Columbus Day - 10/10/2016 Council Anniversary - 10/12/2016

KOFC COUNCIL 11187 NEWSLETTER

Dear Brother Knights,

A changing of the season is in the air. You can feel the crisp temperatures in the evening, smell the smokiness of bonfires burning and witness the changing color of GOD's creation. With the change of the season happening, it is a good time to take a close look at our relationship with GOD and his church. Is your relationship with GOD and his church where it should be or not? Can you make a change spiritually and prayerfully to gain a closeness to HIM that will change you forever? Just as the change in seasons brings new life, a change in us, for a closeness to GOD, will bring new life to our lives.

I would like to thank everyone that was involved in the Seton Parish Festival. Many of our Brother Knights went above and beyond to make the festival a success. With a decline in parishioner involvement, many Knights volunteered to fill in wherever possible. **MANY HANDS MAKE LIGHT WORK!!** Our Council is a large part in the continued success of the festival. I thank you and I know the parish thanks you. Also, thank you to those who participated with the altar server cook out. We will present certificates to the Seton servers in recognition of their dedication to the Mass at a later date to be determined. Hopefully, we can increase the number of altar servers participating in the Liturgy and retain them until graduation. A little recognition can go a long way. Please thank them for their service and encourage them to continue.

This month, we will feature our Fall Family Festival on October 22. Pumpkin carving, bonfire, bean soup and fellowship to be had by all attending. Please pray for good weather as our venue will be the shelter house. Please volunteer where you can and bring your family for some outdoor FUN!!

**REMINDER:** ALL FOOTBALL FRENZY TICKET STUBS AND MONEY DUE AT THE OCTOBER BUSINESS MEETING!! PLEASE BUY OR SELL 1 TICKET AND HELP YOUR COUNCIL ACHIEVE OUR GOAL!!

As always, my family and I will continue to pray for you and your family. May GOD'S love fill your heart and allow you to be an outward sign of that love to others.

Your Brother in Christ,

*Michael Sillings*

Grand Knight  
KofC Council 11187

## CALLING ALL KNIGHTS!!!

This Saturday (1 October) will be a special First Saturday. October is Respect Life month so the first Saturday rosary will start with Adoration at 8:00 am with the Rosary for Life following. This will be followed by donuts and coffee.

We invite all Knights to join us in praying for life and enjoying a social afterwards.

Let's have a great turnout for this special event!

## Culture of Life: Catholic Voter's Guide

*Supporting Life From Conception Until Natural Death*

Another election is almost upon us, and what an unusual election season it has been! Both major party candidates are disliked by many in their own parties and many people simply don't know who to vote for. Hopefully this article will clarify some of the issues and guide you as good Catholic men and pro-life Knights in selecting the best candidates for office. Don't make the mistake of focusing only on the presidential election - we have a senate race and many local races that can have a big impact on the future of our country and state.

The following voter's guide is based on the Catholic Answers Voter's Guide for Serious Catholics:

"Some issues concern "non-negotiable" moral principles that do not admit of exception or compromise. One's position either accords with those principles or it does not. No one endorsing the wrong side of these issues can be said to act in accord with the Church's moral norms."

There are several issues involving non-negotiable moral values in current politics. "You should avoid to the greatest extent possible voting for candidates who endorse or promote intrinsically evil policies. As far as possible, you should vote for those who promote policies in line with moral law."

"Some things are always wrong, and no one may deliberately vote in favor of them. Legislators, who have a direct vote, may not support these evils in legislation or programs. Citizens support these evils indirectly if they vote in favor of candidates who propose to advance them. Thus, to the greatest extent possible, Catholics must avoid voting for any candidate who intends to support programs or laws that are intrinsically evil."

### Non-Negotiable Issues

"These issues concern actions that are intrinsically evil and must never be promoted by the law. Intrinsically evil actions are those that conflict with the moral law and can never be performed under any circumstances. It is a serious sin to deliberately endorse or promote any of these actions, and no candidate who really wants to advance the common good will support any action contrary to the non-negotiable principles involved in these issues."

#### Abortion

"Abortion is the intentional and direct killing of an innocent human being, and therefore is a form of homicide."

#### Euthanasia

"Often disguised by the name "mercy killing", euthanasia is also a form of homicide. No one has the right to take his own life, and no one has the right to take the life of any innocent person."

#### Embryonic Stem Cell Research

"Human embryos are human beings. Respect for the dignity of human beings excludes all experimental manipulation or exploitation of the human embryo."

#### Human Cloning

"Attempts for obtaining a human being without any connection with sexuality through cloning are to be considered contrary to the moral law, since they are in opposition to the dignity both of human procreation and the conjugal union."

All of the above quotes were excerpted from the *Voter's Guide for Serious Catholics* by Catholic Answers Press 2012.

Prior to casting your ballot, review the list of "Non Negotiable Issues", compare where the candidates stand on those issues and cast your ballot for the candidate that best reflects your values as a Catholic and member of the Knights of Columbus. We are confident you will make the right choice.

"The Only Thing Necessary for the Triumph of Evil is that Good Men Do Nothing." Several people have indicated that they may skip voting because they don't like either presidential candidate, but that attitude will insure that evil will triumph.

### **MAKE SURE YOU VOTE IN THIS ELECTION!**

Whoever is elected will likely appoint several Supreme Court justices and those choices could drastically change America as we know it.

## Lecturer's Corner

From: The Four Signs of a Dynamic Catholic.

Once upon a time there were three frogs sitting on a lily pad outside of a palace of a great king. Two of the frogs decided to jump into the pond. How many frogs are left on the lily leaf?

Three. Deciding to do something is not the same as doing it. The First sign of a Dynamic Catholic is prayer. More specifically is a daily commitment to prayer. That means that they don't *hope* to get around to praying each day. It is not merely a good intention it is a priority. Daily prayer has become an ingrained habit for them.

You see if you ask Catholics, "Do pray?" they all say yes! But the great majority of Catholics don't have a plan when it comes to prayer. We just pray when then mood strikes us. This type of spontaneous prayer is good and should be a part of all our lives. But it is not enough if we want to go grow in virtue, become a-better-version-of-ourselves have dynamic-relationships, and change the world in the ways that God intends us to. The Christian life is not sustainable without daily prayer. It is not likely that you will become (or remain) a patient, compassionate, others-centered person who is focused on what matters most even without daily prayer. Highly engaged Catholics have figured this out, and that is one of the reasons why they have a daily commitment to prayer.

Even more specific than a commitment, Dynamic Catholics have a routine of prayer.

More: Next month on the routine of prayer.

Respectfully submitted:

## Wanted: A Calligrapher

Might you (or might you know someone) who does Calligraphy? This artistic talent is in demand! We are looking for someone to help make our Seton Council certificates look like something special. I'm sure we can do better than the computer generated lettering currently being used.

Thank you,
