. Tradition can be strength for a nation, especially in times of change. In the economic and commercial work-a-day world, success is associated with adherence to a certain company tradition - a tried and now familiar presentation of a product or service. A company or manufacturer may keep the same name for centuries. A traditional brand name on boxes of chocolates, containers of butter, or bottles of wine inspire confidence in the consumer, even as they are always updating their manufacturing techniques and the quality of their products.

The great makers of automobiles such as, Mercedes, Rolls Royce, Renault, Peugeot, Fiat, Ford, Honda, etc; never stop reviewing their techniques while keeping their techniques, while keeping their traditions.

I must adapt traditions new to new realities, develop them based on today's scientific and technological contributions and renew them to the latest discoveries at the same time I must keep my originality and preserve my personal gifts.

As long as I respect tradition, I enjoy everyone's confidence.

Cultural tradition  
and Christian tradition  
incarnated in culture and act.

## Respect Life - Upcoming Events

Respect Life is alive and well in Pickerington! The Pick-Life group met recently to plan future events and will be involved in quite a few in the next few months.

First is the Labor Day parade in Pickerington on September 1. Pick-Life marchers and other community members will be handing out flyers and candy, so watch for us!

September 13 is the National Day of Memorial for Victims of Abortion. Columbus Right to Life is hosting this event, but a final location has not been determined yet. It might be in Pickerington, so watch the bulletin for more details. Over 55 million babies have been lost to Abortion since the 1973 Roe v Wade Supreme Court decision legalized abortion in the U.S. Come help us remember all those lost souls.

Father Frank Pavone of Priests for Life is the keynote speaker at the Columbus PDHC fundraising banquet on September 17 at Villa Milano. I have heard Fr. Pavone speak several times and he is a dynamic speaker who does a wonderful job of explaining the various Respect Life issues. If you have never heard him speak, you owe it to yourself to come to this banquet. Let me know if you want to go so we can get tables for our group. The banquet is free and Villa Milano does a great job with the food, but you will be asked to donate to PDHC.

On September 24, the fall 40 Days for Life campaign will begin at Founders mill on E. Broad St. It will last until November 2. The Seton Respect Life group has not selected a day to pray there, but I will let you know when we do. Please join us in prayer for victims of abortion - both the babies and the mothers, fathers, and families.

Dr. Monica Migliorino Miller is a Pro-Life leader who was one of the earliest advocates for the right to life. She wrote a book, *Abandoned-The Untold Story of the Abortion Wars*, about her personal experience as a pro-life leader, talking women out of abortions, retrieving aborted unborn from clinic trash dumpsters, and much more. I have read this book and it is very moving and challenging - to see what she and the other early abortion foes did is very impressive. Dr. Miller will be speaking at St. Andrews on Saturday, October 4, at a free event to honor the Columbus Right to Life sidewalk counselors. It is open to all, and Dr. Miller should be a great speaker to hear. You can register for this on the GCRTL website.

Former Ohio State great Chris Spielman is the keynote speaker at the Lancaster PDHC fundraising banquet on October 21. I am sure I do not have to tell all you Buckeye fans about Chris, but he is a dynamic, committed speaker who is sure to move you with his testimony. This is a free dinner at a church in Lancaster (I will get the exact location and let you know) but donations will be requested. Please contact me if you would like to go so we can sponsor a table for the Seton group.

Finally, on September 25 there will be a Prayer-a-thon, with youth groups from around Columbus. I will have more details in my next article, but mark your calendars to attend this important event. Even if you cannot attend, please support our youth with your pledge.

As you can see, there is a lot going on! Please join us for as many of these events as possible – only by standing up for life can we truly return to a Culture of Life.

*Edd Chinnock*

## Marketing Agent Wanted

Council 11187 has received an exclusive franchise to market Easter magnets (He is Risen) and Christmas magnets (Keep Christ in Christmas) to other councils throughout Ohio. Similarly, the franchise allows our Council to sell to individuals at retail price.

The magnets have the potential to be a significant fund raiser not only for our Council but other Councils within Ohio and have been enthusiastically received where they are known. These magnets could also appeal to other religious affiliated groups, Catholic and non-Catholic, for their message value alone. Until now, the availability of these magnets to other groups has been, predominately, word of mouth. To achieve full potential, a plan to market and distribute (the physical distribution is already in-place) the magnets throughout the state is needed. There are a number of statewide periodicals, publications and other venues that could be incorporated into such a plan.

So, to that end, we're looking for someone to draft and implement a plan to market the magnets.

If you are someone who is creative, doesn't like to attend numerous meetings, likes to work at your pace and within your personal time constraints and time frames you have available, this is your opportunity to help the Council on your own terms.

If this opportunity appeals to you please contact me at [reisenacher@insight.rr.com](mailto:reisenacher@insight.rr.com) or if you'd like to discuss it further call at 614-837-5452.

## No Challenge is Worth This!

First, I want to say, "I am praying for you Mike! God willing, may everything heal quickly so you are literally, back on your feet, soon! May the good Lord bless you & your family during this difficult time."

My husband, Wayne, played in this above mentioned softball game also. He told me the Squires had challenged the Knights, and they must play to prove they could still play and beat these young men, half their age. In Wayne case, the squires are more than three times younger than he is.

I actually begged him not to play. He assured me he would probably only have to play a couple of innings. He said lots of Knights were coming to play and it would be all right!

Well, that isn't what happened. Only six Knights showed up to play. I assume many of the other Knight's wives were able to talk their husbands out of taking such a foolish risk.

Now, I am not calling anyone who did play a fool. I'm just saying that in any challenge, a man should consider his over all health, his age, his risk of injury and weigh that against the challenge. My empathy goes out to poor Mike, Danielle and Emma! Mike is much closer than Wayne is, to the age of the Squires, and he was hurt very badly. I'm asking, "Is the risk of injury worth proving a point?"

Wayne did have to play every inning, as did all the men who took part in this game against the Squires.

I am thankful that he did return home without having a heart attack, a busted head, a broken hand, a broken leg or even worse.

But, poor Mike did get hurt. No, it wasn't anyone's fault. No one wanted to hurt anyone. The point I am trying to make is this: "Never take chances with your health for any reason, especially not to prove to some young people that "you've still got it!" (Whatever "It" is?) The welfare of your own health and your family's financial security is much more important than taking a risk like that."

I hope all the mature and more experienced Knights, O.K. all you old guys, like Wayne, have learned a lesson from poor Mike's misery! NO softball game challenge is worth all that suffering!!! NONE!!!

To the Squires, I would like to make a request. The next time you feel like challenging the Knights to a sport, I have a few suggestions:

1. Frisbee Golf
2. Bowling
3. Chess
4. Corn Hole Toss
5. Horse Shoes

Whatever you decide, please make it a non-life and limb threatening event, O.K.? Promise? Thank you all!

*Maureen Patterson*

## Thank You

Big thanks to all Brother Knights who participated in the parade and helped out at the Festival.
