Volume 26, Issue 12

### Brothers in Christ,

Happy 26<sup>th</sup> Anniversary! Let's take a minute and borrow a paragraph from the history tab of our website;

"... early 1993, a small group of parish men gathered to explore the possibility of forming a Knights of Columbus council within St. Elizabeth Ann Seton parish. The response, interest and commitment were overwhelming. In the fall of the year and on Christopher Columbus Day, Seton Council 11187 was chartered on October 12, 1993. The Council Charter, signed by 70 charter members, is prominently displayed in Bishop Hermann Hall in recognition of our beginning."

#### Charter members still with Our Council

A big thanks to these fine gentlemen! Our founding pastor was Msgr. Stephen B. Hawkins and first Grand Knight was Casimir J. Michnowicz. Of the 70 charter members, 16 remain with our Council. If you should see these brothers, please give them a well-earned pat on the back.

All current members are invited to attend, sit together and receive special recognition from Father at the Sunday October 13<sup>th</sup> 11:15 Mass celebrating our anniversary.

At the September 27<sup>th</sup> First Degree, our Council welcomed 4 new members bringing our membership to 258 strong. Take an opportunity to invite a Catholic gentleman to join our fraternal organization.

October starts a very busy month for our Seton Council. Please see our calendar for the upcoming: Knights Mass Sunday (6<sup>th</sup>), Business meeting (9<sup>th</sup>), Anniversary Mass (13<sup>th</sup>), 1st pancake breakfast (20<sup>th</sup>), Council Social (24<sup>th</sup>) and the Family Fall Festival (26<sup>th</sup>). I hope everyone considers participating in these great events and continuing the wonderful traditions of Seton Council 11187.

Vivat Jesus!

## Culture of Life: Pregnancy from Rape

*Supporting Life From Conception Until Natural Death*

A rape victim becomes pregnant - what situation could be more emotionally charged than that?

Even among those who are pro-life, some individuals are tempted to condone aborting children conceived from rape out of a natural empathy for the rape victim. Abortion advocates love this situation, using it constantly to show the "need" for abortion to be legal. Because abortion is already legal for any reason, their real purpose is to marginalize those who are pro-life by painting them as insensitive and rigid.

Rape is not a sex crime - it is a crime of violence, of power and control. Stranger rape is estimated to be between 8 and 20 percent of all rapes. The vast majority of rape is committed by someone the victim knows - husbands, boyfriends, family members, and acquaintances. The vast majority of victims were related to or in a relationship with their attacker.

The number of pregnancies resulting from rape is frequently overstated. Relatively few rapes result in pregnancy because a single act of unprotected sexual intercourse only results in pregnancy 2 to 4 percent of the time, 10.9 percent of women are infertile, and more than 41 percent are using contraception. Only one percent of women report rape as a reason for abortion and less than one-half of one percent report it as the main reason.

Abortion advocates perpetuate the myth that pregnant rape victims generally desire abortion, and this makes it difficult for women to choose the life-giving alternative for their child. We must not forget that pregnant rape victims are not suddenly separated from the person they were before the rape. They bring to this difficult journey their beliefs, their sense of right and wrong, and everything else that they were.

The abortion rate among rape victims (50 percent) is not substantially higher than among all women who report an "unintended pregnancy" (40 percent). A study of 164 such women found that the majority of those who had abortions regretted having done so and said the abortion caused them additional problems. Among those who delivered a child conceived by rape, satisfaction was higher, and none stated any regret for having given birth.

Abortion, then, is not an inevitable choice. The loving support of family, friends, and counselors can make a huge difference.
