Happy 60th Anniversary Fr. Fairchild!

600 Hill Road North,
Pickerington, Ohio 43147

1 June 2019
Volume 26, Issue 8

Dear Brother Knights,

I want to congratulate the newly elected officers and wish them a great upcoming fraternal year!

So here we are at the end of the fraternal year and the last article I have to compose. To me, it is the hardest part of the job, trying to find something to write about. If you think about it the July article is the easiest. You get to thank everyone for electing you as Grand Knight for the year. June is the second easiest because you get to thank everyone for letting you be their Grand Knight. So as Jackie Gleason used to say "And away we go..."

Let me say this, I now understand why our church secretary Beth does not include names when you write a "thank you" article for the bulletin!

First, to the Officers, who had to put up with me, it was a great year and I hope not too much of issue. I love this Council and all the members and I truly believe the Grand Knight's ultimate responsibility is to the Council first, then the Parish, and then everything else.

Then we have the Directors: These men chose to work on the various area of our Council: Church, Community, Council, Family, Membership, Program, Culture of Life, Squires and Youth. All contributed to the direction and visibility of the Council.

Next in line to thank are all of the various Fund Raising Committees: I'm talking about the crews for the Pancake breakfast, Fish Fry's, Squire Events, Fall Family Festival, Blue Coats, Wives' Appreciation Dinner, St Patrick's Day Party, Magnets and Charity Tickets. Without the committees and the selfless time in putting on the events, we would not be in the shape we are in. With our fundraising ability, we were able to help with the renovation on two different occasions. I will also note that we lost a great Council fundraising activity, through no fault of our own, when the Magnet sales were discontinued by the Originating Council. With this goes a special shout out to the people that worked on the above events. With all of your help, we were able to make these events successful. The saying about the more hands involved make easier the event is true, because of all your help.

Then we have the Committees: These are the Benevolent, Capital Benefits, Memorial, Publicity, and Scholarship Committees. These are the little programs that do not get a lot of external attention, but play an important part in our internal workings. We were able to help people, buy some equipment, get some good publicity in the bulletins, and award a scholarship.

The biggest thank you is to every one of our Brother Knights that are involved in the Council and Parish. It is really an amazing sight to see all the people that make our Council outstanding. It is just as amazing to see all the Knight's that are involved in the Parish. We know that Fr. Jim and Deacon Hector are Knights and are the front men for the parish, but on every committee, you can find a Knight involved.

I have an extra special shout out to my wife Lucretia (Cree) for her support this past year.

And finally, THANK YOU for allowing me to be the Grand Knight for the Council!

Happy Fathers Day to all the men of the Council, you are the role models for your children and our Parish.

Jesus V Garcia III

Grand Knight

Culture of Life: Dr. William Lile

Supporting Life From Conception Until Natural Death

In 1999, Dr. William Lile and a partner bought out one of the busiest Florida abortion clinics, immediately ending the abortions there and putting the previous provider into retirement. Dr. Lile then began to use the tools once used for destroying innocent life to defend it. His passion for protecting the unborn grew, lending him the nickname "The Pro-Life Doc". Today he continues to practice medicine, teach, and speak out in defense of human life. Dr. Lile has reached a national audience with his perspective on extreme abortion laws, like the ones passed in New York and proposed in Virginia, which he responds to from both medical and scriptural perspectives and by his work on abortion pill reversal and rescue, which he not only provides in-clinic but serves on the medical advisory board for at Heartbeat International.

Dr. Lile will be the special guest speaker at the Greater Columbus Right to Life banquet at Villa Milano at 6:00 pm Monday, June 10, 2019. Please join us at the Seton Respect Life table for this FREE dinner. Guests will have an opportunity to make a donation in support of GCRTL after dinner.

Please contact Edd or Vicki Chinnock at 740-927-5099 or echinnock@aol.com to reserve your place at our table. We look forward to seeing you there!
